

OPPO CPH2737

OPPO Reno14 5G User Manual

Model: CPH2737

1. INTRODUCTION

Welcome to the user manual for your new OPPO Reno14 5G smartphone. This guide provides essential information on setting up, operating, maintaining, and troubleshooting your device. The OPPO Reno14 5G is designed to deliver a premium mobile experience with advanced camera capabilities, robust performance, and a durable design.

Figure 1.1: OPPO Reno14 5G in Pearl White

The OPPO Reno14 5G features a sleek design with advanced camera and performance specifications.

2. SETUP

2.1 Unboxing and Initial Inspection

Upon opening the package, ensure all components are present:

- OPPO Reno14 5G Smartphone
- Power Adapter
- USB Cable
- Phone Case
- SIM Tray Ejector

2.2 Inserting SIM Card(s)

1. Locate the SIM card tray on the side of the device.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press gently until the tray pops out.
3. Place your Nano-SIM card(s) into the designated slots on the tray. Ensure the gold contacts face downwards.
4. Carefully reinsert the SIM tray into the device until it clicks into place.

2.3 Initial Power On and Setup Wizard

1. Press and hold the Power button until the OPPO logo appears.
2. Follow the on-screen instructions to select your language, region, and connect to a Wi-Fi network.
3. Sign in with your Google account or create a new one to access Google services and the Play Store.
4. Set up screen lock (PIN, pattern, password, fingerprint, or face unlock) for security.
5. Transfer data from your old device if prompted, or set up as a new device.

3. OPERATING YOUR DEVICE

3.1 Camera Features

The OPPO Reno14 5G boasts a powerful camera system for exceptional photography and videography.

- **Main Camera:** 50MP IMX882 with flagship Sony Sensor.
- **Ultra Wide Camera:** 8MP for expansive shots.
- **Telephoto Camera:** 50MP with 3.5x Optical Zoom and up to 120x Super Digital Zoom.
- **Front Camera:** 50MP Ultra Clear Camera for high-quality selfies.

Video Capabilities: Shoot cinematic 4K HDR videos at 60fps using both the main and telephoto camera lenses.

AI Editor 2.0: Enhance your photos with features like AI Composition, Perfect Shot, Style Transfer, and Flash LivePhoto.

Figure 3.2: AI Telephoto Zoom Capability

Demonstration of the powerful 120x Super Digital Zoom, capturing distant details.

3.2 Display

Experience immersive visuals on the 6.59-inch 120Hz Smart Adaptive OLED flexible display. It features an ultra-thin screen bezel, FHD+ resolution, 93.4% screen-to-body ratio, 1.07 billion colors, and HDR10+ certification for vibrant and fluid viewing.

Figure 3.3: 120Hz Smart Adaptive Screen

Key specifications of the phone's display, highlighting its high refresh rate and color depth.

3.3 Performance

The OPPO Reno14 5G is powered by the MediaTek 8350 Chipset, ensuring lag-free performance even under heavy

loads. It features Dual-Engine Performance and an AI Nano Dual-Drive Cooling System for sustained power during intensive use.

The smart, AI-enhanced OS integrates seamlessly with Google Gemini for an intuitive experience. AI Call Translator provides real-time voice translation, breaking language barriers.

Visual representation of the powerful MediaTek 8350 chipset and its performance enhancements.

Figure 3.5: AI Nano Dual-Drive Cooling System

Illustration of the advanced cooling technology designed to maintain optimal device temperature.

3.4 Battery and Charging

The device is equipped with a massive 6000mAh 5-Year Durable Battery, providing extended usage. The 80W SUPERVOOC Flash Charge allows for rapid recharging, getting you back to full power in minutes.

Figure 3.6: Battery and Charging Capabilities

Information on the long-lasting battery and fast charging technology.

3.5 Connectivity

Stay connected with the OPPO SignalBoost X1 Chip, delivering stronger, more stable network performance. The device supports Bluetooth, Wi-Fi, and USB connectivity.

4. MAINTENANCE

4.1 Durability and Protection

The OPPO Reno14 Series features an Aerospace-Grade Aluminium Frame and One-Piece Sculpted Glass. It boasts IP68 & IP69 Water and Dust Resistance, making it weather-proof and worry-proof for various environments.

Figure 4.1: IP68 & IP69 Water and Dust Resistance

The phone's robust design ensures protection against water and dust ingress.

Figure 4.2: Underwater Photography Feature

The device is capable of capturing images underwater, showcasing its water resistance.

4.2 General Care Tips

- Clean the screen and body regularly with a soft, lint-free cloth.
- Avoid exposing the device to extreme temperatures or direct sunlight for prolonged periods.
- Use only original or certified accessories for charging and connectivity.
- Keep the device away from strong magnetic fields.

5. TROUBLESHOOTING

If you encounter issues with your OPPO Reno14 5G, try the following common troubleshooting steps:

- **Restart the Device:** A simple restart can resolve many minor software glitches.
- **Check Connections:** Ensure Wi-Fi, Bluetooth, and mobile data are enabled and configured correctly.
- **Software Updates:** Check for and install any available system updates via Settings > About device > Software update.
- **Battery Drain:** If experiencing unusual battery drain, check app usage in Settings > Battery. Close background apps or restrict their activity.
- **Heating Issues:** While the device has an advanced cooling system, prolonged heavy usage (e.g., gaming, 4K video recording) can cause warmth. If heating is excessive, reduce usage or close demanding applications.
- **Bloatware:** Some pre-installed applications (bloatware) can be disabled or uninstalled from Settings > Apps.
- **Factory Reset:** As a last resort, if software issues persist, you may perform a factory reset (Settings > System settings > Back up and reset > Reset phone). **Note: This will erase all data on your device. Back up important data before proceeding.**

6. SPECIFICATIONS

Feature	Specification
Model Number	CPH2737
Operating System	Android 15
Product Dimensions	15.8 x 7.5 x 0.7 cm
Item Weight	187 g
RAM Memory	8 GB
Storage Capacity	256 GB
Screen Size	6.59 Inches
Resolution	1256x2760
Battery Power Rating	6000 mAh
Connectivity Technologies	Bluetooth, Wi-Fi, USB
Special Features	Fast Charging Support, Water Resistant
Colour	Pearl White

7. WARRANTY AND SUPPORT

7.1 Manufacturer Information

Manufacturer: OPPO Mobiles India Pvt Ltd
Address: 5th FLOOR, Tower B, BUILDING, N-8, DLF Cyber City, DLF Phase 2, Gurugram, Haryana 122002
