CASTA DIVA CD-K030PRO

Casta Diva Smart Toilet

MODEL: CD-K030PRO USER MANUAL

Brand: CASTA DIVA

1. Introduction and Safety Information

This manual provides essential information for the safe and effective use of your Casta Diva CD-K030PRO Smart Toilet. Please read all instructions carefully before installation and operation. Retain this manual for future reference.

Important Safety Precautions:

- Ensure proper electrical grounding and water supply connections are made by a qualified professional.
- Do not immerse the unit in water or spray water directly onto electrical components.
- Keep children and pets away from the toilet during operation, especially when automatic features are active.
- Do not use abrasive cleaners or harsh chemicals on any part of the toilet.
- In case of malfunction, disconnect power and water supply immediately and contact customer support.

2. Product Overview

Key Features:

- Powerful 1000g MaP Flushing Performance with Built-in Tank
- Automatic Open/Close Lid and Seat
- Foot Sensor for Auto Flush and Lid/Seat Control
- Integrated Bidet with Rear, Front, and Oscillating Wash Modes
- Instant Warm Water for Bidet Functions
- Intelligent Temperature Adjustment for Seat and Water (5 modes)
- Foam Shield Protection (Splash, Odor, Sticking Prevention)
- 5-Speed Heated Wider Seat
- 3-Level Warm Air Dryer
- Silent 45dB Flush Operation

- Smart Night Light
- Automatic Deodorization
- Blackout Flush Functionality

Components Included:

- User manual (1)
- Ceramic installation kits (1)
- Remote control (1)
- Remote holder (1)
- Remote control batteries (2)
- Wax ring (1)
- Flow restrictor (1)
- Battery box (1)
- Sealing gasket (2)
- Expansion screw set (2)
- Angle Valve (1)
- Multitap nut (2)
- Installation card (1)

3. Setup and Installation

The Casta Diva CD-K030PRO Smart Toilet is designed for floor-mounted installation. For detailed, step-by-step instructions, please refer to the included **Installation Card** and the comprehensive **User Manual** provided in the packaging. Professional installation is recommended to ensure proper functionality and adherence to local plumbing and electrical codes.

Pre-Installation Checklist:

- Verify rough-in dimensions (typically 12 inches).
- Ensure adequate water pressure and a dedicated electrical outlet are available.
- Confirm all included components are present.

General Installation Steps (Summary):

1. Prepare the installation area, ensuring the floor flange is clean and ready.
2. Install the wax ring onto the toilet's waste outlet.
3. Carefully position the toilet over the floor flange, aligning the bolts.

4. Secure the toilet to the floor using the provided ceramic installation kits and expansion screws.
5. Connect the water supply line to the angle valve.
6. Connect the power cord to a grounded electrical outlet.
7. Perform initial water fill and leak checks.

4. Operating Instructions

Automatic Lid and Seat Operation:

The toilet features an automatic open/close lid. As you approach, the lid will automatically open. Upon completion of use and departure, the lid will close automatically, and the toilet will flush.

Figure 4.1: Automatic lid and seat bidet toilet functions, including foot sensor operation.

Foot Sensor Control:

An upgraded blue light sensing foot operation allows for hands-free control. Tap the foot sensor to open the seat or initiate flushing.

Flushing System:

The toilet utilizes a powerful 1000g MaP flushing system with a built-in tank, ensuring efficient and reliable flushing without reliance on external water pressure. Automatic hands-free flushing occurs when you walk away.

Figure 4.2: Illustration of the powerful and efficient 1000g MaP flush system.

Bidet Functions:

The integrated bidet offers multiple warm water cleaning modes:

- **Rear Wash:** For posterior cleansing.
- **Front Wash:** For feminine cleansing.
- **Oscillating Massage:** Provides a gentle, moving spray for enhanced cleaning.

The bidet features 0.1-second instant warm water for immediate comfort. The automatic self-cleaning nozzle initiates before every use for hygiene.

Figure 4.3: Bidet functions including rear wash, oscillating cleanse, self-cleaning nozzle, and front wash with warm water.

Intelligent Temperature Adjustment:

The smart toilet can automatically adjust the seat and water temperature based on the ambient temperature, offering 5 different temperature modes for year-round comfort. **Note: This function is off by default. Please activate it according to the detailed instructions in the full user manual for first-time use.**

Figure 4.4: Adaptive comfort system adjusting seat and water temperature based on ambient conditions.

Foam Shield Protection:

When you sit down, the toilet creates a thick foam barrier to prevent splashes, trap odors, and resist sticking. To prepare the foam solution, mix dishwashing liquid 1:1 with water.

