## 4. SETUP AND ASSEMBLY

This Merax TV Stand Set requires assembly. It is recommended to have at least two people for assembly due to the size and weight of the components. Ensure all parts are present before beginning assembly. Common household tools such as a Phillips head screwdriver and a hammer may be required.

### 4.1. Before You Begin

- Unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratching.

- Verify all parts and hardware against the included parts list. If any parts are missing or damaged, contact customer support immediately.
- Read through the entire instruction manual before starting assembly.

## 4.2. Assembly Steps (General Guidelines)

1. Assemble the base TV console unit first, ensuring all connections are secure.
2. Attach the side pier units to the main console, following the designated connection points.
3. Assemble the overhead bridge structure.
4. Carefully position and secure the overhead bridge onto the side pier units or directly to the wall, depending on your desired height and configuration. Utilize the adjustable height feature as needed.
5. Install all shelves, drawers, and doors. Ensure hinges and drawer slides operate smoothly.
6. Attach the anti-tip safety brackets to the wall and the unit as per the included instructions. This step is crucial for stability and safety, especially in households with children or pets.

## Eye-catching

This large TV stand set features clean and modern lines that create an elegant and contemporary aesthetic.

The addition of black handles and vertical stripe design on the door panels add a refined feeling,

For detailed, step-by-step assembly instructions, refer to the separate assembly guide included in your product packaging.

## 5. OPERATING AND USAGE

---

Once assembled, the Merax Modern TV Stand Set is ready for use as a central entertainment hub and storage solution.

### 5.1. Placing Your Television

- Place your television centrally on the main console unit. Ensure the TV base is fully supported and does not overhang the edges.
- The adjustable overhead bridge allows you to position it at a height that complements your TV size and viewing preference.
- Ensure all cables are managed safely and do not pose a tripping hazard.

### 5.2. Utilizing Storage and Display

- Use the various compartments, drawers, and shelves to organize media devices, books, decorative items, and other belongings.
- The adjustable shelves can be repositioned to accommodate items of different heights.
- Distribute weight evenly across shelves and within cabinets to maintain stability. Avoid placing excessively heavy items on upper shelves.

## 6. MAINTENANCE

---

Proper care and maintenance will ensure the longevity and appearance of your Merax TV Stand Set.

### 6.1. Cleaning

- Wipe surfaces regularly with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- Immediately wipe up any spills to prevent moisture damage to the engineered wood.

### 6.2. General Care

- Keep the unit away from direct sunlight and extreme temperature changes to prevent warping or fading.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- Do not drag the unit when moving it; always lift it to prevent damage to the legs or structure.

## 7. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your TV stand set.

Problem	Possible Cause	Solution
Unit feels wobbly or unstable.	Loose fasteners; uneven floor; anti-tip brackets not installed or secured.	Ensure all screws and bolts are tightened. Check if the unit is on a level surface; use shims if necessary. Verify anti-tip brackets are correctly installed and anchored to the wall.

Problem	Possible Cause	Solution
Drawers or doors do not close smoothly.	Misaligned hinges or drawer slides; obstruction.	Adjust hinges or drawer slides as per assembly instructions. Check for any items obstructing the movement.
Surface scratches or minor damage.	Accidental impact or abrasion.	For minor scratches, a furniture repair marker or touch-up paint matching the white finish may be used. For significant damage, contact customer support.

If you encounter issues not listed here or require further assistance, please contact Merax customer support.
