## YITAHOME MAYIHxmKUP

# YITAHOME TV Stand (Model MAYIHxmKUP) - Instruction Manual

White Modern Entertainment Center with Storage and LED Lighting

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your YITAHOME TV Stand, Model MAYIHxmKUP. This modern entertainment center is designed to accommodate TVs up to 55 inches and features integrated RGB LED lighting and ample storage solutions. Please read these instructions carefully before beginning assembly or use to ensure safe and correct operation.

## 2. SAFETY INFORMATION

---

To prevent injury or damage to the product, please observe the following safety guidelines:

- Avoid overloading the TV stand. The maximum weight capacity is 300 lbs.
- Be cautious of sharp edges during assembly and handling.
- Keep small parts out of reach of children during assembly to prevent choking hazards.
- Ensure all connections are secure before placing items on the stand.

## 3. PRODUCT FEATURES

---

- **RGB LED Lighting:** Features 16 changeable colors and 21 dynamic modes, controlled by an RF remote.
- **Durable Construction:** Made from high-quality P2 medium-density fiberboard with 4 solid black legs, supporting up to 300 lbs.
- **Ample Storage:** Includes 5 open compartments for media devices (e.g., PS4, speakers, DVDs) and 2 large storage cabinets for video games, movies, remotes, and accessories. A long speaker shelf is also provided.

- **Cable Management:** Equipped with 5 cable management channels for organizing cords neatly.
- **Modern Design:** Sleek white and black high-gloss finish complements various room decors.
- **Easy Maintenance:** The surface is designed for easy cleaning.

## 4. PACKAGE CONTENTS

---

The package includes all necessary components for assembling the YITAHOME TV Stand, including:

- All engineered wood panels (e.g., top, bottom, side panels, shelves, cabinet doors)
- Hardware kit (screws, dowels, hinges, cabinet foot pads)
- RGB LED light strip and RF remote control
- Assembly instructions manual

## 5. SETUP AND ASSEMBLY INSTRUCTIONS

---

Assembly of the YITAHOME TV Stand typically requires two people and can be completed in approximately 40-50 minutes. Detailed step-by-step instructions are provided in the included manual. Please ensure you have adequate space and the necessary tools (e.g., screwdriver) before starting.