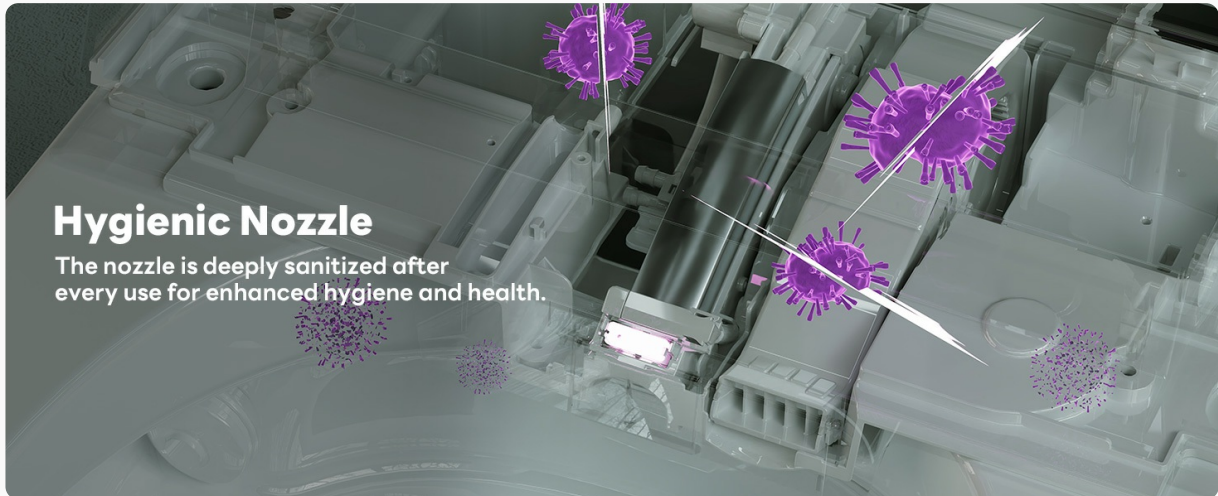

Figure 4.5: Guide for preparing the foam shield solution by mixing dishwashing liquid and water.

Heated Seat and Warm Air Dryer:

Enjoy a 5-speed heated wider seat for comfort in colder conditions. A 3-level warm air dryer provides adjustable drying after bidet use.

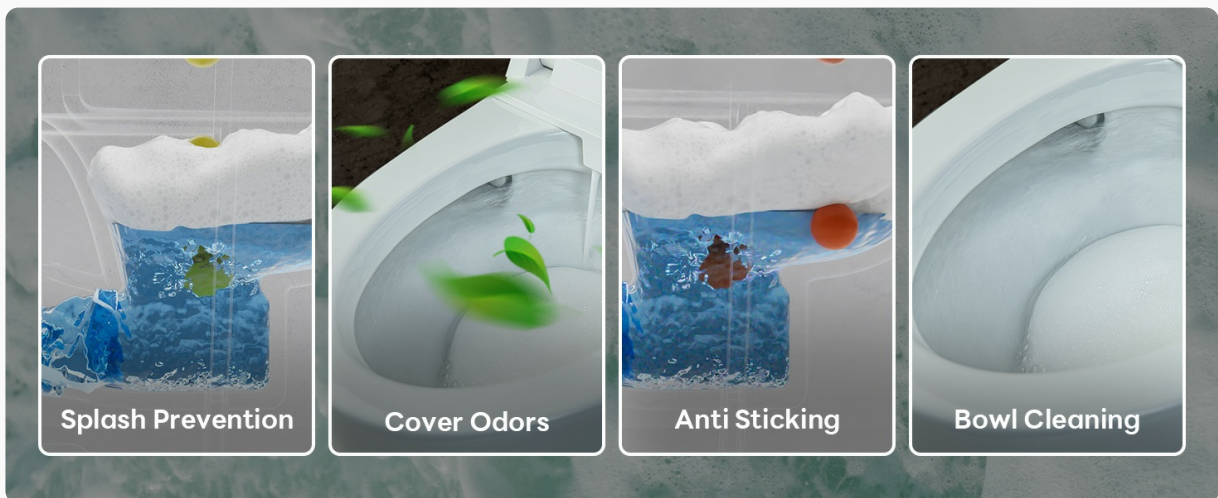

Figure 4.6: Visual representation of the heated seat and warm air dryer features.

Silent Flush and Night Light:

The toilet operates with a quiet 45dB flush. A soft night light is integrated for safety and convenience during nighttime use.

Figure 4.7: Comparison of the toilet's 45dB silent flush with other common sound levels.

