# Raybee 80.32" H Heavy Duty Rolling Clothes Rack Instruction Manual

Model: B0FCLXFH79

## 1. INTRODUCTION

Thank you for choosing the Raybee 80.32" H Heavy Duty Rolling Clothes Rack. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use and longevity of your product. This versatile garment rack is designed for efficient clothing storage and organization in various settings, offering robust construction and convenient mobility.

## 2. PRODUCT FEATURES

- **Dimensions:** Ideally sized at 35.4"W x 15.75"D x 80.32"H, this clothes rack fits well in bedrooms, balconies, dormitories, and garages. It can hold up to 308 lbs (135 lbs when rolling), sufficient for storing approximately 120 outfits or over 70 thick winter coats.

- **Space Saving Design:** Features two tiers of hanging rods for categorized clothing organization. The reinforced top shelf can support up to 70 pounds, ideal for luggage, bedding, or storage boxes. The open lower compartment provides space for more than 15 pairs of shoes, handbags, or accessories.
- **Flexible 360° Wheels:** Equipped with smooth-steering rubber wheels for effortless movement. Two of the wheels are lockable for stability. Adjustable feet are also included as an alternative to wheels, catering to different usage scenarios.
- **Rock Sturdy Frame:** Constructed with thicker metal tubing to ensure a stable and durable portable clothes rack. An X-brace support prevents bending or collapsing, even under heavy loads.
- **Easy to Install:** Designed for quick assembly, typically within 20 minutes. Features pre-drilled holes and labeled parts for smooth installation. All necessary tools, including spare screws, are provided.

### 3. PACKAGE CONTENTS

Please ensure all parts are present before beginning assembly. Refer to the assembly video for a visual guide to all components.

- Metal Frame Components (various lengths and types)
- Wire Shelves (top and bottom)
- X-Brace Support Rods
- 360° Swivel Wheels (with locks)
- Adjustable Leveling Feet
- Screws and Washers (various sizes)
- Hex Key (Allen wrench)

### 4. ASSEMBLY INSTRUCTIONS

Assembly is straightforward and typically takes about 20 minutes. All parts are labeled, and pre-drilled holes ensure a smooth process. No measuring is required; simply tighten the screws with the provided tools.

## Assembly Video Guide

Video: A step-by-step visual guide demonstrating the complete assembly process of the Raybee clothes rack.

### Step-by-Step Written Instructions:

1. **Assemble Base Sections:** Connect the shorter horizontal pipes (part 2) to the vertical base pipes (part 3) using screws (B1) and washers (A). Ensure all connections are secure.
2. **Attach Wheels/Feet:** Screw the 360° swivel wheels (D) into the bottom of the assembled base sections. Alternatively, attach the adjustable leveling feet if you prefer a stationary setup.
3. **Install Bottom Shelf:** Place the bottom wire shelf (part 1) onto the lower frame. Secure it to the vertical pipes using screws (B1) and washers (A).
4. **Extend Vertical Poles:** Connect the upper vertical poles (part 4) to the lower vertical poles (part 3) by inserting them and ensuring they click into place. Repeat for all four vertical supports.
5. **Attach X-Brace:** Secure the X-brace support rods (part 8) to the designated points on the vertical poles (parts 4 and 7) using the smaller screws (B2). This enhances stability.
6. **Install Middle Hanging Rods:** Attach the middle horizontal hanging rods (parts 5 and 6) to the vertical poles (parts 4 and 7) using screws (B1) and washers (A).
7. **Install Top Shelf:** Place the top wire shelf (part 1) onto the uppermost frame. Secure it to the top vertical poles using screws (B1) and washers (A).
8. **Final Checks:** Verify that all screws are tightened and all connections are secure before placing items on the rack.

## 5. OPERATING INSTRUCTIONS

The Raybee Clothes Rack is designed for versatile use. Here's how to maximize its functionality:

- **Hanging Clothes:** Utilize the two tiers of hanging rods to separate different types of garments. The upper rod is ideal for longer items like coats and dresses, while the lower rod is suitable for shirts, pants, and skirts.
- **Top Shelf Storage:** Place folded clothes, luggage, bedding, or storage boxes on the reinforced top shelf. Ensure the weight does not exceed 70 lbs.
- **Bottom Shelf Storage:** Use the open lower compartment for shoes, handbags, or other accessories.
- **Mobility:** If using wheels, unlock the two lockable wheels to move the rack. Lock them when the rack is in its desired position to prevent accidental movement. If using adjustable feet, the rack will remain stationary.

## 6. MAINTENANCE

To maintain your Raybee Clothes Rack in optimal condition, follow these simple guidelines:

- **Cleaning:** Wipe down the metal frame and shelves with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Weight Distribution:** Distribute weight evenly across the hanging rods and shelves to prevent strain on the frame. Do not exceed the maximum load capacity.
- **Wheel Care:** Keep the wheels free of debris to ensure smooth rolling. Lubricate if needed.

## 7. TROUBLESHOOTING

If you encounter any issues with your clothes rack, refer to the following common solutions:

- **Rack is Unstable/Wobbly:**

- Ensure all screws are fully tightened.
  - Verify that the X-brace is correctly installed and secured.
  - If using adjustable feet, ensure they are evenly adjusted on a flat surface.
- **Wheels Not Rolling Smoothly:**
    - Check for any debris (hair, lint) caught in the wheels and remove it.
    - Ensure the wheel locks are disengaged.
- **Difficulty Assembling Parts:**
    - Refer to the assembly video and step-by-step instructions to ensure correct part orientation.
    - Do not force parts together; if a part doesn't fit, recheck the instructions.

## 8. SPECIFICATIONS

Attribute	Value
Brand	Raybee
Color	Black
Material	Metal
