GDFStudio 335942

GDFStudio Upholstered Platform Bed Frame

MODEL: 335942 - QUEEN SIZE BEIGE

Introduction

Thank you for choosing the GDFStudio Upholstered Platform Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image: Fully assembled GDFStudio Upholstered Platform Bed Frame, Queen Size, Beige, shown in a modern bedroom environment.

Safety Information

- Always assemble the bed frame on a soft, clean surface to prevent damage to the product or your floor.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not use power tools for assembly unless specifically instructed, as this may overtighten and damage components.
- Keep small parts away from children during assembly to prevent choking hazards.
- This bed frame is designed to support a maximum weight of 1000 lbs. Do not exceed this weight limit.
- Do not stand or jump on the bed frame.

Package Contents

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact GDFStudio customer support.

- Upholstered Headboard
- Side Rails (2)
- Footboard
- Wooden Slats (12)
- Center Support Beam
- Support Legs (for center beam and footboard)
- Hardware Pack (bolts, washers, nuts, Allen wrench)
- Installation Manual (this document)

Assembly Instructions

Assembly is designed to be straightforward and tool-free, requiring minimal effort. Follow these steps carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface. Identify each component using the parts list.
2. **Attach Side Rails to Headboard:** Align the side rails with the pre-drilled holes on the headboard. Secure them using the provided bolts and Allen wrench. Do not fully tighten yet.
3. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard, aligning holes and securing with bolts. Hand-tighten all connections.
4. **Install Center Support Beam:** Place the center support beam along the length of the bed frame, connecting it to the headboard and footboard brackets. Attach any support legs to the center beam.
5. **Insert Wooden Slats:** Lay the wooden slats across the bed frame, ensuring they are evenly spaced. The slats feature a Velcro design for secure placement and noise reduction. Press firmly to engage the Velcro.

ADJUSTABLE HEIGHT OF BED BOARD

32.87" to 37" random height adjustment

Image: Detailed view of the bed frame's features, including the skin-friendly headboard, Velcro design wood slats for mattress stability, soft chenille fabric upholstery, and strong anti-slip legs.

6. **Final Tightening:** Once all components are in place, go back and fully tighten all bolts and screws. Do not overtighten.
7. **Adjust Headboard Height:** The headboard offers two height settings. Adjust to your preferred height (32.87" or 37") by repositioning the headboard attachment points on the frame.

Operating Instructions

Your GDFStudio Upholstered Platform Bed Frame is designed for comfort and stability. No box spring is needed, as the wooden slats provide ample support for your mattress.

- **Adjusting Headboard Height:** The headboard can be adjusted to two different heights to accommodate various mattress thicknesses or personal preference. To adjust, loosen the bolts connecting the headboard to the side rails, slide the headboard to the desired height setting (32.87" or 37"), and re-tighten the bolts securely.
- **Mattress Placement:** Place your mattress directly onto the wooden slats. Ensure it is centered and sits flush within the frame.

Image: Diagram illustrating the adjustable height feature of the headboard, allowing for two distinct settings between 32.87 inches and 37 inches.

Maintenance

Proper care will extend the life and appearance of your bed frame.

- **Upholstery Care:** For general cleaning, vacuum the linen fabric regularly using an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, a mild fabric cleaner designed for linen can be used, following the product instructions and testing on an inconspicuous area first.
- **Frame Care:** Wipe wooden and metal parts with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically (every 3-6 months) check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.

Troubleshooting

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose hardware.	Check and tighten all bolts and screws. Ensure all support legs are making firm contact with the floor.

- **Color:** Beige
- **Material:** Upholstered Fabric (Linen), Wood, Metal
- **Product Dimensions (L x W x H):** 81.89" x 62.2" x 47.64"
- **Adjustable Headboard Height:** 32.87" to 37"
- **Weight Capacity:** 1000 lbs
- **Assembly Required:** Yes
- **Box Spring Required:** No

Warranty and Support

This GDFStudio product comes with a **90-day manufacturer's warranty** from the date of purchase. This warranty covers manufacturing defects in materials and workmanship under normal use.

The warranty does not cover:

- Damage caused by improper assembly or misuse.
- Normal wear and tear.
- Damage resulting from accidents, alterations, or unauthorized repairs.

For warranty claims, missing parts, or any questions regarding your product, please contact GDFStudio customer support through the retailer where the product was purchased or visit the official GDFStudio website for contact information.
