Casaottima 98-Inch 2-Person Gaming Desk Instruction Manual

Model: 00260-3050-3450

Introduction

This manual provides essential instructions for the assembly, operation, and maintenance of your Casaottima 98-inch 2-Person Gaming Desk. Designed for collaborative work, study, and gaming, this desk features a spacious double workstation, integrated USB charging ports, LED lighting, and an ergonomic monitor stand. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Overview of the Casaottima 98-inch 2-Person Gaming Desk, showcasing its dual workstations, monitor risers, and central storage unit.

Important Safety Information

For your safety and to prevent damage to the product, observe the following guidelines:

- Always assemble the desk strictly according to the provided instructions.
- Ensure the desk is properly anchored to the floor if necessary, especially when two individuals are using it, to prevent tipping.
- Do not exceed the specified weight limit of the desk.
- Keep all electrical components, including the power strip and LED lights, away from liquids.
- Periodically check all fasteners to ensure they remain tight.

Setup and Assembly

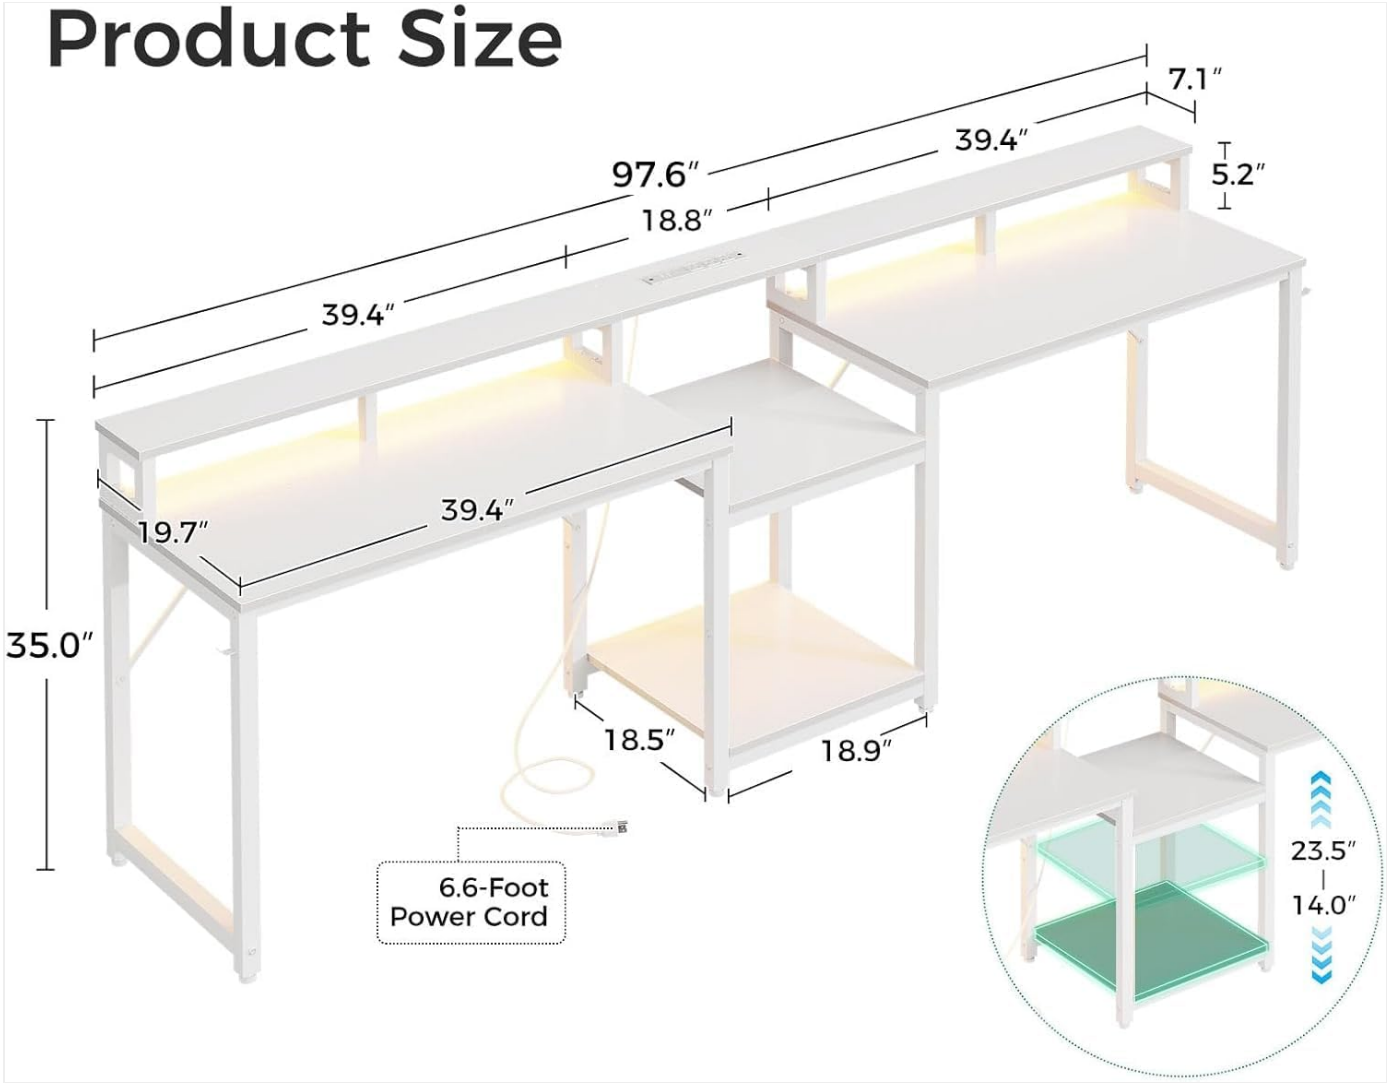

Assembly of the Casaottima 98-inch 2-Person Gaming Desk requires careful attention to detail. While some tools may be included, it is recommended to have a Phillips head screwdriver and possibly a rubber mallet on hand. Two people are recommended for efficient assembly.

Components Overview

Before beginning, verify all parts are present according to the packing list. The desk includes a metal frame, MDF board panels, a built-in outlet, a built-in USB port, and headphone hooks.

Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Assemble the main metal frame structure for both desk sections.
3. Attach the desktop panels to the assembled frames.
4. Install the central storage shelf unit, ensuring it is securely fastened between the two desk sections.
5. Mount the monitor stands onto the desktop.
6. Connect the power strip and LED light strip according to the included wiring diagrams.
7. Attach the headphone hooks to the desired locations.
8. Adjust the non-slip footpads to level the desk on uneven surfaces.

Detailed dimensions of the desk, including the adjustable shelf height options.

