COLAMY 4840BS-24-BE

COLAMY 25-Inch Swivel Counter Height Bar Stool

Model: 4840BS-24-BE (Set of 2)

Instruction Manual

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use of this product. Keep this manual for future reference.

- This product has a maximum weight recommendation of **300 pounds** per stool. Do not exceed this weight limit.
- Assembly is required. Follow the instructions carefully to ensure proper and safe assembly.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not stand on the stool.
- Use on a flat, stable surface to prevent tipping.
- Keep small parts away from children during assembly.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

Figure 2.1: Package Contents and Size Information. This image illustrates the individual components and their quantities, along with overall product dimensions.

What's in the Box:

- Backrest (A) x 1
- Seat Cushion (B) x 1
- Footrest (C) x 1
- Wood Legs (D) x 4
- Screw Bag (E, F, G, H, I) x 1 (Contains various bolts, spring washers, flat washers, and Allen wrench)

Note: The product is shipped as a set of 2 stools. Each stool requires assembly.

3. ASSEMBLY INSTRUCTIONS

Assemble the chair on a clean, smooth surface to avoid scratching parts. Do not fully tighten all screws until the chair is fully assembled. This allows for minor adjustments.

Step 1: Attach Wood Legs to Footrest

Figure 3.1: Step 1 Assembly. Connect the four Wood Legs (D) with the Footrest (C) using four 8*35mm Bolts (F), Spring Washers (G), and Flat Washers (H). Tighten the bolts to 50% using the Allen Wrench (I).

Step 2: Attach Seat Cushion to Backrest

Figure 3.2: Step 2 Assembly. Attach the Seat Cushion (B) to the Backrest (A) using four 8*40mm Bolts (E), Spring Washers (G), and Flat Washers (H). Tighten the bolts to 50% using the Allen Wrench (I).

Step 3 & 4: Connect Base to Seat and Final Tightening

Figure 3.3: Step 3 & 4 Assembly. Attach the finished base (from Step 1) to the seat (from Step 2) using four 8*45mm Bolts (E), Spring Washers (G), and Flat Washers (H). Once all parts are connected, fully tighten all screws to 100% to ensure stability.

4. OPERATING INSTRUCTIONS

4.1. 360° Swivel Function

The bar stool features a 360-degree swivel seat, allowing for easy rotation. To use, simply turn the seat in the desired direction. This function provides flexibility for accessing different areas or interacting with others without moving the entire stool.

Figure 4.1: 360° Swivel Seat Design. The seat rotates smoothly for convenience and flexibility.

4.2. Ergonomic Backrest and Footrest

The stool is designed with an ergonomic backrest to provide support to your back, waist, and hips, promoting comfortable seating for extended periods. The integrated footrest offers additional support and stability, allowing you to relax your legs.

Figure 4.2: Product Detail. This image highlights the comfortable upholstered material, high-density sponge, decorative nailhead trim, and non-slip feet for stability.

5. MAINTENANCE

5.1. Cleaning

To clean the bar stool, simply wipe it with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the wood finish or upholstery fabric.

5.2. Fastener Checks

Periodically check all bolts and screws to ensure they remain tight. Re-tighten any loose fasteners to maintain the stool's stability and safety.

6. TROUBLESHOOTING

6.1. Stool Feels Unstable or Wobbly

- **Solution:** Ensure all assembly bolts are fully tightened. If the issue persists, loosen all bolts slightly, place the stool on a flat surface, apply gentle pressure to all corners to ensure even contact, then re-tighten all bolts completely.
- **Solution:** Verify that the stool is placed on a flat, even surface. Uneven flooring can cause wobbling.

6.2. Swivel Mechanism is Stiff or Noisy

- **Solution:** The swivel mechanism is designed for smooth operation. If it feels stiff, ensure no debris is obstructing the mechanism. Avoid applying lubricants unless specifically recommended by the manufacturer, as this could attract dust.

6.3. Parts Missing or Damaged

- **Solution:** Do not attempt to assemble the product with missing or damaged parts. Contact the retailer or manufacturer's customer support for replacement parts.

7. SPECIFICATIONS

Figure 7.1: Product Dimensions. This image provides detailed measurements for the bar stool.

Feature	Detail
Brand	COLAMY
Model Number	4840BS-24-BE
Product Dimensions (D x W x H)	18.9"D x 20.87"W x 34.65"H
