WHAT'S IN THE Box

Upon opening the package, verify that all items are present:

- PEICHENG Android 14.0 Tablet (Q8SPRO)
- USB Charging Cable
- User Manual (this document)

SETUP GUIDE

1. Charging the Tablet

Before first use, fully charge your tablet. Connect the provided USB cable to the tablet's charging port and the other end to a compatible USB power adapter (not included) or a computer's USB port. The battery indicator on the screen will show charging status.

2. Powering On/Off

- **To Power On:** Press and hold the Power button located on the side of the tablet until the screen lights up.
- **To Power Off:** Press and hold the Power button until a menu appears. Select "Power off" and confirm.
- **To Restart:** Press and hold the Power button until a menu appears. Select "Restart" and confirm.

3. Initial Setup

The first time you power on your tablet, you will be guided through the initial setup process:

- 1. Language Selection:** Choose your preferred language.
- 2. Wi-Fi Connection:** Select your Wi-Fi network from the list and enter the password. A stable internet connection is recommended for updates and app downloads.
- 3. Google Account:** Sign in with your Google account or create a new one. This is necessary to access the Google Play Store and other Google services.
4. Follow the on-screen prompts to complete the setup, including setting up screen lock, date, and time.

4. Inserting a MicroSD Card

The tablet supports microSD cards up to 1TB for expanded storage. Locate the microSD card slot on the side of the tablet. Gently insert the card with the gold contacts facing down until it clicks into place. To remove, gently press the card until it pops out.

OPERATING YOUR TABLET

1. Basic Navigation

Your tablet uses a touch-sensitive screen for interaction:

- Tap:** Touch the screen once to select an item or open an app.
- Touch and Hold:** Press and hold an item to access additional options or move it.
- Swipe:** Drag your finger across the screen to scroll through pages or lists.
- Pinch:** Use two fingers to zoom in or out on images and web pages.

2. Connecting to Wi-Fi

1. Go to **Settings > Network & internet > Wi-Fi**.
2. Toggle **Wi-Fi On**.
3. Select your desired network from the list.
4. Enter the password if prompted and tap **Connect**.

3. Using the Cameras

Your tablet is equipped with both front and rear cameras for photos and video calls.

- Open the **Camera** app from your home screen or app drawer.
- Tap the camera icon to switch between front and rear cameras.
- Tap the shutter button to take a photo or start/stop video recording.

MAINTENANCE

1. Cleaning the Device

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials, which can damage the screen or finish.

2. Battery Care

- Avoid extreme temperatures, as they can affect battery life.
- Do not let the battery completely drain frequently.
- Use only the provided or certified charging accessories.

3. Software Updates

Periodically check for software updates to ensure your tablet has the latest features and security patches. Go to **Settings** > **System** > **System update**.

TROUBLESHOOTING

| Problem | Solution |
|--------------------------------------|--|
| Tablet does not turn on. | Ensure the battery is charged. Connect to a charger and wait a few minutes before attempting to power on again. |
| Screen is unresponsive. | Restart the tablet by holding the power button. If unresponsive, force restart by holding the power button for an extended period (e.g., 10-15 seconds). |
| Cannot connect to Wi-Fi. | Check if Wi-Fi is enabled in settings. Ensure the password is correct. Restart your Wi-Fi router and the tablet. |
| Apps are crashing or running slowly. | Close background apps. Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Ensure sufficient storage space is available. Restart the tablet. |
| Tablet storage is full. | Delete unnecessary files and apps. Transfer media to a computer or cloud storage. Insert a microSD card for expanded storage. |
