4. SETUP AND ASSEMBLY

Assembly of the advwin Queen Platform Bed Frame is required. An installation manual is included with your purchase. It is recommended to have two adults for certain parts of the assembly process due to the size and weight of the components. Ensure all parts are accounted for before beginning assembly.

Key Assembly Considerations:

- Follow the step-by-step instructions provided in the included Installation Manual.
- Be careful around sharp edges during assembly to prevent injury.
- Ensure proper assembly of all connections to prevent instability or collapse of the bed frame.
- Do not attempt to move the bed frame when it is fully assembled due to its weight. Disassemble if relocation is necessary.

5. OPERATING INSTRUCTIONS

5.1 Foldable Desk Operation

The integrated foldable desk is designed for easy access and space-saving. To use, simply slide the desk unit out from the side of the bed. It features a smooth mechanism for effortless extension. When not in use, gently push the desk back into its compartment until it is fully retracted and flush with the bed frame. The desk unit includes a drawer and a cabinet for additional storage.

5.2 RGB LED Headboard Lighting

The headboard features smart RGB LED light strips that offer a wide range of customization. You can control the lighting in two ways:

- **Smart App Control:** Download the dedicated mobile application to access 16 million color options and over 20 lighting effects. The app allows for precise control over color, brightness, and dynamic lighting modes.
- **Physical Switch Control:** A convenient switch located on the power cord allows for basic control of the LED lights, including turning them on/off and cycling through preset colors.

5.3 Charging Station Usage

The headboard is equipped with a built-in charging station for your electronic devices. It includes:

- 2 Standard AC Outlets
- 1 USB Port
- 1 Type-C Port

Simply plug your device chargers into the appropriate ports for convenient charging directly from your bed. This eliminates the need for extension cords and keeps your charging area tidy.

6. MAINTENANCE

- **Cleaning:** Wipe down laminated surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the upholstered headboard, use a fabric-specific cleaner if necessary, following product instructions.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Tighten as needed to maintain stability.
- **Drawer Maintenance:** Keep the drawer wheels and tracks free of dust and debris to ensure smooth operation.
- **LED Lights:** Ensure the LED light strips and power connections are secure. If lights malfunction, check the power source and app connection.

7. TROUBLESHOOTING

- **Instability/Wobbling:** Ensure all assembly hardware is securely tightened. Verify that the bed frame is on a level surface.

- **Drawers Sticking:** Check for obstructions in the drawer tracks or debris on the wheels. Ensure drawers are properly aligned.
- **LED Lights Not Working:** Verify the power adapter is securely plugged into both the wall outlet and the bed frame. Check the app connection and ensure the physical switch is in the 'on' position.
- **Charging Station Not Functioning:** Confirm the bed frame is properly powered. Test with different devices and cables to rule out device-specific issues.

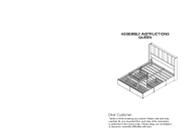

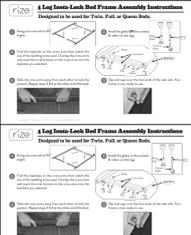

8. WARRANTY AND SUPPORT

For any product inquiries, technical support, or warranty claims, please contact the manufacturer, Advwin. Refer to your purchase documentation for specific warranty terms and conditions.

Additional protection plans may be available for purchase, offering extended coverage beyond the standard manufacturer's warranty. Please consult your retailer for details on available plans.