Automatic Deodorization:

The toilet includes an auto deodorizer to maintain a fresh bathroom environment.

Blackout Flush:

In the event of a power outage, the toilet's blackout flush feature ensures continued functionality, typically powered by AA batteries (not included for main operation, but for backup flush).

5. Maintenance

Nozzle Cleaning:

The bidet nozzle performs an automatic self-cleaning cycle before each use. For deeper cleaning or descaling, the Needle-Jet Cleaning feature provides automatic descaling, deep cleaning, and helps prevent limescale damage, extending the nozzle's lifespan.

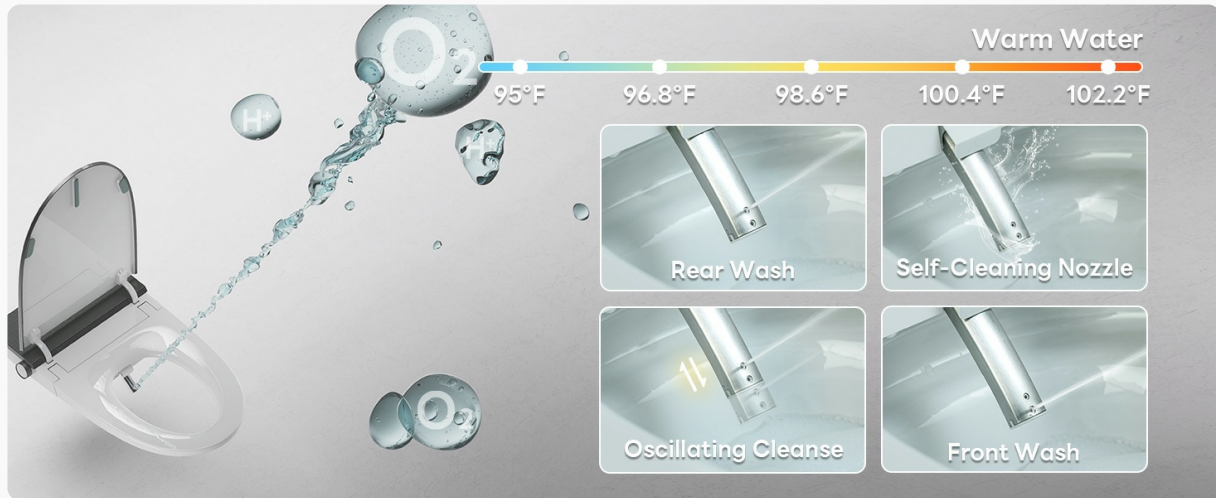

Figure 5.1: The bidet nozzle undergoes deep sanitization after every use for enhanced hygiene.

Figure 5.2: Needle-Jet Cleaning system for automatic descaling, deep cleaning, and extended lifespan.

Foam Dispenser Maintenance:

Regularly refill the foam solution reservoir with a 1:1 mixture of dishwashing liquid and water.

General Cleaning:

Clean the ceramic surfaces with a soft cloth and mild, non-abrasive bathroom cleaner. Avoid harsh chemicals or abrasive pads that could damage the finish.

6. Troubleshooting

If you encounter any issues with your Casta Diva Smart Toilet, please refer to the comprehensive troubleshooting section in the full user manual for detailed solutions. Below are general tips for common issues:

- **No Power:** Check the power connection and ensure the outlet is functional.
- **No Water/Weak Flush:** Verify the water supply valve is fully open and check for any kinks in the water

line.

- **Bidet Not Working:** Ensure the water supply to the bidet is open and check remote control batteries.
- **Lid Not Opening/Closing Automatically:** Ensure the sensor is clean and unobstructed.

For persistent problems, contact Casta Diva customer support.

7. Specifications

Feature	Specification
Model Number	CD-K030PRO
Color	CD-K030PRO
Product Dimensions (D x W x H)	27.28"D x 16.14"W x 18.31"H
Material	Ceramic
Installation Type	Floor Mounted
Seat Material Type	Polypropylene (PP)
Item Weight	95.8 pounds
Flush Performance	1000g MaP
Flush Noise Level	45dB

8. Warranty and Support

Return Policy:

This product is eligible for 30-day easy returns. Please refer to your purchase platform's return policy for specific details.

Protection Plans:

Extended protection plans are available for purchase, including 3-Year and 4-Year Protection Plans. A monthly Complete Protect plan is also offered, covering eligible past and future purchases.

Customer Support:

For any inquiries, technical assistance, or warranty claims, please contact Casta Diva Home customer support. You can find contact information on the official Casta Diva website or through your purchase platform.