**Important Note:**

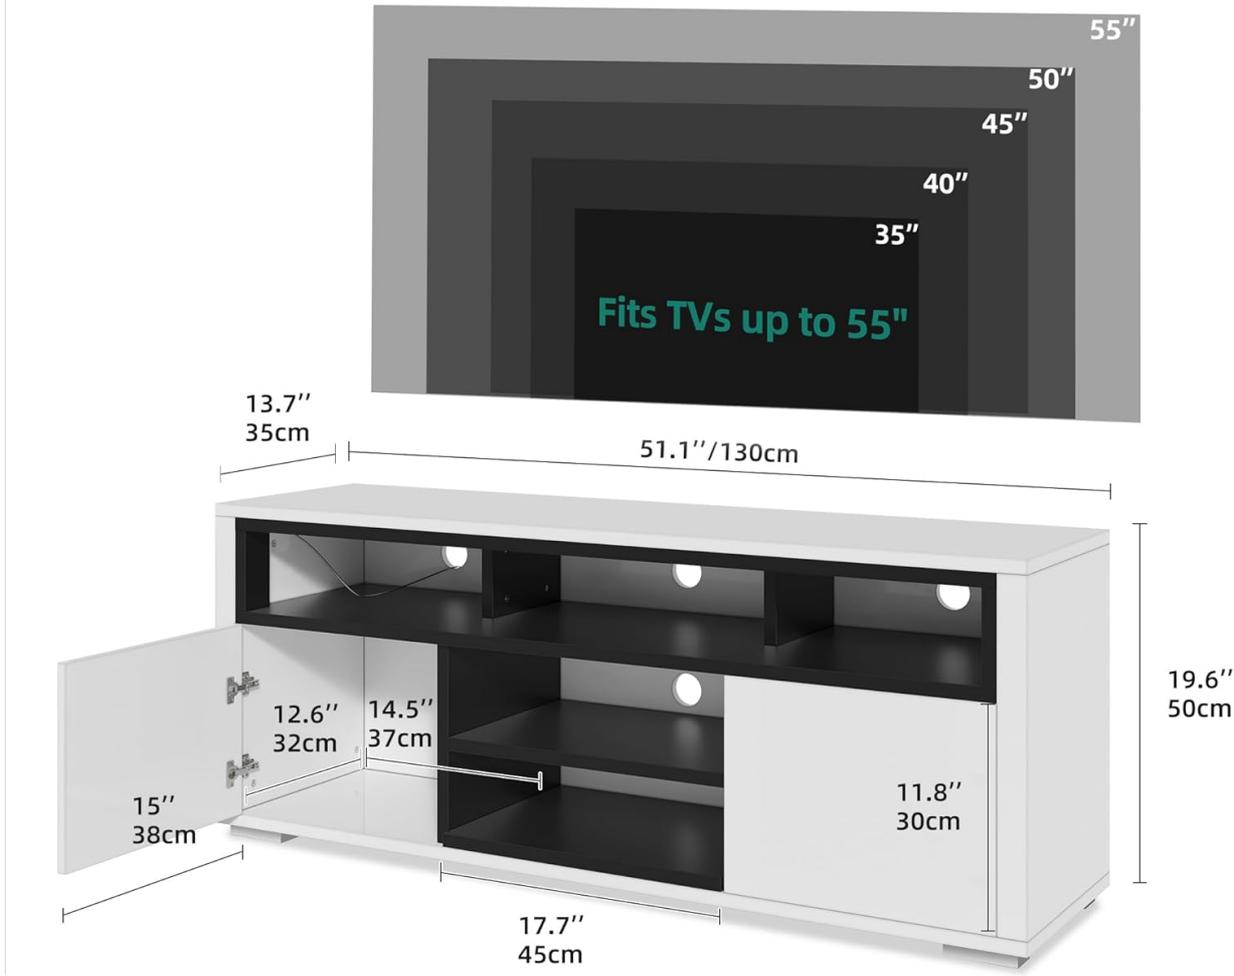

For panels #1, #2, #3, and #15, a protective film is applied to the high-gloss surface. This film must be carefully peeled off before use to reveal the finished surface.

**For panel #1 #2 #3 #15,  
please note that it has a protective film that  
needs to be peeled off before use.**

Important note regarding protective film on specific panels.

Refer to the provided assembly diagram for component identification and sequence:

# PRODUCT SIZE

This diagram illustrates the overall product dimensions (51.1"/130cm width, 19.6"/50cm height, 13.7"/35cm depth) and indicates compatibility with TVs up to 55 inches. It also shows internal compartment measurements.

Key components and features to note during assembly:

Detail of the cabinet hinge mechanism.

Detail of the cable management wiring hole.

Detail of the cabinet foot pad.

Detail of the UV spot varnish finish.

## 6. OPERATING INSTRUCTIONS (LED LIGHTING)

---

The YITAHOME TV Stand features integrated RGB LED lighting with 16 colors and 21 dynamic modes. The lighting system is controlled via an RF remote control.

This image displays the RGB LED lighting in various colors and the included RF remote control for adjusting settings.

### 6.1. Remote Control Functions:

- **Power Button:** Turns the LED lights on or off.
- **Color Selection:** Choose from 16 static colors.
- **Mode Selection:** Cycle through 21 dynamic lighting modes (e.g., flash, strobe, fade, smooth).
- **Brightness Adjustment:** Increase or decrease the intensity of the lights.
- **Speed Adjustment:** For dynamic modes, adjust the speed of color changes or effects.

Ensure the remote control has working batteries and is pointed towards the LED receiver for optimal functionality.

## 7. MAINTENANCE

To maintain the appearance and longevity of your TV stand:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the high-gloss finish.
- For stubborn marks, use a mild soap solution and immediately dry with a clean cloth.

- Keep the stand away from direct sunlight and excessive moisture to prevent warping or discoloration.
- Regularly check and tighten any loose hardware to ensure stability.

## 8. TROUBLESHOOTING

If you encounter any issues with your YITAHOME TV Stand, consider the following common solutions:

- **LED Lights Not Working:** Check if the power adapter is securely plugged into both the wall outlet and the LED strip. Ensure the remote control batteries are functional and correctly inserted. Try resetting the power by unplugging and re-plugging the adapter.
- **Stability Issues:** Verify that all screws and fasteners are tightened according to the assembly instructions. Ensure the stand is placed on a flat, level surface.
- **Damaged Parts:** If any parts arrived damaged or are missing, please contact YITAHOME customer support for assistance.
