

Romorgniz 10-Drawer Dresser with Metal Mesh Door

Romorgniz 10-Drawer Dresser with Metal Mesh Door Instruction Manual

Model: B0FCRTGCRC

1. INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Romorgniz 10-Drawer Dresser with Metal Mesh Door. Please read this manual thoroughly before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

Image 1.1: Romorgniz 10-Drawer Dresser with Metal Mesh Door (Grey)

This image displays the fully assembled Romorgniz 10-Drawer Dresser in a grey finish. It features ten fabric drawers and a central metal mesh door cabinet, all supported by a sturdy metal frame.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.

- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- **Anti-Tip Hazard:** Furniture can tip over, causing serious or fatal injuries. To prevent tipping, this product must be permanently attached to the wall using the provided anti-tip kit.
- Never allow children to climb or hang on drawers, doors, or the dresser frame.
- Do not overload drawers. Distribute weight evenly. Refer to the "Specifications" section for weight limits.
- Use only the hardware provided or specified by the manufacturer.
- Periodically check all connections and fasteners to ensure they remain tight.

Additional Decorative Space

Modern metal door designs

Image 2.1: Structural components and anti-tip kit

This image highlights key structural features including the "X" shaped steel frame for stability, the wooden tabletop, adjustable feet for leveling, and the anti-tip kit for securing the dresser to a wall.

3. PACKAGE CONTENTS

Please verify that all components listed below are included in your package. If any parts are missing or damaged, contact customer service immediately.

- Metal Frame Components (various sizes)
- Wooden Tabletop

- Metal Mesh Door Assembly
- Fabric Drawers (6 large, 4 medium)
- Adjustable Feet (4 pcs)
- Anti-Tip Kit (wall anchor, strap, screws)
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Follow the steps carefully.

1. **Prepare the Area:** Clear a spacious, level area. Lay down the packaging material or a blanket to protect the floor and dresser components.
2. **Assemble the Base Frame:** Connect the lower metal frame components according to the diagrams in the included instruction booklet. Ensure all screws are finger-tightened initially.
3. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the assembled base frame.
4. **Assemble Upper Frame:** Connect the upper metal frame components, including the sections for the metal mesh door cabinet and smaller drawers.
5. **Install Wooden Tabletop:** Secure the wooden tabletop to the top of the assembled frame using the provided screws.
6. **Install Metal Mesh Door:** Attach the metal mesh door assembly to the designated cabinet section. Ensure the hinges operate smoothly.
7. **Assemble Fabric Drawers:** Insert the bottom panel into each fabric drawer and unfold it to form its shape. Attach the handles to the front of each drawer.

Image 4.1: Fabric drawer construction

This image illustrates the layered construction of the fabric drawers, typically consisting of a non-woven fabric exterior, an MDF board for structural support, and an Oxford fabric lining, along with the handle attachment.

8. **Insert Drawers:** Place the assembled fabric drawers into their respective slots in the dresser frame.
9. **Level the Dresser:** Adjust the adjustable feet to ensure the dresser is stable and level on your floor.
10. **Install Anti-Tip Kit:** Securely attach the anti-tip kit to the back of the dresser and to a wall stud using the provided hardware. This step is crucial for safety.

5. OPERATING INSTRUCTIONS

5.1 Using the Fabric Drawers

- Gently pull the handles to open the drawers.
- Organize items within the drawers. The dresser includes 6 large and 4 medium drawers, suitable for various clothing items, accessories, or small household goods.
- Push the drawers back in until they are fully closed. Avoid forcing them.
- Do not exceed the maximum weight capacity per drawer (refer to Specifications).

10 DRAWER

Image 5.1: Drawers in use

This image shows several fabric drawers partially open, demonstrating their capacity and how various items like clothing, socks, and accessories can be neatly stored.

5.2 Using the Metal Mesh Door Cabinet

- The central cabinet features a metal mesh door, providing visibility and ventilation for stored items.
- Open the doors to access the interior shelves. This space is ideal for displaying decorative items, storing books, or housing small electronics.
- Close the doors securely after use.

This image displays the central cabinet with its metal mesh doors open, revealing items such as speakers, books, and decorative objects stored on the interior shelves.

6. MAINTENANCE

- **Cleaning the Frame and Tabletop:** Wipe the metal frame and wooden tabletop with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning Fabric Drawers:** Spot clean fabric drawers with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they are tight. Re-tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading of the fabric drawers.
- **Avoid Excessive Moisture:** Keep the dresser in a dry environment to prevent damage to the materials.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Dresser is wobbly or unstable.	Uneven floor; loose connections.	Adjust the leveling feet at the bottom of the dresser. Check and tighten all assembly screws. Ensure the anti-tip kit is properly installed.
Drawers do not slide in/out smoothly.	Drawer is overloaded; fabric is misaligned; frame is not square.	Reduce the weight in the drawer. Ensure the fabric drawer is fully expanded and its bottom insert is flat. Check frame assembly for squareness.
Metal mesh door does not close properly.	Hinges are misaligned; obstruction.	Check hinge alignment and adjust if necessary. Remove any items obstructing the door's path.
Missing parts or damaged components.	Manufacturing error or shipping damage.	Do not proceed with assembly. Contact Romorgniz customer service immediately for replacement parts.
