KOSPET TANK T3 Ultra

KOSPET Tank T3 Ultra GPS Smart Watch User Manual

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your KOSPET Tank T3 Ultra GPS Smart Watch. Please read this manual thoroughly to ensure proper use and to maximize the functionality of your device.

PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 Smart Watch
- 1 Charger
- 1 Stainless Steel Watchband
- 1 Silicone Watchband
- 1 User Manual

SETUP GUIDE

1. Initial Charging

Before first use, fully charge your KOSPET Tank T3 Ultra. Connect the magnetic charger to the charging points on the back of the watch and plug the USB end into a power adapter (not included). A full charge typically takes approximately 2 hours.

5 ATM & IP69K

Prepares the ground for more challenging dives, that the smartwatch does withstand the pressures equivalent to a depth of 50 meters.

※Note: Do not wear the smartwatch in a sauna to protect its sealing effectiveness from water vapor.

Image: The KOSPET Tank T3 Ultra Smart Watch connected to its magnetic charging cable, displaying a full battery icon.

2. App Download and Device Pairing

1. Download the 'KOSPET FIT' app from the Google Play Store (for Android) or Apple App Store (for iOS).
2. Ensure your phone's Bluetooth is turned on.
3. Open the KOSPET FIT app, go to 'Device', and click 'Add a new device'.
4. Confirm the pairing request on both your watch and the app.
5. Allow necessary permissions for the app to function correctly.

Extra-long Battery Life

Continuous Exercise with GPS

30-35 Hours

AOD Mode

3-5 Days

Heavy Usage

5-8 Days

Typical Usage

12-15 Days

Standby Mode

40+ Days

※Note: The battery life may vary according to the settings, operation conditions and other factors. So the actual result may differ from the laboratory data.

Image: A visual guide demonstrating the five steps to connect the KOSPET Tank T3 Ultra Smart Watch with a smartphone using the KOSPET FIT application.

3. Receiving Messages and App Notifications

To receive notifications on your smartwatch, follow these steps:

For iOS Devices:

1. Connect your watch and phone via Bluetooth.
2. In the KOSPET FIT app, go to 'Device' and then 'SMS'. Enable SMS reminders.
3. Go to 'Device' and then 'App'. Enable notifications for desired applications.
4. Navigate to your phone's settings to allow 'KOSPET FIT' to access notifications.

Image: A four-step visual guide for configuring message and application notifications on an iOS device for the KOSPET Tank T3 Ultra Smart Watch.

For Android Devices:

1. Connect your watch and phone via Bluetooth.
2. In the KOSPET FIT app, go to 'Device' and then 'SMS Reminder'. Enable SMS reminders.
3. Go to 'Device' and then 'App Reminder'. Enable notifications for desired applications.
4. Ensure the 'KOSPET FIT' app remains active and add it to the whitelist in your phone's settings if necessary. Disable "Do Not Disturb" and "Low Power Mode" for the app.

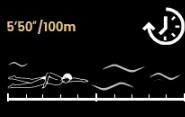

More Insights into Swimming

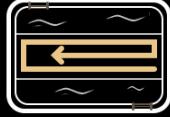

Stroke Recognition
Detect and display the main swimmingstroke you use, such as freestyle, backstroke, breaststroke and butterfly.

Stroke Count & Stroke Rate
Count the number of strokes you take and the number of strokes you take in a single minute.

Average Pace
Calculate the average time it takes you to swim 100 meters.

Lap Count
Keep track of your swimming laps in total.

Heart Rate Monitoring
Record and store your (average) heart rate data while swimming.

OPERATING INSTRUCTIONS

1. Watch Face and Navigation

The KOSPET Tank T3 Ultra features a 1.43" AMOLED display with a resolution of 466*466. You can customize your watch face from over 500 options available in the KOSPET FIT app. Swipe across the screen to access various functions and menus.

Image: The KOSPET Tank T3 Ultra Smart Watch showcasing its main watch face with various data points like time, date, steps, and heart rate, alongside a smaller image of the watch displaying an incoming call.

2. Making and Answering Calls

Once paired with your smartphone, the watch allows you to make and answer calls directly from your wrist. Access the call interface to dial numbers or select contacts.

5 ATM & IP69K

Prepares the ground for more challenging dives, that the smartwatch does withstand the pressures equivalent to a depth of 50 meters.

※Note: Do not wear the smartwatch in a sauna to protect its sealing effectiveness from water vapor.

