RiceBlock RB0067 1:14 Scale Sports Car Building Blocks Instruction Manual

Model: RB0067

INTRODUCTION

This instruction manual provides essential information for the assembly, operation, and maintenance of your RiceBlock RB0067 1:14 Scale Sports Car Building Blocks model. Please read this manual thoroughly before beginning assembly to ensure a smooth and enjoyable building experience.

This image displays the complete RiceBlock RB0067 sports car model alongside its product packaging. The model is a gold-colored racing car with black accents, showcasing its detailed design and the kit's presentation.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not suitable for children under 3 years.

- Keep all small parts away from young children to prevent choking.
- Ensure all building blocks are securely connected during assembly to prevent detachment.
- Dispose of packaging materials properly.

PACKAGE CONTENTS

Your RiceBlock RB0067 kit includes:

- Approximately 1309 building block pieces, sorted into numbered bags.
- One detailed instruction manual for assembly.

ASSEMBLY INSTRUCTIONS

The RiceBlock RB0067 model is designed for assembly by individuals aged 12 and up. Follow the step-by-

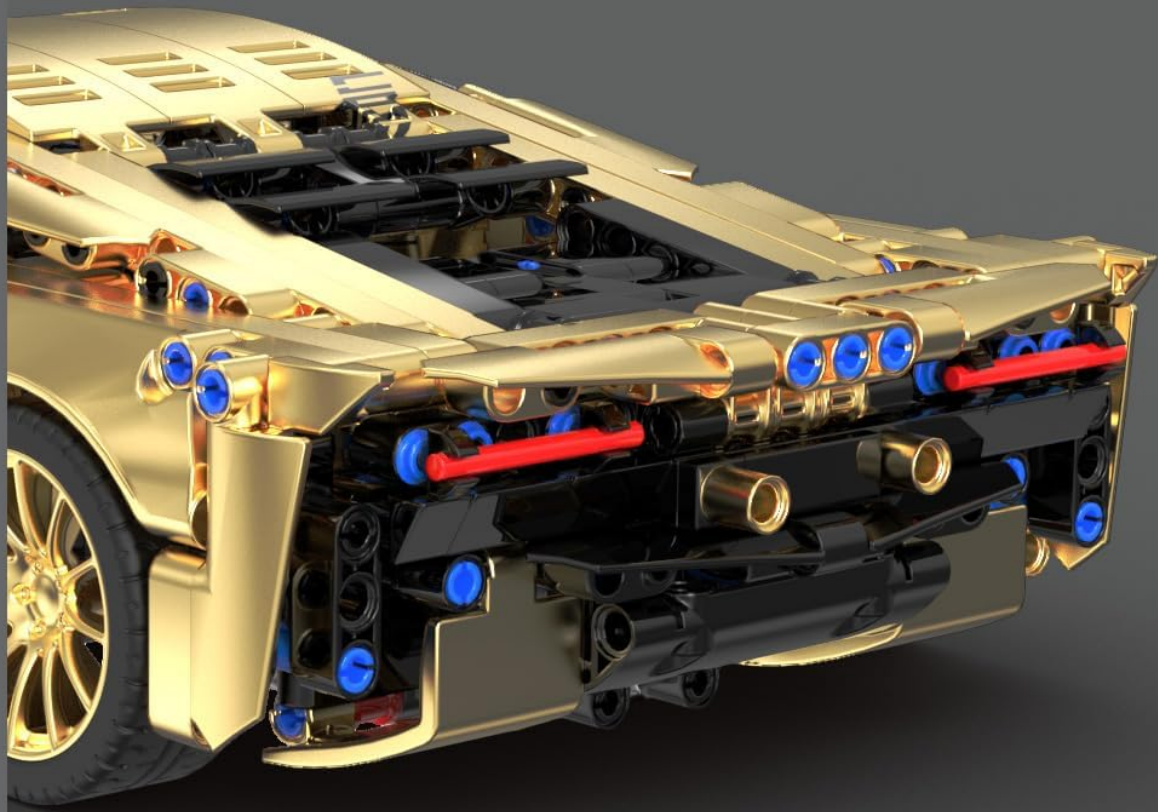

step instructions provided in the included physical instruction manual carefully. The building blocks are organized into numbered bags to simplify the process.

1. **Preparation:** Unpack all components and verify that all numbered bags are present. Find a clean, well-lit workspace.
2. **Follow the Manual:** Refer to the dedicated instruction manual provided in your kit. Each step is illustrated to guide you through the construction process.
3. **Organize Pieces:** Open bags according to the manual's instructions, typically one numbered bag at a time, to avoid mixing pieces.
4. **Secure Connections:** Ensure each block is firmly connected to the next to create a stable structure.
5. **Detailed Features:** Pay close attention to the assembly of specific features such as the engine, interior, and functional elements like doors.

