KOSPET KOSPET MAGIC P10

KOSPET Magic P10 Smartwatch User Manual

Model: KOSPET MAGIC P10

1. Introduction

This manual provides detailed instructions for setting up, operating, and maintaining your KOSPET Magic P10 Smartwatch. Please read this manual thoroughly to ensure proper use and to maximize the device's potential.

The KOSPET Magic P10 Smartwatch features a sleek stainless steel body, a vibrant 1.96" AMOLED display with Corning Gorilla Glass, and 5ATM water resistance. It includes built-in dual-band GPS, advanced health sensors for heart rate, SpO_2, sleep, and stress monitoring, and supports 180 sport modes. With a powerful 450mAh battery, it offers extended usage and smart AI power-saving capabilities. The watch is compatible with both Android and iOS devices.

2. What's in the Box

Upon unboxing your KOSPET Magic P10 Smartwatch, you should find the following items:

- 1x KOSPET MAGIC P10 Smart Watch
- 1x Charging Cable
- 1x User Manual
- 1x Silicone Watch Bands

3. Setup

3.1. Band Installation

The KOSPET Magic P10 Smartwatch comes with interchangeable bands. To install or replace a band:

1. First, remove any existing bands by sliding the quick-release lever on the underside of the band inwards and gently pulling the band away from the watch body.
2. Align the new band with the watch lugs. Insert one end of the spring bar into the corresponding hole on the watch lug.
3. Slide the quick-release lever inwards, then align the other end of the spring bar with the opposite hole on the watch lug. Release the lever to secure the band.
4. Gently tug on the band to ensure it is securely attached before wearing.

3.2. App Download and Pairing

To unlock the full potential of your KOSPET Magic P10, download the Apexmove app on your smartphone.

- **Download:** Search for "Apexmove" in the Apple App Store (for iOS) or Google Play Store (for Android) and install the app.
- **Pairing:**
    a. Open the Apexmove app and follow the on-screen instructions to create an account or log in.
    b. Ensure Bluetooth is enabled on your smartphone.
    c. In the Apexmove app, navigate to "Device" and select "Add a new device".
    d. Select "KOSPET MAGIC P10" from the list of available devices.
    e. Confirm the pairing request on both your smartphone and the smartwatch.
- **Notifications (iOS):** After pairing, you may need to grant notification permissions. Go to your iPhone's Settings > Bluetooth > KOSPET MAGIC P10 > Enable "Share System Notifications". Within the Apexmove app, go to "Device" > "SMS" and enable desired app notifications.
- **Notifications (Android):** Ensure the Apexmove app is active and not restricted by battery optimization or 'Do Not Disturb' mode. Within the Apexmove app, go to "Device" > "SMS Reminder" and enable desired app notifications.

4. Design and Display

The KOSPET Magic P10 boasts a premium design with a 316 low-carbon stainless steel bezel, offering both durability and a modern aesthetic. The crown features a detailed KOSPET logo, adding to its refined appearance.
The 1.96" AMOLED display is a key highlight, providing crystal-clear visuals even under bright sunlight with up to 1000 nits brightness. The Corning Gorilla Glass ensures resistance against daily scratches and screen damage. The display is also highly responsive, even with wet fingers, making it ideal for active use.

5. GPS and Sport Modes

The KOSPET Magic P10 is equipped with built-in dual-band L1+L5 GPS and supports 6 satellite systems, ensuring fast and precise positioning in various environments, including urban areas and wooded trails. This robust GPS capability allows for accurate tracking of your outdoor activities.

The smartwatch supports an impressive 180 sport modes, covering a wide range of activities from running and cycling to swimming and various indoor sports. The 5ATM water resistance rating makes it suitable for swimming, allowing it to recognize strokes and record essential data like lap splits, stroke count, pace, and heart rate zones.

Figure 5.2: The KOSPET Magic P10 Smartwatch being used during swimming, highlighting its 5ATM waterproof rating and ability to track swimming metrics.

6. Health Monitoring

The KOSPET Magic P10 is equipped with the VC9213-4PD sensor, a next-generation 4PD sensor that provides precise and reliable health data. It offers comprehensive all-day health monitoring, including:

- **Heart Rate Monitoring:** Tracks your heart rate continuously, providing real-time data and insights into your cardiovascular health.
- **Blood Oxygen (SpO_2) Monitoring:** Measures your blood oxygen saturation levels, an important indicator of respiratory function.
- **Sleep Monitoring:** Analyzes your sleep patterns, including deep sleep, light sleep, and REM stages, to help you understand and improve your sleep quality.
- **Stress and Emotion Monitoring:** Tracks your stress levels and emotional state, offering insights into your mental well-being.