Image: A person interacting with the KOSPET Tank T3 Ultra Smart Watch to answer an incoming call, demonstrating the call functionality.

3. AI Voice Assistant

The smartwatch features an advanced AI voice assistant. Activate it to issue commands, ask questions (e.g., "How is the weather today?"), or control music playback using voice commands. This feature is particularly useful during activities where hands-free operation is preferred.

Compass & Altitude & Air Pressure

Clear display your current heading altitude, and barometric pressureso that you can keep you head in the wildness.

Orient yourself with accurate readings no matter where you venture.

Keep track of your current altitude and graph altitude trends.

Measure your current air pressure and view a graph of changes.

Image: The KOSPET Tank T3 Ultra Smart Watch displaying the voice assistant interface, with examples of voice commands like "How is the weather today?" and "Play music."

4. Sports Tracking (170+ Modes)

The watch supports over 170 built-in sports modes, covering a wide range of activities from running and cycling to skateboarding and rock climbing. It also features smart recognition for 6 common sports (walking, running, cycling, elliptical, rowing machine, still), automatically detecting and monitoring your activity.

Multifunctional Smart Watch

Answer/Make Call

Smart Voice Assistant

Instant Message Reminder

Image: A man playing golf, wearing the KOSPET Tank T3 Ultra Smart Watch, with an overlay showing icons for over 170 sports modes and key metrics like calories, heart rate, and distance.

5. GPS, Altitude, Pressure, and Compass

The KOSPET Tank T3 Ultra features built-in GPS with dual-band positioning and support for 6 satellite systems (GPS, Galileo, BeiDou, GLONASS, QZSS, NAVIC (IRNSS)) for fast and reliable location tracking. It also includes an internal compass, altimeter, and barometer to display your current heading, altitude, and barometric pressure, which are essential for outdoor activities.

Trackable Adventures of Built-in GPS

Dual-band positioning & 6 satellite positioning systems

Clear GPS Tracking even in crowded cities

Image: The KOSPET Tank T3 Ultra Smart Watch displaying a GPS track on a map, indicating its capability for outdoor activity tracking.

6. 5ATM Waterproof and Professional Swimming Mode

The watch is 5ATM dynamic waterproof and IP69K static waterproof, allowing immersion in water up to 50 meters deep. It includes a professional SWOLF swimming mode for detailed data recording and analysis, making it suitable for swimming and diving.

Stainless Steel Body & Durability

Image: The KOSPET Tank T3 Ultra Smart Watch being worn by a swimmer underwater, demonstrating its 5ATM waterproof rating and swimming mode features.

7. Health Monitoring

The KOSPET Tank T3 Ultra provides 24-hour health tracking, including heart rate, blood oxygen, blood pressure, steps, and calorie expenditure. It also offers comprehensive sleep monitoring, tracking sleep stages, daytime naps, and providing in-depth sleep analysis.

