CHARGING

To ensure optimal performance, fully charge your earbuds and charging case before first use.

Charging the Earbuds

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots (L for left, R for right).
2. Close the charging case lid. The earbuds will begin charging automatically.

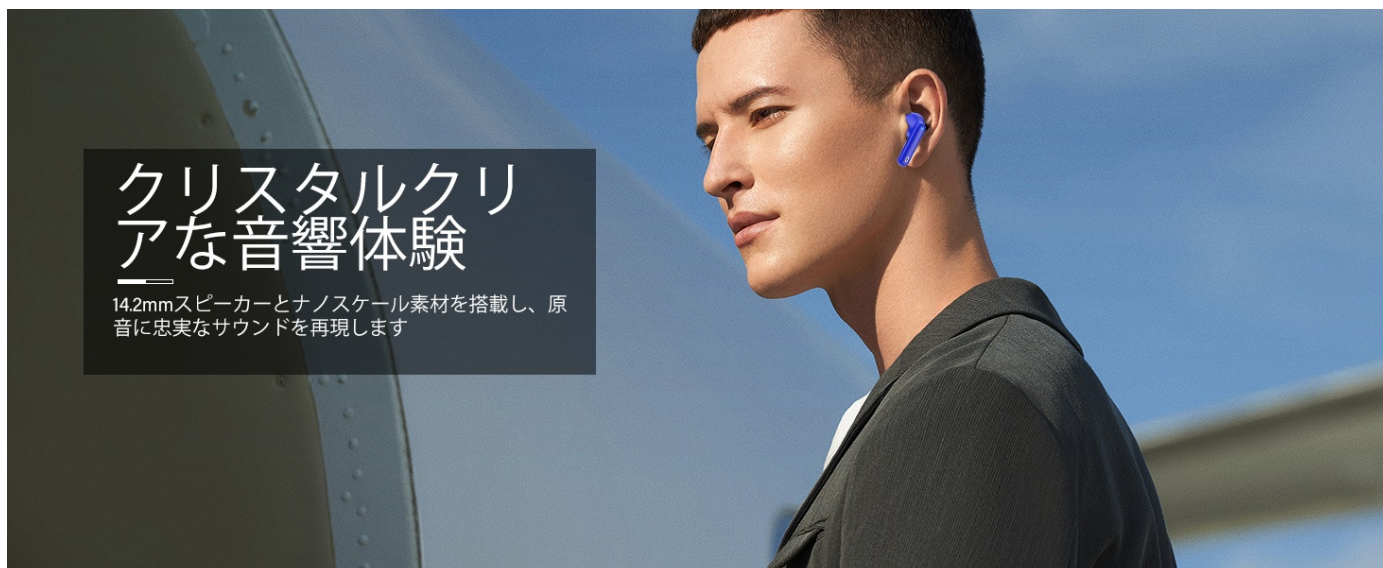

Charging the Charging Case

1. Connect the provided USB-C charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED digital display on the case will show the current battery percentage during charging.

A full charge for the case takes approximately 1.5 hours. The earbuds provide 6-8 hours of playback on a single charge, and the charging case extends total playtime to up to 40 hours. A quick 10-minute charge can provide approximately 1 hour of playback.

PAIRING

First-Time Pairing

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. Enable Bluetooth on your device (smartphone, tablet, etc.).
3. Search for "A90 Pro" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds are ready for use.

Automatic Re-connection

After the initial pairing, the earbuds will automatically connect to the last paired device when you open the charging case and take them out. This eliminates the need for repeated manual pairing.

WEARING THE EARBUDS

For the best audio experience and secure fit, choose the correct size of silicone eartips and wear the earbuds properly.

1. Select the eartips (S/M/L) that provide a comfortable and snug fit in your ear canal.

2. Gently insert each earbud into your ear, twisting slightly until it feels secure and comfortable.
3. Ensure the microphone is pointing towards your mouth for optimal call clarity.

MAINTENANCE

Proper maintenance will extend the lifespan of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Eartips:** Remove and clean the silicone eartips with water and mild soap if necessary. Ensure they are completely dry before reattaching.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand sweat and splashes. They are suitable for workouts and light rain. Do not submerge them in water or expose them to strong jets of water. Ensure the charging port is dry before charging.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged.

TROUBLESHOOTING

If you encounter any issues with your Btootos A90 Pro earbuds, please refer to the following common problems and solutions:

Problem	Solution
Earbuds not pairing/connecting	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Forget "A90 Pro" from your device's Bluetooth list and re-pair. Place earbuds back in case, close, then reopen to reset.
No sound from one earbud	Ensure both earbuds are charged. Try placing both earbuds back in the case, closing it, and then taking them out again. Re-pair if necessary.
Charging case not charging	Check the USB-C cable and power adapter. Ensure the cable is securely connected to both the case and the power source.
Low volume	Adjust the volume on both your connected device and using the earbud touch controls. Ensure eartips provide a good seal.
Call quality issues	Ensure the microphone is not obstructed. Move closer to your connected device to improve signal strength.
