SETUP

1. **Unpack the DVD:** Carefully remove the DVD disc from its packaging. Inspect the disc for any visible

damage or scratches.

2. **Prepare Your DVD Player:** Ensure your DVD player is connected to your television or display device and powered on. Select the correct input source on your television.
3. **Insert the Disc:** Open the disc tray of your DVD player. Hold the DVD by its edges to avoid touching the playing surface. Place the disc gently into the tray with the label side facing up. Close the disc tray.
4. **Automatic Playback:** Most DVD players will automatically begin playing the disc or display the main menu once inserted.

OPERATING INSTRUCTIONS

1. **Main Menu Navigation:** Use the arrow keys on your DVD player remote control to navigate through the options on the main menu. Press the 'Enter' or 'OK' button to select an option.
2. **Play Movie:** Select 'Play Movie' or 'Start Film' to begin watching the main feature.
3. **Scene Selection:** If available, select 'Scene Selection' or 'Chapters' to jump to specific parts of the film.
4. **Special Features:** This Director's Cut DVD includes special features. Navigate to the 'Special Features' menu to access bonus content such as behind-the-scenes footage, interviews, or deleted scenes.
5. **Audio and Subtitle Options:** Use the 'Audio' or 'Subtitle' buttons on your remote, or select these options from the DVD menu, to change language tracks or enable/disable subtitles.
6. **Playback Controls:** Use standard remote controls for Play, Pause, Stop, Fast Forward, and Rewind functions.

MAINTENANCE

- **Cleaning the Disc:** If the disc becomes dirty or smudged, gently wipe it with a soft, lint-free cloth. Wipe from the center of the disc outwards in a straight line. Do not use abrasive cleaners or circular motions, as this can cause scratches.
- **Proper Storage:** Always store the DVD in its original case when not in use. Keep discs away from direct sunlight, extreme temperatures, and high humidity.
- **Handling:** Handle the disc by its edges or the center hole. Avoid touching the playing surface to prevent fingerprints and scratches.

TROUBLESHOOTING

Disc Not Playing / No Disc Error:

Ensure the disc is inserted correctly with the label side up. Check if the disc is clean and free of scratches. Try playing another DVD to confirm the player is functioning correctly.

Skipping or Freezing Playback:

Clean the disc thoroughly as described in the Maintenance section. Minor scratches can sometimes cause skipping. Ensure your DVD player's lens is clean (refer to your DVD player's manual for cleaning instructions).

No Audio or Video:

Verify that your DVD player is properly connected to your TV or audio system. Check all cables (HDMI, RCA, etc.) are securely plugged in. Ensure the correct input source is selected on your television.

Cannot Access Special Features:

Ensure you are navigating the DVD menu correctly. Some players may require specific button presses to

access sub-menus. Refer to your DVD player's remote control guide.
