5. Operating Instructions

Flip Top Mirror Operation:

The vanity desk features a flip-top mirror for convenient use and discreet storage. The mirror is supported by a heavy-duty lid support hinge.

- To open the mirror, gently lift the front edge of the mirrored top. The hinge will support the mirror in an open position.
- The lid can be adjusted up to approximately 110° to provide an optimal viewing angle while seated.
- To close the mirror, gently lower the mirrored top until it rests flush with the desk surface. Ensure fingers are clear of the closing mechanism.

Drawer Usage:

The vanity desk includes two drawers for storage. Pull the knobs to open and push to close. Avoid forcing drawers if they feel stiff; ensure they are properly aligned.

6. Maintenance and Care

Proper care will extend the life and maintain the appearance of your Bonnlo vanity set.

- **Cleaning Mirrored Surfaces:** Wipe mirrored surfaces with a dry, soft, lint-free cloth. For smudges, use a glass cleaner specifically designed for mirrors and apply it to the cloth, not directly to the mirror.
- **Cleaning Frame and Stool:** Wipe the wood frame and stool with a dry cloth. Avoid harsh chemicals or abrasive cleaning materials.
- **Spills:** Immediately wipe up any spills to prevent damage to the finish.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
