## Braun IS 9090 Black

# Braun CareStyle 9 Steam Generator Iron User Manual

Model: IS 9090 Black

Brand: Braun

## 1. INTRODUCTION

Welcome to the user manual for your new Braun CareStyle 9 Steam Generator Iron, model IS 9090 Black. This advanced steam iron is designed to provide powerful and efficient ironing results with features like FreeGlide 3D Technology, Smart iCare Mode, and AutoClean functionality. Please read this manual thoroughly before first use to ensure safe and optimal operation of your appliance.

## 2. IMPORTANT SAFETY INSTRUCTIONS

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and

personal injury.

- Read all instructions before using the iron.
- Do not leave the iron unattended while it is connected to the power supply.
- Unplug the iron from the outlet when filling with water, emptying, or when not in use.
- Do not operate the iron with a damaged cord or if the iron has been dropped or damaged.
- Keep the iron and its cord out of reach of children.
- Use the iron only for its intended household use as described in this manual.
- Do not immerse the iron or its base in water or other liquids.
- Always place the iron on a stable, heat-resistant surface when resting.

### 3. SETUP AND FIRST USE

Before using your Braun CareStyle 9 iron for the first time, follow these steps:

1. **Unpacking:** Carefully remove all packaging materials and ensure all components are present.
2. **Water Tank Filling:** The iron features a generous 2L water tank. Remove the water tank from the base unit. Fill the tank with tap water up to the 'MAX' indicator. Reinsert the water tank securely into the base.
3. **Power Connection:** Place the steam generator on a stable, level surface. Plug the power cord into a suitable grounded electrical outlet.
4. **Initial Heating:** The iron will begin to heat up. The iMode OLED display will indicate when it is ready for use.

## 4. OPERATING INSTRUCTIONS

### 4.1. Smart iCare & iMode OLED Technology

The Smart iCare Mode automatically sets a safe temperature for all ironable fabrics, eliminating the need for manual temperature adjustments. The intuitive iMode OLED display offers 6 easy-to-navigate settings for tailored ironing control, allowing you to select the optimal mode for your garments.

Figure 3: The iMode OLED display on the iron's handle, providing intuitive control.

#### **4.2. FreeGLIDE 3D & EloxalPLUS SOLEPLATE**

The unique upward curving soleplate allows for effortless gliding in all directions, even backwards over buttons, pockets, and seams without getting stuck. The EloxalPLUS soleplate ensures superior maneuverability and durability.

Figure 4: The FreeGlide 3D soleplate in action, demonstrating smooth movement over fabric.

### **4.3. Auto Steam Technology**

Smart sensors within the iron's handle detect movement and automatically release the precise amount of steam needed, eliminating the need to press a trigger. This provides a continuous and effortless steaming experience.

Figure 5: Horizontal ironing with automatic steam release for efficient wrinkle removal.

#### 4.4. TURBO & ECO MODES

- **Turbo Mode:** Activates maximum steam output to effectively tackle stubborn creases and heavy fabrics.
- **Eco Mode:** Reduces energy consumption by up to 55% while still providing excellent results for delicate fabrics.

#### 4.5. Vertical Steaming

The powerful steam output allows for convenient vertical steaming of hanging garments, curtains, and drapes. This feature also helps eliminate over 99.99% of bacteria and viruses, sanitizing fabrics without direct contact.

## 5. MAINTENANCE

### 5.1. AutoCLEAN Technology

The Braun CareStyle 9 features AutoCLEAN technology, which automatically detects when descaling is needed and performs the process in approximately 2 minutes. Follow the instructions on the OLED display when the AutoCLEAN indicator appears.

Figure 7: Accessing the base unit for maintenance, including the AutoClean process.

## 5.2. Water Tank and Soleplate Care

- **Water Tank:** Regularly empty and rinse the water tank to prevent mineral buildup.

- **Soleplate:** For light cleaning, wipe the soleplate with a damp cloth after the iron has cooled down. Do not use abrasive cleaners or scouring pads.

## 6. TROUBLESHOOTING

If you encounter issues with your Braun CareStyle 9 iron, refer to the following common solutions:

| Problem                      | Possible Cause   | Solution   |
|------------------------------|--|--|
| No steam output              | Water tank empty; iron not heated; Auto Steam not activated. | Refill water tank; wait for iron to reach operating temperature; ensure iron is moving to activate Auto Steam. |
| Water leaking from soleplate | Temperature too low for steam; iron not fully heated.        | Allow iron to fully heat up before using steam; ensure Smart iCare mode is active.                             |
| Iron not heating             | Not plugged in; power outlet issue.                          | Check power cord connection; try a different electrical outlet.  |

If the problem persists after trying these solutions, please contact Braun customer support.

## 7. SPECIFICATIONS

| Feature             | Detail                                  |
|---------------------|---|
| Brand               | Braun                                   |
| Model Number        | IS 9090 BK                              |
| Color               | Black                                   |
| Power / Wattage     | 2700 watts                              |
| Water Tank Capacity | 2 Liters                                |
| Item Weight         | 7.76 Kilograms                          |
| Soleplate Type      | EloxaIPLUS with FreeGlide 3D Technology |
| Manufacturer        | Braun Household                         |
