SETUP

1. Charging the Headset

Before first use, fully charge the headset and charging case.

- Connect the provided USB-C cable to the charging case and a power source.
- The LED display on the charging case will show the charging status.
- A full charge for the case takes approximately 1.5 hours.
- The earbuds provide 6-8 hours of playtime on a single charge. The charging case extends total playtime up to 45 hours.

45Hrs Long Playtime and LED Display

Image: Visual representation of the 45-hour total playtime, 1.5-hour full charge time, USB-C fast charging, and 6-8 hours of earbud playtime. The LED display shows individual earbud and case battery levels.

2. Pairing with a Device

The Nerunsa D60 features one-step pairing for quick connection.

1. **Open:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Connect:** On your device (smartphone, tablet, laptop), go to Bluetooth settings and select "D60" from the list of available devices.
3. **Close:** To disconnect and power off, simply place the earbuds back into the charging case and close the lid.

OPERATING INSTRUCTIONS

Smart Touch Controls

The earbuds feature intuitive touch controls for managing audio and calls.

- **Answer Call:** Single tap on either earbud.
- **Hang Up Call:** Single tap on either earbud during a call.
- **Volume -:** Tap and hold the left earbud.
- **Volume +:** Tap and hold the right earbud.
- **Play/Pause:** Single tap on either earbud.
- **Previous Track:** Double tap the left earbud.
- **Next Track:** Double tap the right earbud.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.

Audio Quality

Experience high-fidelity stereo sound with powerful bass and clear treble.

Image: Exploded view of an earbud highlighting the 13mm speaker for Hi-Fi Stereo Sound, deep bass, and stunning treble.

Call Quality

The headset incorporates ENC (Environmental Noise Cancellation) technology for clear communication.

- ENC technology reduces ambient noise by up to 40dB.
- Dedicated main microphone for clear voice pickup during calls.

Crystal Clear Call

ENC Noise cancellation technology give you better call experience.

