# Polibi Castle Loft Bed with Slide & Tent and Tower (Pink, Twin) - Instruction Manual

Model: N708P249511

## 1. IMPORTANT SAFETY INFORMATION

---

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury. Keep this manual for future reference.

- Exercise caution around sharp edges during assembly.
- Ensure proper and complete assembly to prevent instability.
- Regularly check all connections and fasteners to ensure they remain tight.
- Do not allow children under 6 years of age on the upper bunk.
- Use only mattresses that comply with the recommended dimensions for this bed.
- Do not attach or hang items to any part of the bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or jump ropes.

## 2. PRODUCT OVERVIEW

---

The Polibi Castle Loft Bed is designed for children, featuring a loft bed with a slide, tent, and tower. It provides a sleeping area and an integrated play space. The structure is made from solid pine wood and high-quality MDF, ensuring stability.

SIZE: INCH

Image 1: Overall dimensions of the Polibi Castle Loft Bed. The bed measures approximately 80.8 inches in length, 76.5 inches in width (including the slide), and 74.4 inches in height (to the top of the tower flag). The sleeping platform is 65.8 inches long and 13.2 inches high from the base of the bed frame. The slide extends 14.2 inches from the bed frame.

### 3. SETUP AND ASSEMBLY

Assembly is required for this product. Clear instructions and all necessary tools are provided to facilitate the setup process. It is recommended to have at least two adults for assembly.

#### 3.1 Unpacking and Part Identification

- Carefully unpack all components and hardware from the packaging.
- Verify that all parts listed in the included parts list are present and undamaged.
- Lay out all components on a soft, clean surface to prevent scratches.

#### 3.2 Assembly Steps

1. **Frame Assembly:** Begin by assembling the main bed frame structure according to the detailed instructions provided

in the package. Ensure all bolts are securely tightened.

2. **Slat Installation:** Install the bed slats onto the frame. These slats are designed to support the mattress and distribute weight evenly.
3. **Guardrail Attachment:** Securely attach the fence-shaped guardrails to the loft bed frame. These are crucial for safety.
4. **Tower and Slide Installation:** The tower offers versatile installation options. It can be placed on the left side, the right side, or directly on the slide. Choose the desired configuration and attach the tower and slide components as per the instructions.
5. **Tent Fabric Attachment:** Drape and secure the tent fabric over the bed frame, tower, and under-bed area. Ensure all ties and fasteners are properly secured to create the castle design.

We provide three installation methods, the tower can be placed on the left side or the right side, or placed on the slide.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Using the Loft Bed

The upper loft area is designed for sleeping. Ensure the mattress fits snugly within the frame and that the guardrails are always in place. The ladder provides access to the loft bed.

### 4.2 Utilizing the Slide

The integrated slide offers a fun exit from the loft bed. Supervise children during slide use to ensure safe play. Only one child should use the slide at a time.

- **Tent and Tower Design**

With its roof, windows and fence-shaped guardrails, it creates a magical castle atmosphere that will spark your child's imagination.

- **Funny Slide**

The attached slide adds an element of fun and adventure to bedtime. Your little ones will love sliding down from their cozy castle to start their day with a smile.

- **Under Bed Space**

The tent underneath the bed provides a cozy hideaway for playtime or a peaceful space for reading or relaxing.

### **4.3 Under-Bed Playhouse/Storage Area**

The semi-enclosed space beneath the loft bed can be used as a play area or for storage. The tent curtains provide a cozy hideaway. Ensure the area is kept clear of obstructions for safe play and good air circulation.

## 5. MAINTENANCE AND CARE

---

### 5.1 Cleaning

- **Wood Frame:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Tent Fabric:** The tent fabric can be spot cleaned with a mild detergent and water. For deeper cleaning, refer to any care labels on the fabric. Do not machine wash or tumble dry unless specified.

### 5.2 Regular Inspections

- Periodically check all bolts, screws, and fasteners to ensure they are tight. Loose connections can compromise the bed's stability.
- Inspect the bed frame for any signs of wear, damage, or splintering. Address any issues promptly to maintain safety.
- Ensure the ladder and slide are securely attached and free from damage.

## 6. TROUBLESHOOTING

---

- **Difficulty during Assembly (Misaligned Holes):** If you encounter misaligned holes or difficulty fitting parts, double-check the orientation of the pieces against the assembly diagrams. Sometimes, parts may appear similar but have subtle differences. If a hole is completely missing or severely misaligned, contact customer support for assistance. Do not attempt to force parts or create new holes unless explicitly instructed by the manufacturer.
- **Bed Feels Unstable:** Ensure all bolts and screws are fully tightened. Re-check each connection point. Make sure the bed is placed on a flat, level surface. If instability persists, disassemble and reassemble, carefully following each step.
- **Missing Parts:** If any parts are missing from the package, refer to the parts list in your manual and contact Polibi customer support immediately to request replacements.