A direct front view of the RiceBlock RB0067 sports car model, highlighting the intricate front grille, headlights, and aerodynamic lines. The gold and black color scheme is prominent.

SIMULATION TAIL DESIGN

This image provides a detailed rear view of the RiceBlock RB0067 sports car model, emphasizing the simulated tail design, exhaust pipes, and rear lights constructed from building blocks.

A detailed view of the RiceBlock RB0067 model, specifically highlighting the functional scissor doors in an open position, demonstrating a key feature of the model.

OPERATING THE MODEL

Once assembled, the RiceBlock RB0067 model is primarily a display piece. It features several interactive

elements:

- **Movable Wheels:** The wheels are designed to roll, allowing for manual movement of the car.
- **Opening Doors:** The scissor doors can be manually opened and closed.
- **Steering:** The steering wheel may be connected to the front wheels, allowing for manual steering.

Avoid applying excessive force to any movable parts to prevent damage.

MAINTENANCE

To ensure the longevity and appearance of your RiceBlock RB0067 model:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully, especially when moving it, to prevent parts from detaching.

TROUBLESHOOTING

If you encounter issues during or after assembly, consider the following:

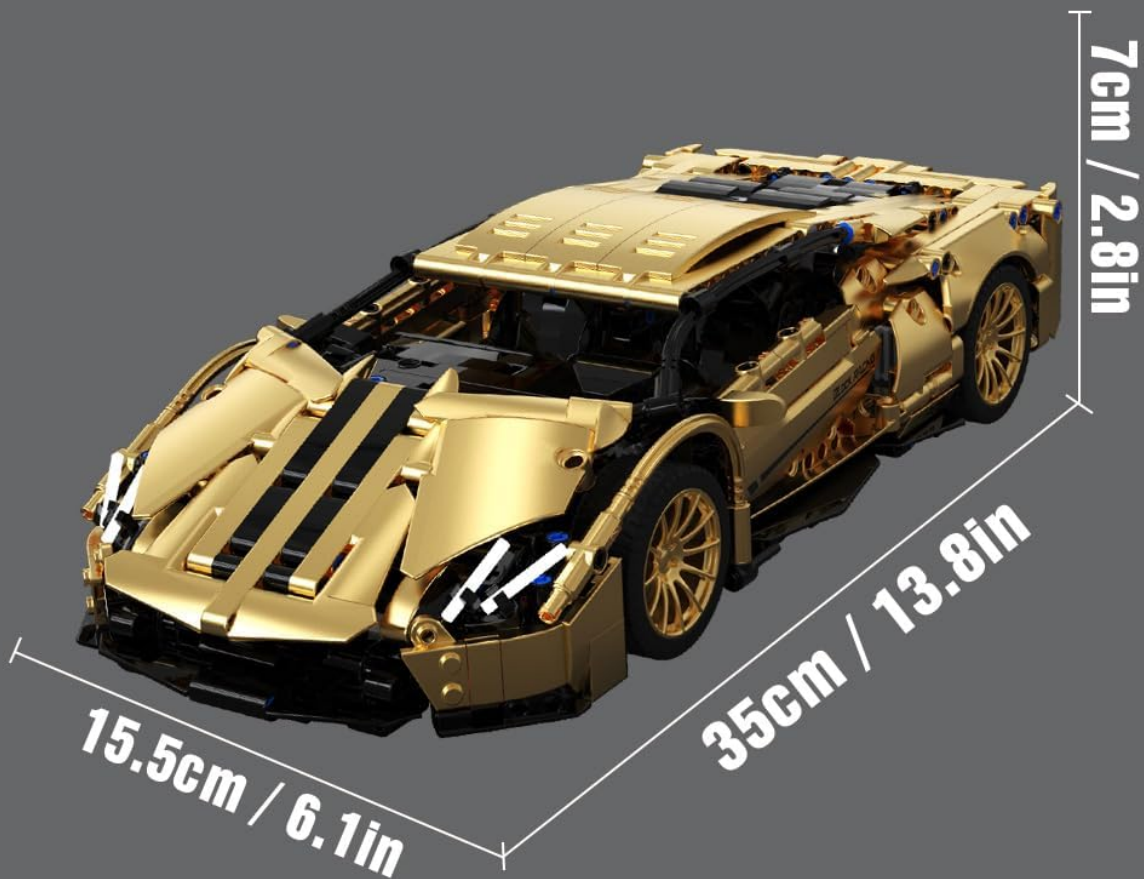

- **Missing Pieces:** Carefully re-check all packaging and bags. If pieces are genuinely missing, contact RiceBlock customer support with details of the missing parts (as identified in the instruction manual).
- **Difficulty Connecting Parts:** Ensure you are using the correct pieces for each step. Some connections may require firm but gentle pressure.
- **Structural Instability:** Review previous steps in the instruction manual to ensure all connections are correct and secure.

SPECIFICATIONS

Feature	Detail
