1. Introduction

Thank you for choosing the Reobrix Japanese Ramen Shop Building Blocks, Model 66501. This creative building kit allows you to construct a detailed Japanese street view ramen restaurant, complete with integrated lighting. This manual provides essential information for the assembly, operation, and care of your building set. Please read it thoroughly before beginning assembly.

2. Safety Information

Please observe the following safety precautions:

- **Choking Hazard - Small Parts:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for users under 14 years.
- Keep all packaging materials away from children.
- Do not ingest any parts of the building blocks.
- Handle the light components with care to avoid damage.

3. Package Contents

The Reobrix Japanese Ramen Shop Building Blocks 66501 package includes:

- Approximately 1142 building block pieces.
- Integrated LED lighting components.
- Detailed instruction manual (physical copy).
- Sticker sheet for decorative elements.

4. Assembly

The Reobrix Japanese Ramen Shop Building Blocks 66501 offers two distinct assembly styles, allowing for creative customization. Refer to the included physical instruction manual for step-by-step guidance.

4.1. General Assembly Tips

- Organize pieces by color and size before starting.
- Follow the numbered bags and corresponding steps in the manual.
- Ensure all connections are firm to maintain structural integrity.
- Pay close attention to the placement of lighting components as indicated in the manual.

4.2. Two Assembly Styles

This kit provides the flexibility to build two different configurations of the Japanese Ramen Shop. The instruction manual details both options. Choose your preferred style before or during assembly.

5. Operation (Lighting Feature)

The Rebrick Japanese Ramen Shop Building Blocks 66501 includes an integrated LED lighting system to enhance its display. Follow these steps to operate the lights:

- Ensure all light components are correctly installed during assembly as per the instruction manual.
- Connect the power source (e.g., battery box, USB cable) to the designated port on the model. The specific power connection method will be detailed in your physical instruction manual.
- Activate the lights using the switch provided with the lighting kit.

6. Maintenance

To ensure the longevity and appearance of your Reobrix Japanese Ramen Shop Building Blocks 66501, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, use a slightly damp cloth and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic bricks.
- **Handling:** Handle the assembled model with care, especially when moving it, to prevent pieces from detaching.
- **Light Components:** If the lights dim or stop working, check the power source (e.g., replace batteries if applicable) and ensure all connections are secure.

7. Troubleshooting

If you encounter any issues with your Reobrix Japanese Ramen Shop Building Blocks 66501, refer to the following common solutions:

Problem	Possible Cause	Solution
Missing pieces	Manufacturing error or lost during unpacking.	Carefully check all packaging materials. If pieces are genuinely missing, contact Reobrix customer support with your purchase details.
Lights not working	Incorrect connection, depleted power source, or damaged component.	Verify all wiring connections are secure. Replace batteries if using a battery box. Ensure the power switch is in the 'ON' position. If the issue persists, contact customer support.
Model unstable or pieces fall off	Pieces not fully pressed together during assembly.	Carefully re-examine the affected sections and ensure all bricks are firmly connected. Refer to the instruction manual for correct placement.

8. Specifications
