Nillkin Samsung Galaxy Z Fold 7 Case (Model: ABF3JCWZB01CA)

Nillkin Iceblade Prop Magnetic Case User Manual

For Samsung Galaxy Z Fold 7

1. PRODUCT OVERVIEW

The Nillkin Iceblade Prop Magnetic Case is specifically designed for the Samsung Galaxy Z Fold 7, offering comprehensive protection and enhanced functionality. This case integrates a built-in camera kickstand, magnetic hinge protection, and MagSafe compatibility. Crafted from clear, anti-yellowing bio-based materials, it ensures durability while maintaining the phone's aesthetic. The adjustable kickstand provides versatile viewing angles, and the overall design focuses on a comfortable and secure grip.

2. INSTALLATION GUIDE

Follow these steps to properly install your Nillkin Iceblade Prop Magnetic Case on your Samsung Galaxy Z Fold 7:

1. **Clean Your Device:** Ensure your Samsung Galaxy Z Fold 7 is clean and free of dust or smudges before installation.
2. **Install the Front Frame:** Carefully align the front frame piece of the case with the front screen of your Z Fold 7. Gently press around the edges until it snaps securely into place. Ensure all corners are flush.
3. **Install the Main Body:** Place your Z Fold 7 (with the front frame installed) into the main body of the case, starting with the camera module side. Ensure the phone sits snugly within the case.
4. **Secure the Hinge Protection:** The magnetic hinge protection will automatically align and secure itself as you close the phone. Verify that the hinge mechanism operates smoothly.
5. **Check Fit:** Once both parts are installed, gently press around the edges of the case to ensure a secure and tight fit. Confirm that all buttons and ports are accessible and functional.

3. OPERATING INSTRUCTIONS: KEY FEATURES AND USAGE

3.1 MagSafe Compatibility

The Nillkin Iceblade Prop Magnetic Case features a built-in magnetic ring that ensures a strong and secure connection with MagSafe accessories. This allows for faster and easier wireless charging and effortless alignment with MagSafe chargers and stands.

- **Strong Magnetic Lock:** The integrated magnets provide a powerful hold for MagSafe accessories.
- **Wireless Charging:** Enjoy seamless wireless charging without needing to remove the case.
- **Accessory Compatibility:** Compatible with various MagSafe accessories such as car mounts and

wallets.

Note: Due to the specific lens design of the Samsung Galaxy Z Fold 7, square wireless magnetic chargers and magnetic wallets may not be fully compatible or align perfectly with the case's magnetic ring.

3.2 Integrated Kickstand Functionality

The case features a sturdy, hidden kickstand that allows for hands-free viewing. This kickstand is adjustable from 0-180 degrees, providing an optimal viewing experience for videos and movies in both half-screen and full-screen modes.

- **Adjustable Angles:** Position your phone at various angles for comfortable viewing.
- **Hands-Free Convenience:** Ideal for video calls, media consumption, or following recipes.
- **Durable Design:** The kickstand is built to withstand frequent use, having passed over 8000 folding tests.

Invisible & Multiangle Stand

3.3 Magnetic Hinge Protection

The case incorporates an upgraded magnetic hinge design that accurately fits the Z Fold 7's hinge. This design not only increases stability but also focuses on protecting the vulnerable hinge core area, reducing the risk of collision damage. It has passed over 30,000 fold tests, ensuring long-term reliability.

- **Enhanced Stability:** Provides a secure and stable feel when opening and closing your device.
- **Impact Resistance:** Shields the hinge from drops and impacts.
- **Smooth Operation:** Designed to allow the phone to fold and unfold without obstruction.

3.4 Bio-based Materials and Design

The Nillkin Iceblade Prop Magnetic Case is made from bio-based materials derived from renewable plants. This semi-transparent shell features a 3D mechanical texture, offering both functionality and aesthetics. The materials are anti-yellowing, dust-proof, sweat-proof, and fingerprint-proof, helping to keep your phone clean and pristine.

- **Eco-Friendly:** Constructed from sustainable bio-based materials.
- **Anti-Yellowing:** Resistant to discoloration caused by UV rays or sweat, maintaining clarity over time.

- **Enhanced Grip:** The 3D mechanical texture provides a comfortable and secure grip.
- **Cleanliness:** Designed to resist dust, sweat, and fingerprints.

4. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Nillkin Iceblade Prop Magnetic Case, follow these maintenance guidelines:

- **Regular Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust, dirt, and fingerprints. Avoid abrasive materials that could scratch the surface.
- **Avoid Harsh Chemicals:** Do not use strong chemical cleaners, alcohol, or solvents, as these can damage the case material and its anti-yellowing properties.
- **Prevent Extreme Temperatures:** Avoid exposing the case to extreme heat or cold, which can affect its structural integrity and material properties.
- **Inspect for Damage:** Periodically check the case for any signs of wear or damage, especially around the hinge and edges, to ensure continued protection.

5. TROUBLESHOOTING

If you encounter any issues with your Nillkin Iceblade Prop Magnetic Case, consider the following:

- **Loose Fit:** If the front frame feels loose, ensure it is properly aligned and all clips are securely snapped into place. The case includes adhesive strips for the front portion; ensure these are correctly applied for a firm fit.
- **MagSafe Alignment Issues:** As noted, square MagSafe accessories may not align perfectly due to the Z Fold 7's camera design. Ensure you are using round MagSafe accessories for optimal performance.
- **Hinge Movement:** If the hinge protection feels stiff or obstructed, remove the case and re-install it, ensuring no debris is caught in the hinge mechanism. The hinge is designed for smooth operation.
- **Discoloration:** While the case is anti-yellowing, prolonged exposure to harsh UV light or certain chemicals can still affect its clarity over time. Refer to the care instructions to minimize this.

For further assistance, please contact Nillkin customer support.

6. PRODUCT SPECIFICATIONS

Feature	Detail
Product Dimensions	3.94 x 3.15 x 0.79 inches
Item Weight	7.1 ounces
