## HONEY JOY HJ-2978-US

# HONEY JOY Wooden Kids Activity Train Table Instruction Manual

**MODEL: HJ-2978-US**

**Brand: HONEY JOY**

## INTRODUCTION

This manual provides instructions for the HONEY JOY Wooden Kids Activity Train Table, Model HJ-2978-US. This versatile play table is designed for children aged 18 months and older, offering multiple play modes including a train platform, chalkboard, building block surface, and sand table. It features a convenient storage compartment and comes with 78 toy accessories to encourage imaginative play and skill development.

## SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use of the product. Adult supervision is recommended during play. This product is designed with safety in mind, featuring a splinter-free surface and rounded edges. It is compliant with ASTM and CPSIA safety standards.

- Ensure all parts are securely assembled before allowing children to play.
- Regularly inspect the table and accessories for any damage or loose parts.
- Keep small accessories away from children under 18 months to prevent choking hazards.
- Do not allow children to climb on the table.

## WHAT'S IN THE Box

Verify that all components are present before beginning assembly:

- 1 x Wooden Train Table
- 1 x Baseplate (3 pieces in one)
- 75 x Toy Pieces (including tracks, trains, cars, figures, buildings, etc.)
- 1 x Instruction Manual

## SETUP AND ASSEMBLY

Assembly of the HONEY JOY Train Table is required. Please follow the included instruction manual for detailed step-by-step guidance. Ensure all connections are tight for stability.

1. Unpack all components and verify against the 'What's in the Box' list.
2. Assemble the main table frame according to the provided diagrams.
3. Place the 3-piece baseplate onto the table frame.
4. The tabletop is reversible, offering a train platform on one side and a chalkboard on the other. Position it as desired. The anti-pinch cut-out handle facilitates easy removal and flipping of the tabletop.
5. Arrange the solid beech wood tracks and 75 toy pieces to create your desired play scene. The tracks are designed for tight connections.

## OPERATING INSTRUCTIONS

The HONEY JOY Train Table offers a 5-in-1 play experience:

- **Train Table:** Use the included tracks and trains to build various railway layouts on the designated surface.
- **Blackboard Table:** Flip the tabletop to reveal a chalkboard surface for drawing and creative expression.
- **Building Block Table:** Utilize the 3-piece building block baseplate for construction play (building blocks not included).
- **Storage Table:** The hidden compartment beneath the tabletop provides space for organizing toy pieces.
- **Sand Table:** The storage compartment can also be used for sand play (sand not included).

The 78 toy accessories, including figures, a heliport, traffic roads, bridges, residences, and a fishpond with a magnetic fishing rod, allow for diverse and imaginative play scenarios. Children can also arrange the tracks and accessories directly on the floor for expanded play areas.

## MAINTENANCE

- **Cleaning:** Wipe the table and accessories with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Utilize the built-in storage compartment to keep all toy pieces organized and prevent loss.
- **Inspection:** Periodically check all wooden parts for splinters or damage. Ensure all screws and fasteners remain tight.

**Figure 8:** This image highlights important design elements such as the smooth, rounded edges for safety, the convenient anti-pinch handle for easy tabletop removal, and the durable solid beech wood tracks with secure connections.

## TROUBLESHOOTING

- **Parts not fitting:** If you encounter difficulty fitting parts during assembly, double-check the instruction manual diagrams to ensure correct orientation. Do not force parts together.
- **Missing components:** If any parts are missing from the package, please refer to the 'Support' section to contact customer service for assistance.
- **Stability issues:** Ensure all screws and fasteners are tightened securely. If the table feels wobbly, re-check all connections.
