Casaottima 98-inch 2-Person Gaming Computer Desk Instruction Manual

Model: 00260-3050-4540

1. Introduction

Thank you for choosing the Casaottima 98-inch 2-Person Gaming Computer Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.
This desk is designed to provide a spacious and functional workspace for two individuals, featuring integrated power outlets, LED lighting, and a monitor stand for enhanced ergonomics and convenience.

2. Safety Information

Please observe the following safety guidelines to ensure safe use and prevent damage to the product or injury.

- Always assemble the desk according to the provided instructions. Ensure all fasteners are securely tightened before use.
- Ensure the desk is placed on a level surface to prevent wobbling and instability. Adjustable foot pads are provided for minor adjustments.
- Do not exceed the maximum weight capacity of the desk surfaces or shelves. Refer to the specifications section for details.
- Exercise caution when using the integrated electrical components (AC outlets, USB ports, LED lights). Do not overload the power strip.
- Keep liquids away from electrical components to prevent electric shock or damage.
- Do not allow children to climb on or play with the desk.
- Regularly inspect the desk for any loose parts or damage. Tighten screws as needed.

3. Package Contents

Before assembly, please verify that all components listed in your packaging instructions are present and undamaged. If any parts are missing or damaged, please contact customer support.
Typical components include:

- Desk panels (desktop, monitor stands, shelves)
- Metal frame components
- Fabric drawers and file cabinet frame
- Power outlet strip with USB ports
- LED light strip with remote/controller
- Assembly hardware (screws, bolts, Allen wrench)
- Adjustable foot pads
- Hooks

4. Setup and Assembly

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly guide included with your packaging. Ensure you have adequate space and any necessary tools (e.g., screwdriver) before starting.

Key Assembly Tips:

- Lay out all parts and hardware before beginning.
- Do not fully tighten screws until all components are loosely assembled, then tighten them securely.
- Pay attention to the orientation of each piece as shown in the diagrams.
- The desk is long; consider assembling it in the room where it will be used to avoid difficulty moving it through doorways.

5. Operating Instructions

5.1. Integrated Power Outlets and USB Ports

The desk features a built-in charging hub with 3 AC outlets (125V/12A) and 2 USB ports (5V/2A) to power your devices.

- Connect the desk's power cord (approximately 4.9 feet long) to a standard wall outlet.
- Plug your electronic devices into the AC outlets or use USB cables to charge devices via the USB ports.
- Do not exceed the maximum electrical load for the power strip.

5.2. LED Light Strip Operation

The desk includes an LED light strip with dynamic lighting options to customize your workspace ambiance.

- Ensure the LED light strip is properly connected to its power source (typically a USB port or dedicated adapter).
- Use the inline controller or remote (if included) to:
  - Turn the lights ON/OFF.
  - Select from 10 static colors.
  - Choose from 10 dynamic lighting modes.
  - Adjust between 6 brightness levels.
- The LED strip features a memory function, retaining your last settings when powered off and on.

5.3. Monitor Stand Usage

The elevated monitor stand is designed to improve ergonomics by raising your monitors to a comfortable viewing height.

- Place your monitors directly on the stand. Ensure they are centered and stable.
- The stand helps reduce neck and eye strain by promoting better posture.

5.4. Storage and Organization

The desk includes a central storage unit with fabric drawers and shelves for organization.

- Utilize the fabric drawers for storing office supplies, documents, or personal items.
- The file cabinet drawer is suitable for hanging files.
- The open shelves can accommodate a printer or decorative items.
- Use the included metal hooks on the side of the desk for hanging headphones or bags.

6. Maintenance

To maintain the appearance and longevity of your Casaottima desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood surface.
- **Fasteners:** Periodically check all screws and bolts and tighten them if necessary to ensure stability.

- **Electrical Components:** Ensure the power strip and LED lights are free from dust and debris. Do not attempt to repair electrical components yourself.

7. Troubleshooting

If you encounter any issues with your desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly	Uneven floor; loose fasteners	Adjust the non-slip foot pads to level the desk. Tighten all assembly screws.
LED lights not working	Power connection issue; faulty strip/controller	Check if the LED strip is securely plugged in. Ensure the power source (USB port) is active. If issues persist, contact support.
Power outlets/USB ports not working	Desk power cord not plugged in; circuit overload; faulty component	Ensure the desk's main power cord is securely plugged into a working wall outlet. Check if too many devices are connected. Test with another device. If issues persist, contact support.
Drawers are stiff or not sliding smoothly	Overloaded drawer; obstruction	Reduce the weight in the drawer. Check for any items obstructing the drawer's movement.
