4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots (L for left, R for right).
2. Connect the Type-C charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The LED digital display on the charging case will show the battery percentage of the case and the charging status of each earbud.
4. A full charge provides up to 10 hours of playtime for the earbuds, and the charging case provides an additional 4 charges, totaling 50 hours of playtime.

4.2 Pairing with Your Device

The Matast B02 Earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "B02" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbuds will automatically reconnect to the last paired device when removed from the charging case.

One Step Pairing & Wide Compatibility

5. OPERATING INSTRUCTIONS

5.1 Wearing the Earbuds

For optimal sound quality and comfort, ensure a proper fit.

1. Choose the correct size ear tips (S, M, L) that provide a snug fit in your ear canal.
2. Place the earbud into your ear, then gently adjust the flexible ear hook over your ear for a secure and

comfortable fit.

Image: A visual guide demonstrating the ergonomic design of the Matast B02 Earbuds, showing how they fit securely with flexible ear hooks and different ear tip sizes.

5.2 Smart Touch Controls

The earbuds feature intuitive touch controls on the outer surface of each earbud.

Action	Function
Double Tap L/R	Play / Pause Music, Answer / End Call
Triple Tap L/R	Activate Voice Assistant
Single Tap L	Volume Down
Single Tap R	Volume Up
Press and Hold L (2s)	Previous Song

Action	Function
Press and Hold R (2s)	Next Song
Press and Hold L/R (2s during incoming call)	Reject Call

Smart Touch Control

Easy touch, easy use

6. MAINTENANCE

6.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Do not use abrasive cleaners or solvents.

6.2 Waterproofing (IP7)

The Matast B02 Earbuds are IP7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This makes them suitable for workouts and light rain, but they are not recommended for swimming or showering.

- Ensure the charging port cover (if applicable) is securely closed before exposure to water.
- After exposure to water, wipe the earbuds dry before placing them back in the charging case to prevent damage to the charging contacts.

6.3 Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store in a cool, dry place away from extreme temperatures and direct sunlight.

7. TROUBLESHOOTING

If you encounter any issues with your Matast B02 Earbuds, please refer to the following common solutions:

- **Earbuds not pairing/connecting:**
Ensure Bluetooth is enabled on your device. Place earbuds back in the case, close the lid, then open it again to re-enter pairing mode. Forget "B02" from your device's Bluetooth list and try pairing again. Ensure earbuds are charged.
- **Only one earbud working:**
Place both earbuds back in the charging case, close the lid, and then open it again. Ensure both earbuds are charged. If the issue persists, try resetting the earbuds (refer to manufacturer's website or contact support for specific reset instructions if not in manual).
- **No sound or low volume:**
Check the volume level on both your device and the earbuds. Ensure earbuds are properly seated in your ears. Try cleaning the ear tips and speaker mesh.
- **Charging case not charging:**
Ensure the USB-C cable is securely connected to both the case and the power source. Try a different charging cable or power adapter.
- **Poor call quality:**
Ensure the microphones are not obstructed. Move closer to your connected device. Reduce background noise if possible.
