

FUNLIO FL-068

FUNLIO Montessori Wooden Baby Jumper with Stand (Model FL-068) - Instruction Manual

For infants aged 6-24 months, up to 40 lbs (18 kg)

1. INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, maintenance, and storage of your FUNLIO Montessori Wooden Baby Jumper with Stand. Please read all instructions carefully before use and retain this manual for future reference. This product is designed to support infants from 6 to 24 months of age, with a maximum weight capacity of 40 lbs (18 kg).

2. SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- **Adult Assembly Required:** This product must be assembled by an adult.
- **Adult Supervision Required:** Always use this product under direct and constant adult supervision. Never leave a child unattended in the jumper.
- **Age and Weight Limits:** Suitable for infants aged 6 to 24 months. Do not use for children weighing more than 40 lbs (18 kg).
- **Secure Fastenings:** Ensure all straps, buckles, and frame connections are securely fastened before each use.
- **Stable Surface:** Place the jumper on a flat, level, and stable surface. Ensure the anti-slip pads are properly positioned.
- **Clear Surroundings:** Keep the area around the jumper clear of obstacles, furniture, and other hazards.
- **Inspect Before Use:** Regularly inspect the product for any signs of damage, wear, or loose parts. Discontinue use immediately if any damage is found.
- **Folding Caution:** Exercise caution when folding or unfolding the jumper to prevent finger entrapment.
- **Domestic Use Only:** This product is intended for domestic use only.

3. PRODUCT COMPONENTS

Please ensure all the following components are present before assembly:

- Wooden Frame (A-frame structure with horizontal bars)
 - Jumper Harness (with adjustable straps and seat)
 - Suspension Spring/Rope Assembly
 - Anti-slip Silicone Pads (4 pieces)
 - Velcro Strips (2 pieces, for storage)
 - Extension Straps (optional, for outdoor use)
-

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your FUNLIO Baby Jumper:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the component list.
2. **Assemble Wooden Frame:** Connect the wooden frame pieces to form the A-frame structure. Ensure all screws and fasteners are tightened securely. The frame should form a stable, triangular base.
3. **Attach Anti-slip Pads:** Apply the four anti-slip silicone pads to the bottom of the frame's feet to prevent movement during use.
4. **Install Suspension Assembly:** Attach the suspension spring/rope assembly to the top horizontal bar of the wooden frame. Ensure it is securely hooked or tied according to the specific design.
5. **Connect Jumper Harness:** Attach the jumper harness to the suspension assembly. Double-check that all clips and buckles are firmly engaged.
6. **Final Check:** Before placing your child in the jumper, gently push down on the harness to ensure the entire structure is stable and all connections are secure.

5. OPERATING INSTRUCTIONS

To ensure safe and effective use of the FUNLIO Baby Jumper:

1. **Adjust Height:** Before placing your child in the jumper, adjust the height of the suspension rope so that your child's toes can just touch the floor when seated in the harness. This allows for proper bouncing motion without putting excessive strain on their legs.
2. **Secure Child:** Carefully place your child into the jumper harness. Ensure all straps are snug but comfortable, and the buckles are securely fastened. The harness should support your child's torso and hips.
3. **Supervise Play:** Remain with your child at all times while they are in the jumper. Encourage gentle bouncing and movement.
4. **Duration of Use:** Limit play sessions to short periods (e.g., 15-20 minutes) to prevent over-stimulation or fatigue.

Easy to Fold & Store

This image displays the fully assembled FUNLIO Montessori Wooden Baby Jumper in grey, with an infant actively engaging in the jumper harness.

6. MAINTENANCE

Proper maintenance ensures the longevity and safety of your jumper:

- **Cleaning Frame:** Wipe the wooden frame with a damp cloth and mild soap. Dry immediately. Do not use abrasive cleaners or harsh chemicals.
- **Cleaning Harness:** The fabric harness can be hand-washed with mild detergent and air-dried. Do not bleach or tumble dry.
- **Regular Inspection:** Periodically check all screws, bolts, and connections for tightness. Ensure the suspension spring/rope is free from fraying or damage.

7. STORAGE

The FUNLIO Baby Jumper is designed for convenient storage:

- **Folding:** To fold, gently lift the bottom horizontal bars. The A-frame structure will collapse inward.
- **Securing:** Use the provided Velcro strips to secure the folded frame against a wall or in a compact space. Ensure the jumper rope is fastened to prevent it from falling.
- **Storage Location:** Store in a dry place, away from direct sunlight and extreme temperatures.

The image shows the FUNLIO baby jumper in its folded position, illustrating its space-saving design for convenient storage when not in use. Velcro straps are visible, used to secure the frame.

8. SPECIFICATIONS

Model Number	FL-068
Product Dimensions (Assembled)	43.7" L x 33.8" W x 50.8" H (111 cm L x 86 cm W x 129 cm H)
Item Weight	7.8 kg (approximately 17.2 lbs)
Recommended Age	6 to 24 months

Maximum Weight Capacity	40 lbs (18 kg)
Materials	High-quality Pine & Plywood (frame), Double Cotton (harness)

9. TROUBLESHOOTING

If you encounter any issues with your FUNLIO Baby Jumper, please refer to these common solutions:

- **Jumper feels unstable:** Ensure all frame connections are tightened. Verify the anti-slip pads are correctly placed on a flat, level surface.
- **Child not bouncing effectively:** Check the height adjustment. The child's toes should just touch the floor. Ensure the harness is not too tight or too loose.
- **Squeaking sounds:** Inspect the suspension spring for any friction points. A small amount of lubricant (e.g., silicone spray) on the spring's pivot points may help, ensuring it does not come into contact with the child.
- **Missing or damaged parts:** Do not use the product. Contact customer support immediately for replacement parts.

10. WARRANTY AND SUPPORT

FUNLIO is committed to providing quality products and customer satisfaction.

- **Return Policy:** We offer a 90-day return policy from the date of purchase.
- **Quality Service:** A 1-year quality service is provided for this product.
- **Contact Support:** In case any parts are missing or damaged during transportation, or for any other inquiries, please contact FUNLIO customer service immediately. We will assist you by sending replacement parts or exchanging the product within 2 business days.