Adjustable Shelf

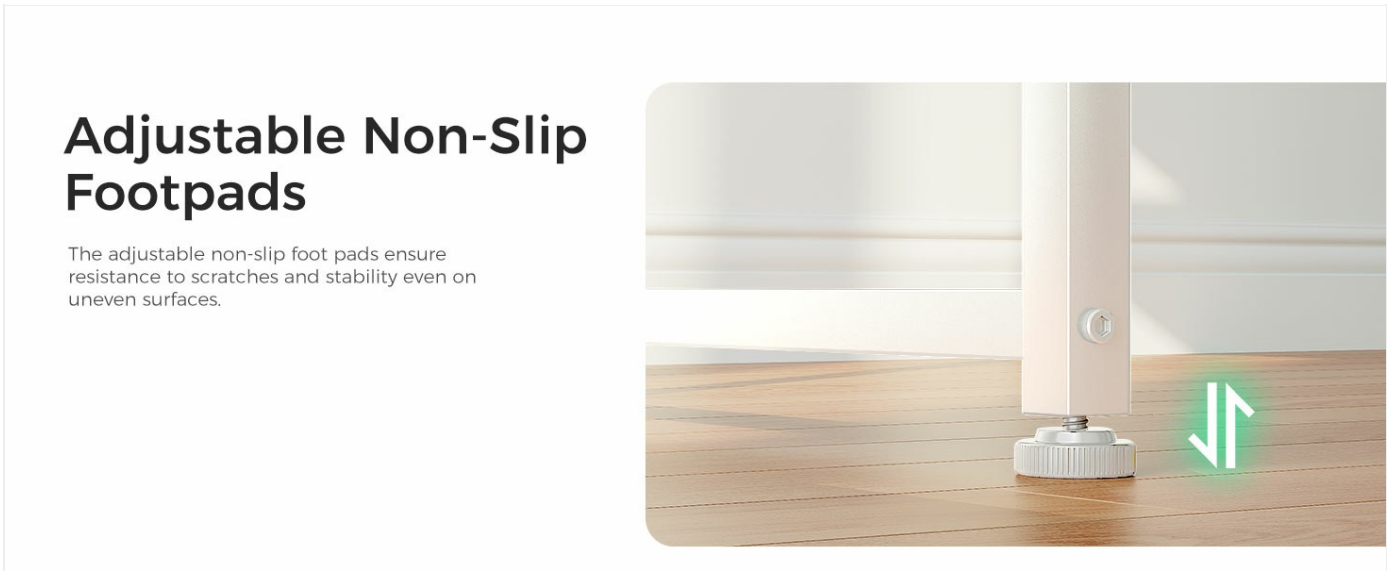

The central storage shelf is height-adjustable. To change its position, loosen the fasteners, slide the shelf to the desired height, and re-tighten the fasteners securely. This allows customization for items like a printer or computer towers.

The central shelf can be adjusted to accommodate various items, such as a printer or computer towers.

Adjustable Non-Slip Footpads

The desk is equipped with adjustable non-slip footpads. Rotate these pads clockwise or counter-clockwise to fine-tune the desk's height and ensure stability on uneven floor surfaces. This also protects your flooring from scratches.

Adjustable non-slip footpads provide stability and floor protection.

Operating Instructions

USB Charging Ports & Power Outlets

The desk includes a built-in power strip with 3 AC outlets (125V/12A) and 2 USB charging ports (5V/2A). To use, plug the desk's main power cord (6.6 feet long) into a wall outlet. You can then connect up to five electronic devices simultaneously for charging or power.

Integrated power outlets and USB ports for convenient device charging.

LED Light Strip

The integrated LED light strip offers customizable ambient lighting. It features 10 static colors, 10 dynamic modes, and 6 brightness levels. Use the inline controller to cycle through modes, adjust brightness, and select colors. The light strip also has a memory function, retaining your last setting when powered off and on.

The LED light strip provides customizable ambient lighting with multiple colors and modes.

Ergonomic Monitor Stand

The full-length monitor stand is designed to raise your monitors to an ergonomic viewing height. This helps reduce neck and eye strain during extended use. It also creates additional storage space beneath for a tidier desktop.

The monitor stand promotes ergonomic posture for comfortable use.

Maintenance

To maintain the appearance and longevity of your Casaottima desk, follow these simple care instructions:

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the MDF board.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten as necessary to maintain stability.
- **Electrical Components:** Ensure the power strip and LED lights are kept dry and free from dust.

Troubleshooting

If you encounter issues with your desk, refer to the following troubleshooting guide:

- **Desk is wobbly:**
  - Ensure all assembly screws are securely tightened.
  - Adjust the non-slip footpads on each leg to level the desk on uneven flooring.
- **Power outlets/USB ports not working:**

- Verify that the desk's main power cord is securely plugged into a functional wall outlet.
- Check if the wall outlet itself is receiving power (test with another device).
- Ensure devices are properly plugged into the desk's outlets/ports.

- **LED lights not turning on or functioning incorrectly:**
  - Confirm the LED light strip is properly connected to its power source and the desk's power strip.
  - Check the inline controller for any loose connections.
  - Ensure the desk's main power is on.
  - Try cycling through modes and brightness settings using the controller.

Specifications

Feature	Detail
Brand	Casaottima
Model Number	00260-3050-3450
Product Dimensions (D x W x H)	19.7" x 97.6" x 35"
