### Wodeer WD-HLG022-WH-7

# Wodeer White Makeup Vanity Desk with Mirror & Lights

Model: WD-HLG022-WH-7

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Wodeer White Makeup Vanity Desk with Mirror & Lights. Please read this manual thoroughly before beginning assembly or use to ensure proper function and safety. Keep this manual for future reference.

## SAFETY INFORMATION

---

Adherence to these safety guidelines is crucial for preventing injury and damage to the product.

- Always follow assembly instructions precisely.
- Keep electrical components dry and away from water to prevent electrical shock.
- Do not overload the vanity with items exceeding its weight capacity.
- Exercise caution when moving or adjusting the vanity to avoid injury from sharp edges or pinch points.
- Ensure all electrical connections are secure before use.

## SETUP AND ASSEMBLY

---

Assembly is required for this product. It is recommended to have two people for certain steps, particularly when handling larger components like the mirror and desktop. Clear instructions and numbered parts are provided to facilitate the process.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
2. **Assemble Base Structure:** Follow the step-by-step diagrams in the separate assembly guide to construct the main desk frame and drawer units.
3. **Install Drawers and Shelves:** Insert the drawers into their respective slides and place the adjustable shelves in the glass cabinets as desired.
4. **Attach Mirror Unit:** Securely attach the mirror unit to the main desk structure. This step may require assistance.
5. **Connect Electrical Components:** Plug in the mirror lights and charging station. Ensure all cables are neatly routed and secured.
6. **Assemble Stool:** Follow the instructions to assemble the cushioned stool.

## OPERATING INSTRUCTIONS

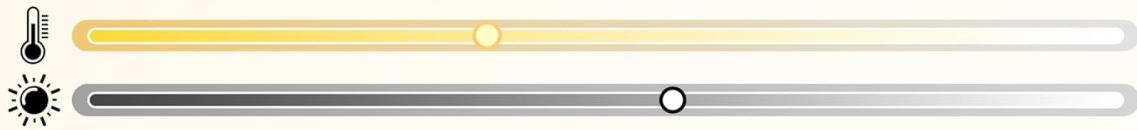

---

### Mirror Lighting

The mirror features integrated LED lights with adjustable settings:

- **Color Modes:** Touch the sensor on the mirror to cycle through three color modes: cool white, warm white, and warm yellow.
- **Brightness Adjustment:** Long-press the sensor to adjust the brightness level for the selected color mode.

## 3 Lighting Modes & Large Mirror

**Image Description:** This image illustrates the three distinct lighting modes of the vanity mirror: Cold White, Warm White, and Warm Yellow. It also highlights the touch sensor for changing color and long-press function for adjusting brightness.

### RGB Ambient Lighting

The vanity desk includes colorful RGB LED strips for ambient lighting:

- **Control:** Use the dedicated APP or the provided remote control to manage the RGB lighting.
- **Functions:** Change colors (over 60,000 options), adjust brightness, activate music mode, mic mode, and set timing functions.

## Adjustable LED Light

**Image Description:** This image displays the vanity desk with its RGB LED ambient lighting activated, highlighting the various control options available via an app or remote, including a wide color spectrum, brightness adjustment, and sound-reactive modes.

### Charging Station

The integrated charging station provides convenient power access:

- **Outlets:** Features 2 AC outlets (125V/12A) for powering hair dryers, curling irons, or other beauty appliances.
- **USB Ports:** Includes 2 USB ports (5V/2A) for charging smartphones, tablets, or other USB-powered devices.
- **Hair Dryer Holder:** A dedicated holder keeps your hair dryer organized and easily accessible.

**Image Description:** A detailed view of the vanity's built-in charging station, showing two AC power outlets and two USB charging ports. A hair dryer is shown neatly stored in its dedicated holder, connected to one of the outlets.

## Storage Features

The vanity desk offers extensive storage solutions:

- **Drawers:** Seven drawers provide ample space for cosmetics, skincare, and accessories. The central drawer includes removable dividers for organization.
- **Glass Cabinets:** Two adjustable-height glass display cabinets allow for organized storage and display of items.
- **Open Shelves:** Four open shelves offer additional accessible storage.
- **Stool Storage:** The cushioned stool features hidden storage beneath its seat.

## Plenty of Storage Space

**Image Description:** This image highlights the extensive storage capabilities of the vanity desk. Several drawers are shown open, revealing organized compartments for cosmetics. The glass cabinets are also open, displaying items, and the cushioned stool is shown with its top lifted to reveal hidden storage.

## MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your vanity desk.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.
- **Electrical Components:** Ensure the charging station and mirror lights are kept dry. Unplug the unit before cleaning or if not in use for extended periods.
- **Hardware:** Periodically check and tighten any loose screws or fittings to maintain stability.

## TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common solutions:

Problem	Possible Cause	Solution
Mirror lights not working	Power cable disconnected, faulty connection, power outage.	Check power cable connection. Ensure outlet is functional. Contact support if issue persists.
RGB lights not responding	Remote battery low, APP not connected, power issue.	Replace remote battery. Re-pair APP. Check power connection to RGB strip.
Charging station not providing power	Power cable disconnected, outlet issue.	Ensure the vanity is plugged into a live outlet. Check the charging station's power switch if applicable.
Drawers do not slide smoothly	Improper assembly, obstruction in slides.	Review assembly steps for drawer slides. Clear any obstructions.
