TCL C1

TCL C1 Google TV Portable Projector User Manual

Model: C1 | Brand: TCL

1. INTRODUCTION

This manual provides essential information for setting up, operating, and maintaining your TCL C1 Google TV Portable Projector. Please read it thoroughly before use to ensure optimal performance and safety.

2. SAFETY INFORMATION

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and injury. Keep the projector away from water and high humidity. Do not attempt to disassemble or repair the unit yourself. Use only the provided power adapter.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- TCL C1 Google TV Portable Projector
- Remote Control
- Power Adapter
- User Manual (this document)

This video demonstrates the automatic focus and keystone correction features, showing how the projector quickly adjusts the image for optimal clarity and shape.

5.3 Network Connection

Connect your projector to a Wi-Fi network for access to streaming services and online content. The projector supports Wi-Fi 5 and Bluetooth 5.1 for seamless connectivity with various devices.

6. OPERATING INSTRUCTIONS

6.1 Streaming Services

The TCL C1 comes with official Google TV and Netflix licenses, allowing immediate access to popular streaming platforms. Simply power on the device and start watching movies and dramas without additional app installations or complex initial settings.

- **Google TV:** Access over 400,000 movies and TV episodes from various streaming services, organized for easy browsing.
- **Netflix:** Directly access Netflix content.
- **YouTube & Prime Video:** Dedicated buttons on the remote for quick access.
- **Google Assistant:** Use voice commands for content search, app operation, and projector control.
- **Google Cast:** Stream content from your smartphone or tablet to the projector.

障害物回避機能＆自動スクリーン調整

障害物回避機能とスクリーン調整により、障害物を自動検知し、画面位置を賢く調整。スムーズで手間のかからない設置を毎回実現します。

The projector is shown in a living room setting, emphasizing its 8W speaker and Dolby Audio support for a rich and immersive sound experience.

7. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your projector.

7.1 Cleaning the Filter and Lens

The projector features a fully sealed optical engine to prevent dust intrusion. However, periodic cleaning of the filter and lens is recommended.

1. Remove the filter and wash it, then dry it or use a blower.

2. Gently wipe the entire surface of the LCD screen with a dry cotton swab or an alcohol-soaked cotton swab.

3. Clean the lens with a soft, lint-free cloth.

Video: Filter and Internal Lens Cleaning Method

This video demonstrates the process of cleaning the projector's filter and internal lens, crucial for maintaining image quality and device longevity.

8. TROUBLESHOOTING

If you encounter any issues with your TCL C1 projector, please refer to the following common solutions:

- **No Power:** Ensure the power adapter is securely connected to both the projector and a working power outlet.
- **No Image:** Check if the lens cap is removed. Verify the input source is correctly selected (e.g., HDMI, USB, or streaming app).
- **Blurred Image:** The projector features auto-focus. If the image remains blurry, manually adjust the focus in the settings menu. Ensure the projection surface is flat.
- **Distorted Image:** The projector has automatic keystone correction. If needed, manually adjust keystone settings in the menu.
- **No Sound:** Check the volume level on the projector and any connected external audio devices. Ensure external speakers are properly connected or Bluetooth devices are paired.
- **Remote Control Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the projector.

For further assistance, please contact customer support.

9. SPECIFICATIONS

Feature	Specification
Brand	TCL
Model Series	C1
Product Dimensions	14.52 x 13.84 x 23.07 cm
