## 2. SETUP INSTRUCTIONS

The EXERZ World Globe comes pre-assembled and requires minimal setup. Follow these steps to prepare your globe for use:

1. **Unpacking:** Carefully remove the globe from its packaging. Inspect for any signs of damage during transit.
2. **Placement:** Place the globe on a stable, flat surface such as a desk, shelf, or table. Ensure the surface is level to

prevent accidental tipping.

3. **Stability Check:** Gently test the stability of the globe on its chosen surface. The base is designed to provide a secure foundation.

## 4. MAINTENANCE

---

To ensure the longevity and appearance of your EXERZ World Globe, follow these maintenance guidelines:

- **Cleaning:** Wipe the globe surface and base with a soft, dry, lint-free cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or solvents, as these can damage the finish and map details.
- **Dusting:** Regularly dust the globe to prevent accumulation, which can dull its appearance.
- **Handling:** Handle the globe by its base or arc to avoid leaving fingerprints on the map surface.

## 5. TROUBLESHOOTING

---

This section addresses common concerns you might encounter with your globe.

- **Globe does not spin smoothly:**

- Ensure the globe is placed on a completely flat and stable surface.
- Check for any debris or obstructions around the pivot points of the arc.
- The rotation mechanism is designed for smooth movement; excessive force is not required.

- **Map details appear faded or scratched:**

- Avoid using harsh chemicals or abrasive materials for cleaning. Refer to the Maintenance section.
- Store the globe away from direct sunlight or extreme temperatures to prevent material degradation.
