

Belffin B0FCRNN6L9

Belffin Queen Size Velvet Upholstered Wingback Bed Frame with LED Lights & Charging Station Instruction Manual

Brand: Belffin | Model: B0FCRNN6L9

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Belffin Queen Size Velvet Upholstered Wingback Bed Frame with LED Lights and Charging Station. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not load more than 1000 pounds (453 kg) on the bed frame. Exceeding this limit may cause damage to the product and potential injury.
- **Assembly:** Two-person assembly is recommended for efficiency and safety. Ensure all components are securely fastened before use.
- **Placement:** Assemble the bed on a protected, soft surface (e.g., carpet) to prevent scratching your floor and product.
- **Tightening Screws:** Do not overtighten screws to avoid cross-threading or damaging components.
- **Ventilation:** Upon unpacking, a slight odor may be present due to packaging. Allow the product to air out in a well-ventilated area for 1-2 days.
- **Electrical Components:** Ensure the charging station and LED lights are properly connected and used according to electrical safety guidelines. Do not expose to moisture.

3. PACKAGE CONTENTS

All parts for your bed frame are conveniently packed in one box. Please verify that all components are present and undamaged before assembly.

Components:

- Wingback Headboard with integrated storage and charging station
- Footboard
- Side Rails (Left and Right)
- Wooden Slats with Velcro and EVA foam strips
- Center Support Beam(s) and Legs
- Hardware Pack (screws, washers, nuts, Allen wrench)
- LED Light Strip Kit (with remote control)
- Power Adapter for LED lights and charging station

General Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface. Match each part to the corresponding label in the instruction manual.
2. **Assemble Headboard Base:** Attach the main headboard frame components using the specified screws and brackets.
3. **Install Headboard Shelves and Charging Station:** Secure the storage shelves and integrate the charging station into the designated slot on the headboard.
4. **Attach Footboard:** Connect the footboard to its support legs.
5. **Connect Side Rails:** Fasten the side rails to the headboard and footboard using the provided hardware. Ensure a secure connection.
6. **Install Center Support:** Assemble and install the center support beam(s) and legs for added stability.
7. **Place Wooden Slats:** Roll out and secure the wooden slats onto the side rails. The Velcro and EVA foam strips help prevent noise and mattress sliding.
8. **Connect LED Lights:** Carefully place the LED light strip in the headboard's designated channel and connect it to the power adapter.

5. OPERATING INSTRUCTIONS

LED Lighting System:

The integrated RGB LED strip along the headboard offers customizable lighting options.

- **Remote Control:** Use the included remote to power the lights on/off, change colors (over 60,000 options), adjust brightness, and select from seven dynamic lighting modes.
- **Smartphone App:** Scan the QR code provided in the manual to download the companion app. The app allows for advanced control, including custom color creation, music sync mode, and a 4-timer option.

RGB Mood Lighting for Modern Bedrooms

Built-in Charging Station:

The headboard features a convenient charging station.

- **Ports:** Includes 1 Type-C port (5V/2A), 1 USB port (5V/2A), and 2 125V AC outlets.
- **Usage:** Plug the bed frame's power cord into a wall outlet. You can then charge your devices directly from the headboard, eliminating cord clutter.

6. MAINTENANCE

- **Upholstery Cleaning:** For the velvet upholstery, gently spot clean with a damp cloth and mild detergent. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary to maintain stability and prevent noise.
- **Under-Bed Cleaning:** The 4.3-inch under-bed clearance allows for easy cleaning with a robot vacuum. Regularly clean to prevent dust accumulation.
- **Slats:** Ensure slats are properly seated and the Velcro strips are engaged to maintain mattress stability and prevent noise.

7. TROUBLESHOOTING

Common Issues and Solutions:

Issue	Possible Cause	Solution
Bed frame is squeaking.	Loose hardware; slats not properly secured.	Tighten all screws. Ensure wooden slats are fully engaged with the Velcro and EVA foam strips.
LED lights are not working.	Power connection issue; remote battery dead; light strip damaged.	Check if the power adapter is securely plugged into the wall and the bed frame. Replace remote batteries. If issues persist, contact customer support.
Charging station is not functioning.	Power connection issue; device compatibility.	Ensure the bed frame's power cord is plugged in. Test with different devices and cables.
Mattress is sliding.	Slats not properly engaged; mattress size mismatch.	Verify all slats are correctly positioned and the embedded design is holding the mattress. Ensure your mattress size (8"-14" thickness recommended) is compatible with the frame.

8. SPECIFICATIONS
