5. Setup & Assembly

Assembly is required. Please follow the numbered instructions provided in the included installation manual. Ensure all parts are laid out and identified before beginning. Two people are recommended for assembly.

5.1 Pre-Assembly Checks

- Unpack all components and compare them with the parts list in your separate installation manual.
- Clear an adequate space for assembly.
- Gather necessary tools (an Allen wrench is typically included).

5.2 Assembly Steps

Refer to the detailed, numbered steps in the separate installation manual for precise assembly instructions. Key steps generally include:

1. Attach the side rails to the headboard and footboard.
2. Install the center support beam and legs.
3. Place and secure the wood slats onto the frame. The slats include EVA bars for noise reduction.
4. Install the LED light strip and connect the charging station to a power source.

6. Operating Instructions

6.1 LED Lighting System

The integrated LED lighting system offers customizable ambiance for your bedroom. It can be controlled via a dedicated mobile application or the included remote control.

- **APP Control:** Download the specified mobile application (refer to the installation manual for QR code or app name). Connect your device via Bluetooth to access over 60,000 RGB colors, 29 dynamic modes, music synchronization, timing functions, and microphone control.
- **Remote Control:** Use the provided remote to adjust colors, brightness, and switch between various lighting modes.

6.2 Charging Station

The headboard includes a built-in charging station for convenient access to power for your electronic devices.

- The charging station features 1 Type-C port (5V/3A) and 3 USB ports (5V/2A).
- Connect the bed frame's power cord to a standard wall outlet to activate the charging ports.
- Use appropriate cables to charge up to four devices simultaneously.

6.3 Headboard Storage

The tufted headboard features two layers of storage shelves and a hidden compartment.

- The open shelves are suitable for displaying small items, books, or placing frequently used objects.
- The hidden storage area behind the tufted panel provides discreet storage for personal items or to reduce clutter. Access by lifting the upholstered panel.

7. Maintenance

7.1 Cleaning

- For the faux leather upholstery, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For the frame, dust with a dry cloth.
- Do not expose electrical components (LEDs, charging ports) to liquids.

7.2 Fastener Checks

Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.

8. Troubleshooting

- **LED Lights Not Working:** Check if the power adapter is securely plugged into both the wall outlet and the bed frame. Ensure the remote control has working batteries. Try resetting the LED controller by unplugging and replugging the power.
- **Charging Ports Not Functioning:** Verify the bed frame's main power cord is properly connected to a live wall outlet. Ensure your device's charging cable is fully inserted into the port.
- **Bed Frame Squeaks:** Re-tighten all assembly bolts and screws. Ensure the wood slats are properly seated and the EVA bars are intact.
- **Bed Frame Feels Unstable:** Check that all support legs are making firm contact with the floor and that all connections are securely tightened.
