EQUSUPRO Ceramic Diffuser

EQUSUPRO 150ml Ceramic Essential Oil Diffuser Instruction Manual

Model: Ceramic Diffuser

Brand: EQUSUPRO

INTRODUCTION

This manual provides detailed instructions for the safe and effective use of your EQUSUPRO 150ml Ceramic Essential Oil Diffuser. Please read this manual thoroughly before operation and retain it for future reference.

SAFETY INFORMATION

- Use only the provided power adapter.
- Do not exceed the maximum water fill line.
- Ensure the ceramic cover is properly seated before operation.
- Keep out of reach of children and pets.
- Do not place on unstable surfaces.
- Unplug the diffuser when not in use or before cleaning.
- Do not immerse the base unit in water.

PACKAGE CONTENTS

- 1 x EQUSUPRO Ceramic Essential Oil Diffuser (Base & Ceramic Cover)
- 1 x Power Adapter
- 1 x User Manual

PRODUCT OVERVIEW

The EQUSUPRO Ceramic Essential Oil Diffuser combines elegant design with advanced ultrasonic technology to provide aromatherapy, humidification, and ambient lighting. Its compact size makes it suitable for various spaces.

Figure 1: EQUSUPRO 150ml Ceramic Essential Oil Diffuser. This image displays the diffuser in operation, emitting a fine mist with a subtle blue LED light at its base.

Key Features:

- **Premium Ceramic Cover:** Crafted from sturdy ceramic, offering a stylish and durable exterior.
- **150ml Capacity:** Provides 5-6 hours of continuous misting.
- **Multifunctional:** Functions as an aromatherapy diffuser, humidifier, and bedside night lamp.
- **Four Timer Modes:** Select from 0.5h, 1h, 2h, or Continuous misting.
- **7 Colors LED Light:** Features a soothing light ring with 7 colors that can auto-cycle or be set to a specific color.
- **Whisper Quiet Operation:** Utilizes advanced ultrasonic technology for silent diffusion.
- **Automatic Shut-Off:** Automatically powers off when water runs out or the timer expires for safety.

Powerful Mist

7 Colors Light

150ml Capacity

Figure 2: Visual representation of the diffuser's core features: timing options, powerful mist output, 7 LED light colors, and a 150ml water capacity.

Figure 3: Illustration demonstrating the diffuser's whisper-quiet operation, with noise levels between 20-30dB, comparable to soft rustling leaves.

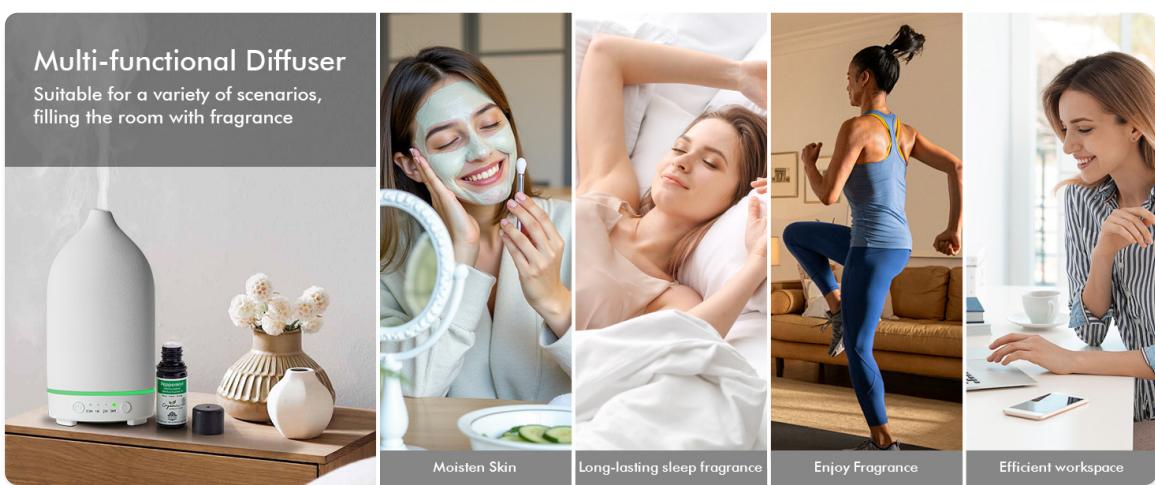

Figure 4: This image highlights the diffuser's versatile 3-in-1 functionality, serving as a humidifier, an aromatherapy diffuser, and a bedside night lamp.

SETUP INSTRUCTIONS

- Remove Covers:** Gently lift the ceramic outer cover, then remove the inner plastic lid.
- Add Water:** Fill the water tank with clean tap water up to the MAX fill line (150ml). Do not overfill.
- Add Essential Oil:** Add 2-3 drops of your preferred essential oil directly into the water tank. Adjust quantity based on desired aroma intensity.
- Replace Covers:** Place the inner plastic lid back on, ensuring it is securely seated. Then, carefully place the ceramic outer cover back onto the base.
- Connect Power:** Plug the power adapter into the DC jack at the bottom of the diffuser, then plug the adapter into a standard wall outlet.

Figure 5: This image illustrates the diffuser's dimensions (6.8 inches tall, 3.3 inches wide) and the location of the Mist and Light control buttons, along with timer indicators.

Video 1: A short demonstration by EQUUSUPRO showing the setup process of the 150ml Ceramic Essential Oil Diffuser, including adding water and essential oils.

OPERATING INSTRUCTIONS

Mist Control:

- Press the **Mist Button** (left button) once to turn on continuous mist. The indicator light will show 'ON'.
- Press repeatedly to cycle through timer settings: 0.5h, 1h, 2h, Continuous (ON).
- Hold the Mist Button for 2 seconds to turn off the mist function.

Light Control:

- Press the **Light Button** (right button) once to turn on the LED light with auto-cycling colors.
- Press repeatedly to fix the light to a specific color. There are 7 colors available.
- Hold the Light Button for 2 seconds to turn off the light function.

MAINTENANCE

Regular cleaning is essential to ensure optimal performance and longevity of your diffuser.

1. **Empty Water:** Unplug the diffuser and remove the covers. Empty any remaining water from the tank, ensuring to drain from the side marked 'DRAIN SIDE' to avoid water entering the air outlet.
2. **Clean Tank:** Wipe the inside of the water tank with a soft cloth. For stubborn residue, use a cotton swab dipped in white vinegar to gently clean the ultrasonic plate (the small disc at the bottom of the tank).
3. **Clean Covers:** Wipe the ceramic outer cover and plastic inner lid with a damp cloth.
4. **Dry Thoroughly:** Allow all parts to air dry completely before reassembling or storing.

Note: Do not use harsh detergents or abrasive cleaners. Do not immerse the base unit in water.

TROUBLESHOOTING

- **No Mist:**

- Ensure the power adapter is securely plugged in.
- Check if there is enough water in the tank.
- Ensure the covers are properly seated.
- Clean the ultrasonic plate if there is mineral buildup.

- **Weak Mist:**

- Ensure the water level is not too high or too low.
- Clean the ultrasonic plate.

- **Light Not Working:**

- Press the Light Button to cycle through modes or turn it on.
- Check power connection.

- **Unusual Noise:**

- Ensure the diffuser is on a flat, stable surface.
- Check for foreign objects in the water tank.
