2. SETUP AND UNBOXING

Upon receiving your KISS OF LIFE - 4th Mini Album 'Lips Hips Kiss' Digipack, follow these steps for unboxing:

1. **Inspect the Package:** Carefully examine the outer shipping package for any signs of damage before opening.
2. **Open the Package:** Use a suitable tool to open the shipping package, taking care not to damage the product inside.
3. **Remove Contents:** Gently remove the Digipack from its protective packaging.
4. **Verify Components:** Check the contents against the list below to ensure all items are present. The album comes in various versions (JULIE Ver., NATTY Ver., BELLE Ver., HANEUL Ver.), and images may vary by version.

Included Components:

- **Package Box:** 155 x 120 mm / 1 type (images vary by version)
- **Photo Postcard:** 150 x 115 mm / 8 types included (images vary by version)

3. OPERATING AND HANDLING

This product is primarily a collectible item. Proper handling ensures its longevity and aesthetic appeal.

- **Viewing Photo Postcards and Booklet:** Handle photo postcards and the accordion booklet by their edges to avoid fingerprints or creases.
- **Mini CD-R:** The mini CD-R is a functional music disc. Handle it by the edges or the center hole to prevent scratches. Insert it into compatible mini CD-R players or drives. *Note: Not all CD players support mini CD-Rs.*
- **Photocards:** Photocards are delicate. Consider placing them in protective sleeves or binders to prevent bending, scratching, or fading.
- **Storage:** Store the entire package in a cool, dry place away from direct sunlight and extreme temperatures to prevent damage to paper components and fading of images.

4. MAINTENANCE AND CARE

To maintain the condition of your Digipack and its contents:

- **Cleaning:** For dust, gently wipe the package box and other paper components with a soft, dry, lint-free cloth. Avoid using liquids or abrasive cleaners.
- **Fingerprints:** If fingerprints appear on glossy surfaces, use a microfiber cloth to gently buff them away.
- **Environmental Conditions:** Protect the album from humidity, which can cause warping or mold, and from direct sunlight, which can cause colors to fade.

- **Handling:** Always handle components with clean, dry hands.

5. TROUBLESHOOTING

As this is a static collectible item, extensive troubleshooting is not typically required. However, here are some common concerns:

- **Damaged Components Upon Arrival:** If any components are damaged upon arrival, refer to the warranty and support section for contact information.
- **Mini CD-R Not Playing:** Ensure your CD player or drive is compatible with mini CD-Rs. Clean the CD surface gently with a soft, lint-free cloth from the center outwards if playback issues occur.
- **Fading or Discoloration:** This is often due to prolonged exposure to direct sunlight or harsh lighting. Store the album in a shaded area.