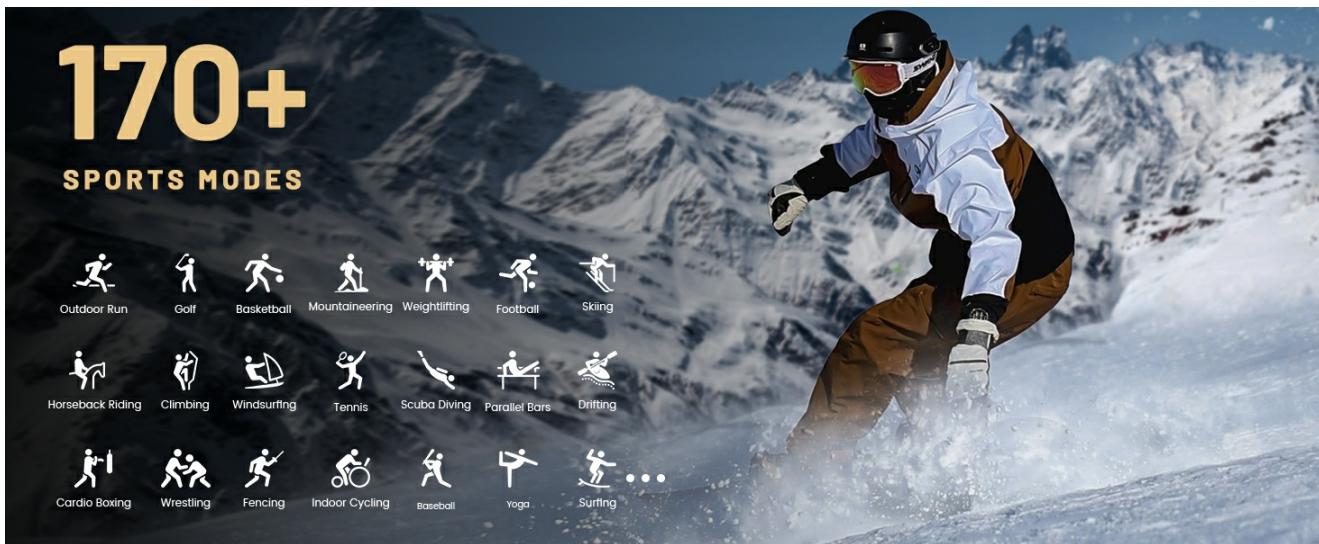

Image: The KOSPET Tank T3 Ultra Smart Watch displaying detailed sleep monitoring data, including sleep stages and duration, while a person rests.

8. Additional Features

The watch includes practical features such as remote photo capture, music control, alarm clock, calculator, sedentary reminder, weather forecast, and stopwatch.

MAINTENANCE

1. Cleaning Your Smartwatch

Regularly clean your KOSPET Tank T3 Ultra with a soft, dry cloth. For stubborn dirt, lightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials, as these can damage the watch's finish and sensors. Ensure the watch is completely dry before charging or prolonged use.

2. Battery Care and Longevity

The watch is equipped with a 470mAh pure cobalt battery. To prolong battery life, avoid extreme temperatures and fully discharging the battery frequently. Typical usage provides up to 15 days of battery life, while heavy usage with GPS can reduce this. Standby mode can extend battery life to over 40 days.

Extra-Long Battery Life

480mAh Pure Cobalt Battery makes 40+ days of standby possible

3 Days

AOD Mode

8 Days

Heavy Usage

15 Days

Typical Usage

40 Days

Standby Mode

Image: The KOSPET Tank T3 Ultra Smart Watch connected to its charger, illustrating various battery life durations for AOD mode, heavy usage, typical usage, and standby mode.

3. Water Resistance Guidelines

While the watch is 5ATM and IP69K waterproof, it is important to note that water resistance is not a permanent condition and may diminish over time. Avoid using the smartwatch in hot water, saunas, or steam rooms, as high temperatures and steam can compromise the sealing effectiveness.

TROUBLESHOOTING

1. Connectivity Problems

- Watch not pairing with phone:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again through the KOSPET FIT app.
- Frequent disconnections:** Check if the KOSPET FIT app is running in the background and has all necessary permissions. Disable any battery optimization settings that might restrict the app.

2. Notifications Not Appearing

- Verify that notification permissions are granted for the KOSPET FIT app in your phone's settings.

- Ensure notifications are enabled for specific apps within the KOSPET FIT app.
- Check if "Do Not Disturb" mode is active on either your phone or watch.

3. Inaccurate Health or Activity Data

- Ensure the watch is worn snugly on your wrist, but not too tight, for accurate heart rate and blood oxygen measurements.
- For GPS tracking, ensure you are in an open area with a clear view of the sky for optimal satellite reception.
- Calibrate the watch if an option is available in the app for specific sensors.

SPECIFICATIONS

Feature	Detail
Brand	KOSPET
Model Number	TANK T3 Ultra
Screen Size	1.43 Inches
Display Type	AMOLED (466*466 Resolution)
Body Material	Stainless Steel Unibody
Glass Type	Corning Gorilla 9H Double-Layer Glass
Water Resistance	5ATM & IP69K
GPS	Built-in GPS (Dual-band, 6 Satellite Systems)
Sensors	Heart Rate, Blood Oxygen, Barometric Pressure, Altimeter, Compass
Battery Capacity	470 mAh
Battery Life (Typical)	Up to 15 days
Battery Life (GPS Mode)	Up to 42 hours
Battery Life (Standby)	40+ days
Connectivity	Bluetooth
Operating System Compatibility	Android 5.1+ and iOS 10.0+
Military Standard	MIL-STD-810H Certified (15 tests passed)

WARRANTY AND SUPPORT

KOSPET products are designed for durability and performance. For warranty information, technical support, or service inquiries, please refer to the official KOSPET website or contact their customer service directly. Keep your purchase receipt as proof of purchase for warranty claims.