- **Menstrual Cycle Tracking:** Provides tracking and predictions for menstrual cycles, supporting women's health.

The advanced sensor technology ensures accurate readings even during intense workouts or across a wide range of skin tones.

7. Smart Features

The KOSPET Magic P10 seamlessly integrates with your smartphone to provide convenient smart features directly on your wrist:

- **Bluetooth Calling:** Make and receive phone calls directly from your smartwatch, utilizing its built-in microphone and speaker. Access call logs and a keypad for dialing.
- **Notifications:** Receive real-time alerts for messages, social media updates, and other app notifications from your connected smartphone.

- **Music Control:** Control music playback on your smartphone, including play, pause, skip tracks, and volume adjustment, without needing to take out your phone.
- **AI Voice Assistant:** Utilize the integrated AI voice assistant for quick commands and information retrieval.

8. Battery Life

The KOSPET Magic P10 is equipped with a high-density 450mAh battery, designed for extended endurance. Combined with an advanced AI power-saving algorithm, it optimizes battery efficiency to provide impressive usage times:

- **Typical Use:** Up to 14-21 days
- **Standby Mode:** Up to 50 days
- **GPS Workout Mode:** Up to 18 hours

This long-lasting battery ensures that you can rely on your smartwatch for daily use and workouts without frequent recharging.

9. Apexmove App Integration

The exclusive Apexmove app is designed specifically for KOSPET users, offering tailored training plans and real-time performance tracking. All your health and training data syncs seamlessly to the app, providing powerful insights and effortless control.

- **Data Tracking:** View detailed records of your workouts, steps, calories burned, distance, heart rate, sleep, stress, and more.
- **Training Plans:** Create custom workout plans and monitor your stats to help you achieve your fitness goals.
- **Integration:** The Apexmove app can integrate with third-party fitness platforms like Apple Health and Strava for a comprehensive overview of your activity.

Package Dimensions	4.65 x 4.25 x 2.87 inches
Water Resistance	5ATM
Special Features	180 Sports Mode, 50 Days Standby Use, AI Voice Assistant, GPS Tracking, Compass, Altitude, Air Pressure, Notifications

12. Maintenance

To ensure the longevity and optimal performance of your KOSPET Magic P10 Smartwatch, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the watch body and strap with a soft, damp cloth. For the sensor area on the back, gently wipe it to remove any sweat or debris. Avoid using harsh chemicals or abrasive materials.
- **Water Exposure:** While the watch is 5ATM waterproof, it's recommended to dry it thoroughly after exposure to water, especially after swimming or showering, to prevent skin irritation and ensure proper sensor function. Avoid prolonged exposure to hot water or steam.
- **Charging:** Use only the provided magnetic charging cable. Ensure the charging contacts on the watch and cable are clean and dry before charging. Avoid charging in extreme temperatures.
- **Storage:** When not in use for extended periods, store the watch in a cool, dry place away from direct sunlight and extreme temperatures.
- **Screen Protection:** Although equipped with Corning Gorilla Glass, consider using a screen protector for added protection against scratches and impacts.

13. Troubleshooting

If you encounter any issues with your KOSPET Magic P10 Smartwatch, refer to the following common troubleshooting steps:

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the charging cable and a power source for at least 30 minutes. If it still doesn't turn on, try a long press on the power button.
- **Connectivity Issues (Bluetooth):**

a. Ensure Bluetooth is enabled on both your watch and smartphone.
b. Make sure the watch is within the Bluetooth range of your phone (typically 10 meters).
c. Restart both your watch and smartphone.
d. Forget the device in your phone's Bluetooth settings and re-pair through the Apexmove app.

- **Inaccurate Health Data:**

a. Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone.
b. Keep the sensor area on the back of the watch clean.
c. Avoid excessive movement during measurements for static readings (e.g., SpO_2).

- **GPS Not Locking On:**

a. Ensure you are in an open outdoor area with a clear view of the sky.
b. Wait a few moments for the watch to acquire satellite signals.
c. Ensure the Apexmove app is running in the background on your phone, as it aids in faster GPS lock.

- **Notifications Not Appearing:**

a. Check notification settings in both your smartphone's system settings and the Apexmove app.
b. Ensure your phone is not in 'Do Not Disturb' or 'Low Power' mode.
c. Verify that the Apexmove app has all necessary permissions granted on your phone.

14. Warranty and Support

KOSPET products are manufactured to the highest quality standards. For information regarding warranty coverage, please refer to the warranty card included in your product packaging or visit the official KOSPET website.
For technical support, product inquiries, or service requests, please contact KOSPET customer support through the contact information provided in the Apexmove app or on the official KOSPET website. Please have your product model number (KOSPET MAGIC P10) and purchase details ready when contacting support.