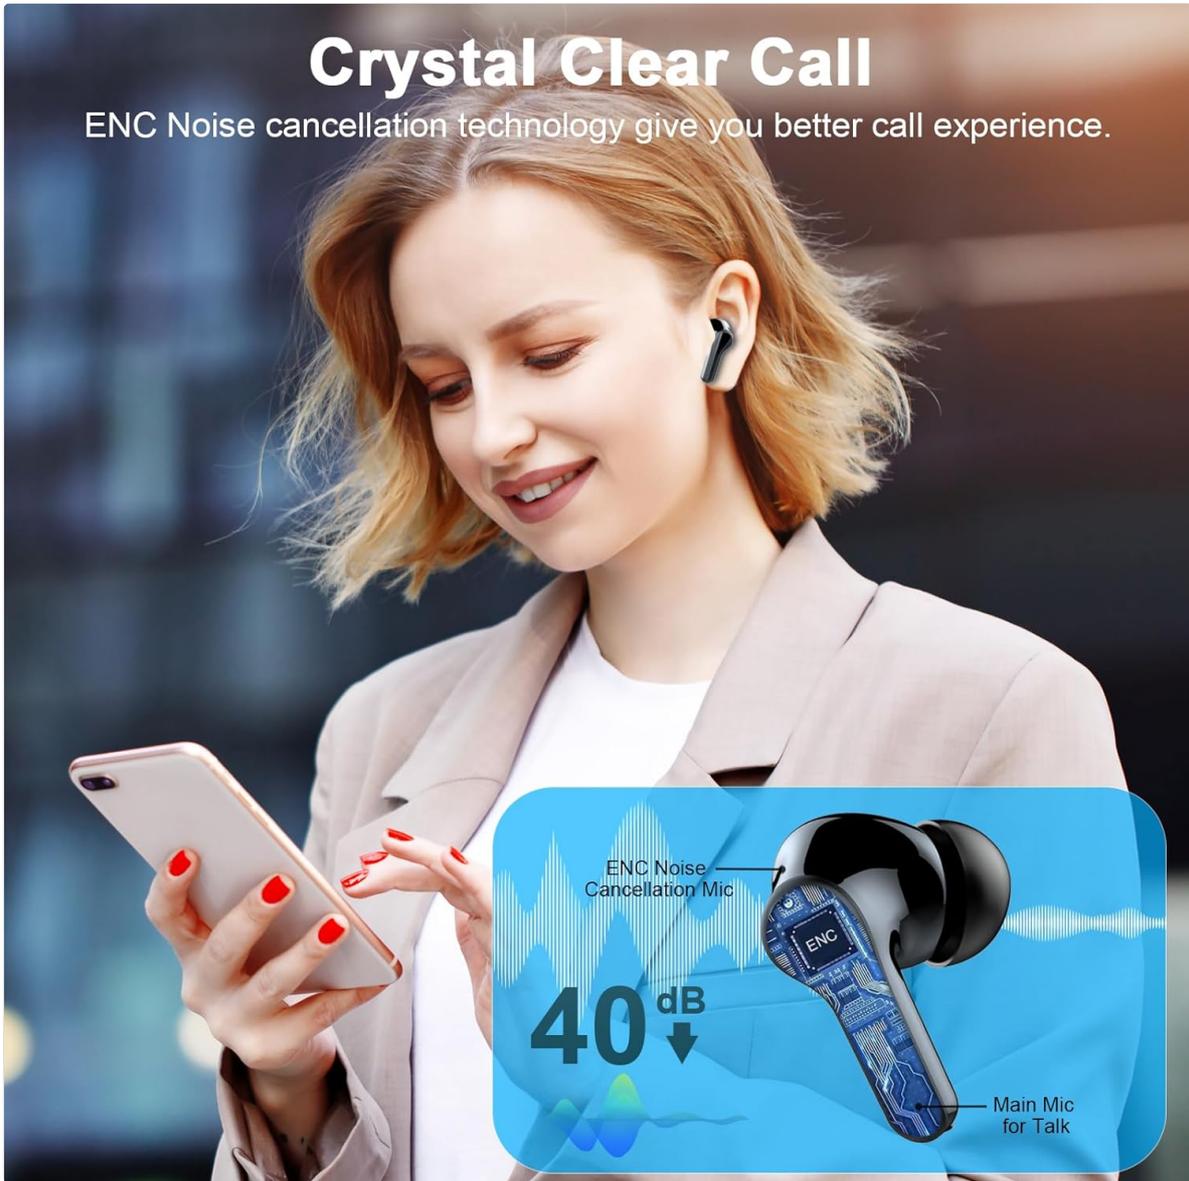

Image: A person using the earbud during a call, with an inset diagram showing the ENC Noise Cancellation technology and main microphone for talk, indicating a 40dB noise reduction.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove eartips and clean them with mild soap and water if necessary, ensuring they are completely dry before reattaching.
- Do not use abrasive cleaners or solvents.

Storage

- Store the headset in its charging case when not in use to protect it and keep it charged.
- Avoid extreme temperatures and direct sunlight.

Water Resistance

The earbuds are IP7 waterproof, meaning they are protected against immersion in water up to 1 meter for up to 30 minutes. This rating is for the earbuds only, not the charging case.

Ergonomic Design & IP7 Waterproof

Image: A person wearing the earbuds, illustrating the ergonomic design. Icons also show the IP7 waterproof rating and the inclusion of S/M/L eartips for a comfortable fit.

TROUBLESHOOTING

- **No Sound:** Ensure earbuds are charged, properly paired, and volume is adjusted on both the earbuds and the connected device.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device. Try forgetting the device in your Bluetooth settings and re-pairing. Ensure earbuds are fully charged.
- **Earbuds Not Charging:** Check the USB-C cable and power adapter. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Poor Call Quality:** Ensure the earbuds are properly seated in your ears. Check for any obstructions near the microphone.
- **Unresponsive Touch Controls:** Ensure your fingers are clean and dry. Try restarting the earbuds by placing them in the case and closing the lid, then reopening.
