## 3. SETUP GUIDE

### 3.1. Unboxing and Initial Inspection

Carefully remove all items from the packaging. Verify that all components listed in the "What's in the Box" section are present and undamaged.

### 3.2. Inserting the SIM Card

1. Locate the SIM tray on the side of the device.
2. Insert the SIM tray ejector tool into the small hole next to the tray.
3. Gently push until the tray pops out.
4. Place your Nano-SIM card(s) into the tray with the gold contacts facing down.
5. Carefully reinsert the tray into the phone.

### 3.3. Powering On and Initial Configuration

1. Press and hold the Power button until the OPPO logo appears.
2. Follow the on-screen instructions to select your language, connect to Wi-Fi, and set up your Google account.

3. Transfer data from an old device if prompted, or set up as a new device.
4. Complete the setup process to access the home screen.

## 4. OPERATING INSTRUCTIONS

---

### 4.1. Camera Features

The OPPO Reno14 5G is equipped with an advanced camera system for diverse photography needs.

- **Main Camera:** 50MP with Sony Sensor for high-resolution images.
- **Ultra Wide Camera:** 8MP for expansive landscape and group shots.
- **Telephoto Camera:** 50MP with 3.5x optical zoom and up to 120x Super Digital Zoom for detailed distant subjects.
- **Front Camera:** 50MP for clear selfies.

#### Key Camera Modes and Features:

- **4K HDR Video:** Record cinematic videos at 60fps.
- **AI Editor 2.0:** Includes AI Composition, Perfect Shot, Style Transfer, and Flash LivePhoto for creative enhancements.
- **Underwater Photography:** The device supports photography in underwater environments due to its water resistance.

## 5. MAINTENANCE AND DURABILITY

The OPPO Reno14 5G is designed for durability and features:

- **Construction:** Aerospace-Grade Aluminium Frame and One-Piece Sculpted Glass.
- **Water and Dust Resistance:** IP68 & IP69 ratings, providing protection against water immersion and dust ingress.

To maintain your device:

- Avoid exposing the phone to extreme temperatures.

- Clean the screen and body with a soft, lint-free cloth.
- Do not use abrasive cleaners or solvents.
- Ensure all ports are dry before charging if the device has been exposed to moisture.

## 6. TROUBLESHOOTING

If you encounter issues with your OPPO Reno14 5G, consider the following general troubleshooting steps:

- **Device Not Responding:** Press and hold the Power button for about 10-15 seconds to force a restart.
- **Battery Draining Quickly:** Check background app usage, reduce screen brightness, or disable unnecessary features like GPS or Bluetooth when not in use.
- **Network Connectivity Issues:** Toggle Airplane Mode on and off, restart the device, or check with your service provider.
- **App Crashes:** Clear the app's cache and data in Settings, or reinstall the app.
- **Overheating:** Close background applications, reduce heavy usage (e.g., gaming, video recording), and ensure the device is not in direct sunlight.

For persistent issues, refer to the official OPPO support website or contact customer service.

## 7. SPECIFICATIONS

Feature	Detail
Model Number	CPH2737
Operating System	Android 15
Product Dimensions	15.8 x 7.5 x 0.7 cm
Item Weight	187 g
Display Resolution	1256x2760 (FHD+)
Battery Capacity	6000 mAh
RAM Memory	12 GB

Feature	Detail
Connectivity	Bluetooth, USB, Wi-Fi, GPS

Manufacturer	OPPO
Country of Origin	India

## 8. WHAT'S IN THE BOX

The standard retail package for the OPPO Reno14 5G includes:

- OPPO Reno14 5G Smartphone
- Power Adapter
- USB Cable
- Phone Case
- SIM Tray Ejector

## 9. WARRANTY AND SUPPORT

Your OPPO Reno14 5G is covered by a manufacturer's warranty. For detailed warranty terms and conditions, please refer to the warranty card included in your product packaging or visit the official OPPO website. For technical support, service, or further inquiries, please contact OPPO customer service. Contact details can typically be found on the official OPPO website or within the device's settings under "About Phone" -> "Legal information".

You may also consider purchasing extended warranty or total protection plans offered by third-party providers for additional coverage.
