

KAMABOKO 049

KAMABOKO 049 White Vanity Desk User Manual

Model: 049

1. INTRODUCTION

Thank you for purchasing the KAMABOKO 049 White Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions thoroughly before assembly and retain them for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always unplug the vanity desk from the power source before assembly, disassembly, or cleaning.
- Exercise caution during assembly to avoid sharp edges and pinch points.
- Keep the vanity desk away from water or damp environments to prevent electrical hazards.
- Do not exceed the specified weight limit for the desk surface or drawers to ensure stability and prevent collapse.
- Ensure all connections are secure and stable after assembly.

3. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Vanity Desk Components (various wooden panels, drawers, cabinet doors)
- LED Mirror with integrated lighting
- RGB Cabinet Lights
- Charging Station (2 AC outlets, 2 USB ports)
- Hair Dryer Rack
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Instruction Manual
- Remote Control for RGB Lights

4. SETUP AND ASSEMBLY

Assembly of the KAMABOKO 049 Vanity Desk is required. A detailed, step-by-step instruction manual with diagrams is included in your package. Please follow the provided manual carefully for proper assembly.

General Assembly Tips:

1. Clear a spacious area for assembly.
2. Organize all hardware and components before starting.
3. Use the appropriate tools as specified in the assembly manual.
4. Do not overtighten screws to avoid damaging the wood.
5. If you encounter any difficulties, refer to the troubleshooting section or contact customer support.

6. OPERATING INSTRUCTIONS

6.1. LED Mirror Operation

1. **Power On/Off:** Touch the power icon on the mirror surface to turn the LED lights on or off.
2. **Change Light Mode:** Short press the power icon to cycle through the three color modes: Natural Light, Warm Light, and Cold Light.
3. **Adjust Brightness:** Long press the power icon to adjust the brightness level within the selected color mode. Release when desired brightness is achieved.

6.2. Charging Station

The integrated charging station provides convenient power access:

- Locate the 2 AC outlets and 2 USB ports on the side of the vanity desk.
- Plug in your electronic devices (e.g., phone, tablet, hair tools) for charging or power.

6.3. RGB Cabinet Lights

The RGB lights in the side cabinets offer customizable ambient lighting:

- **Remote Control:** Use the provided remote control to turn the RGB lights on/off, change colors, adjust brightness, and select dynamic modes.
- **Mobile App Control:** Download the 'Magic Lantern' app (or specified app in your assembly manual) to control the RGB lights via your smartphone. This allows for advanced customization, including music synchronization and a wider range of colors.

Video: BJ045 KAMABOKO Farmhouse Vanity Desk with Lights and Mirror. This video provides another perspective on the vanity desk's features and lighting.

7. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For the mirror, use a glass cleaner and a lint-free cloth.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Electrical Components:** Ensure all electrical connections are dry and free from debris. Do not attempt to repair electrical components yourself; contact a qualified technician if issues arise.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. Lubricate with a silicone-based spray if necessary.

8. TROUBLESHOOTING

If you encounter any issues with your KAMABOKO 049 Vanity Desk, please refer to the following common

problems and solutions:

Problem	Possible Cause	Solution
LED Mirror lights not turning on.	Not plugged in; power outage; faulty connection.	Ensure the vanity is plugged into a working outlet. Check the power switch. Verify all internal connections are secure.
RGB Cabinet lights not responding to remote/app.	Remote battery low; app not connected; obstruction.	Replace remote batteries. Ensure Bluetooth is enabled and the app is paired correctly. Remove any obstructions between the remote/phone and the receiver.
Drawers are stiff or difficult to open/close.	Misaligned slides; debris in tracks; overtightened screws.	Check that drawer slides are properly aligned. Clean tracks of any debris. Loosen screws slightly if overtightened.
Vanity desk feels unstable.	Loose connections; uneven floor.	Retighten all assembly screws. Use furniture levelers if the floor is uneven.

If the problem persists after attempting these solutions, please contact KAMABOKO customer support.
