## INCLUDED COMPONENTS

Before beginning assembly, please ensure all parts listed below are present and undamaged. If any components are missing or damaged, please contact Keyluv customer support for assistance.

- Bed Frame (Overall Frame)
- Headboard (Upholstered, Button Tufted)
- Metal Slats (17 sturdy steel slats)
- Storage Drawers (2 units)
- Canopy Posts (4 removable posts)
- Assembly Instructions Manual
- Screws and other necessary hardware

## SETUP AND ASSEMBLY

Assembly of the Keyluv bed frame is designed to be straightforward. It is recommended that two adults assemble the bed frame. Estimated assembly time is approximately 1.5 hours.

### Preparation:

- Clear an adequate space for assembly.
- Lay out all components and hardware, comparing them against the parts list in the included instruction manual.
- Gather necessary tools (e.g., screwdriver, wrench - typically included).

### Assembly Steps:

1. Begin by assembling the headboard and footboard sections as per the detailed instructions in your manual.
2. Attach the side rails to the headboard and footboard, ensuring all connections are secure.
3. Install the metal slats onto the frame. Ensure plastic silent clips are properly engaged to prevent noise.
4. Assemble the two storage drawers and slide them into place under the bed frame.
5. Optionally, attach the four removable canopy posts to the corners of the bed frame. These can be installed or removed based on your preference.

## OPERATING FEATURES

### Storage Drawers:

The two large storage drawers located at the foot of the bed provide convenient space for clothes, toys, or other items. These drawers are designed to slide out easily for access and can be pushed back in to maintain a tidy appearance. They are ideal for storing items not frequently used, helping to keep your bedroom organized.

### Detachable Canopy Posts:

The bed frame features four removable canopy posts, allowing you to transform the bed from a standard platform bed to a canopy bed. Simply attach or detach the posts as desired. This versatility enables you to customize the bed's appearance and functionality to suit your needs or decor.

## CARE AND MAINTENANCE

- **Cleaning the Upholstery:** For the velvet headboard and footboard, gently vacuum with an upholstery attachment to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, a mild fabric cleaner designed for velvet can be used, following the product's instructions and testing on an inconspicuous area first.
- **Cleaning the Metal Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Under-bed Clearance:** The 11-inch clearance under the bed allows for easy cleaning with a robot vacuum or standard vacuum cleaner, helping to keep the area dust-free.

## TROUBLESHOOTING

**Issue: Bed frame is squeaking or unstable.**

**Solution:** Check all assembly bolts and screws. Tighten any loose connections. Ensure the plastic silent clips on the metal slats are properly installed and secure. Uneven flooring can also contribute to instability; consider using furniture pads or shims if needed.

**Issue: Storage drawers are difficult to open or close.**

**Solution:** Ensure the drawers are properly aligned within their tracks. Check for any obstructions under the bed or within the drawer mechanism. The drawers are designed to lift and pull out; ensure you are not forcing them. If they are hooked, unhook them before pulling out.

**Issue: Missing or damaged parts upon arrival.**

**Solution:** Refer to the "Warranty & Support" section. Keyluv provides free replacement for damaged or missing parts. Contact customer support with your purchase details and a description of the issue.
