**Casaottima 00260-3050-4530**

# Casaottima 98-inch Two-Person Gaming Computer Desk User Manual

Model: 00260-3050-4530

## 1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Casaottima 98-inch Two-Person Gaming Computer Desk. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product. This desk is designed to provide a spacious and organized workspace for two individuals, featuring integrated power, LED lighting, and storage solutions.

An assembled Casaottima 98-inch two-person gaming computer desk, showcasing its dual workstations, central storage, monitor stands, and integrated LED lighting.

## 2. SAFETY INFORMATION

Observe the following safety precautions to prevent injury or damage to the product:

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not overload the desk beyond its recommended weight capacity. Refer to the specifications section for details.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Place the desk on a level surface to prevent instability and wobbling. Use the adjustable foot pads as needed.
- Avoid placing hot items directly on the desk surface without protective padding.
- Do not expose the desk to excessive moisture or direct sunlight for prolonged periods.
- When moving the desk, lift it carefully with assistance rather than dragging it to prevent damage to the frame or flooring.

## 3. PACKAGE CONTENTS

Before beginning assembly, carefully unpack all components and verify that you have received all parts listed below.

If any parts are missing or damaged, please contact Casaottima customer support immediately.

- Desktop Panels (Left, Right, Center)
- Metal Frame Components (Legs, Support Bars)
- Monitor Stand Shelf
- Fabric Drawers (Utility and File Cabinet)
- Power Outlet Unit with USB Ports
- LED Light Strip with Controller
- Hardware Pack (Screws, Allen Wrench, etc.)
- Adjustable Foot Pads
- Metal Hooks (2)
- Instruction Manual

## 4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people. Please follow these steps carefully. A Phillips head screwdriver (not included) may be required in addition to the provided Allen wrench.

1. **Prepare Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.
2. **Assemble Metal Frames:** Attach the horizontal support bars to the vertical leg frames using the provided screws. Do not fully tighten screws until all components are aligned.
3. **Attach Desktop Panels:** Secure the left, right, and center desktop panels to the assembled metal frames. Ensure proper alignment before tightening all screws.
4. **Install Monitor Stand:** Mount the monitor stand shelf onto the designated supports on the desktop.
5. **Insert Fabric Drawers:** Assemble the fabric drawers and slide them into the central cabinet structure.
6. **Install Power Outlet Unit:** Secure the power outlet unit into its designated slot on the monitor stand.
7. **Attach LED Light Strip:** Adhere the LED light strip to the underside of the monitor stand, ensuring the cable reaches the power outlet unit.
8. **Final Adjustments:** Tighten all screws. Attach the metal hooks to the side of the desk. Adjust the foot pads to level the desk on uneven floors.

# Power Outlets for Charging

3 AC Outlets  
125V/12A

2 USB Ports  
5V/2A

Power Cord  
4.9 Feet

## 5. OPERATING INSTRUCTIONS

### 5.1 Power Outlet and USB Charging Hub

The desk is equipped with a built-in charging hub for convenience. To use, simply plug the desk's main power cord into a standard wall outlet. You can then utilize the following:

- **3 AC Outlets:** Rated at 125V/12A, suitable for powering monitors, computers, and other AC-powered devices.
- **2 USB Ports:** Rated at 5V/2A, ideal for charging smartphones, tablets, and other USB-powered accessories.

## 5.2 LED Light Strip

The integrated LED light strip provides dynamic lighting options to enhance your workspace or gaming environment. Use the inline controller to adjust settings:

- **Color Selection:** Choose from 10 static colors to match your preference.
- **Dynamic Modes:** Explore 10 dynamic lighting modes for various effects.
- **Brightness Levels:** Adjust the intensity with 6 brightness levels.
- **Memory Function:** The LED strip retains your last selected setting when powered off and on.

## 5.3 Storage and Ergonomics

The desk features a central storage unit with fabric drawers for organizing office supplies and files. The elevated monitor stand promotes an ergonomic posture by raising your screens to eye level, reducing neck and eye strain.

## Power Outlets for Charging

3 AC Outlets  
125V/12A

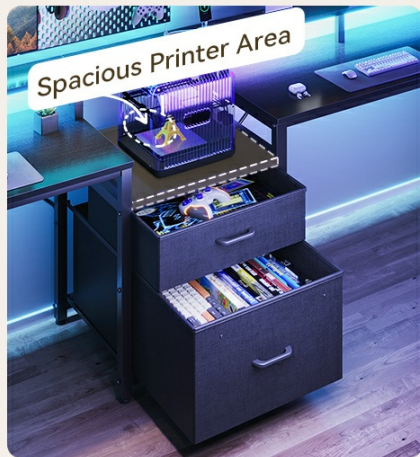

2 USB Ports  
5V/2A

Power Cord  
4.9 Feet

## 6. MAINTENANCE

Proper care will ensure the longevity and appearance of your desk:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, which can damage the finish.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Cable Management:** Organize cables to prevent tangles and reduce strain on power outlets.

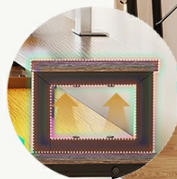

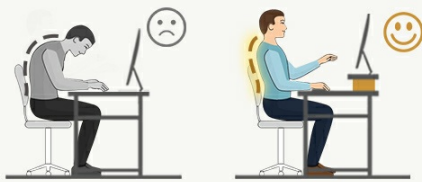

## 7. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common problems and solutions:

- **Desk Wobbles:**
  - a. Ensure all assembly screws are fully tightened.
  - b. Adjust the non-slip foot pads on the bottom of the legs to compensate for uneven flooring.
- **LED Lights Not Functioning:**
  - a. Verify that the desk's main power cord is securely plugged into a working wall outlet.
  - b. Check the connection between the LED strip and its controller, and the controller to the power outlet unit.
  - c. Ensure the LED controller is not damaged.
- **Power Outlets/USB Ports Not Working:**
  - a. Confirm the desk's main power cord is plugged in.
  - b. Test the wall outlet with another device to ensure it is functional.
  - c. Check for any loose connections within the power outlet unit.

### Ergonomic Long Monitor Stand

Keep your posture healthy.  
Say NO to spine pain.
