Iluvygoez SHEYIN X13

Iluvygoez Bone Conduction Headphones SHEYIN X13 User Manual

Model: SHEYIN X13 | Brand: Iluvygoez

INTRODUCTION

The Iluvygoez SHEYIN X13 Bone Conduction Headphones offer an open-ear listening experience, allowing you to enjoy audio while remaining aware of your surroundings. Utilizing advanced bone conduction technology, sound is transmitted directly through your cheekbones, bypassing the eardrums. This design is ideal for outdoor activities, sports, and situations where situational awareness is crucial. These headphones feature Bluetooth 5.3 for stable connectivity, magnetic charging for convenience, and an IPX5 waterproof rating for durability in various conditions.

WHAT'S IN THE BOX

Upon opening your package, you should find the following items:

- Bone Conduction Headphones (SHEYIN X13)
- Charging Cable
- User Manual
- Earplugs (for use in environments where external sound blocking is desired)

PRODUCT FEATURES

- **Open-Ear Design:** Allows awareness of surroundings for enhanced safety during outdoor activities.
- **Bluetooth 5.3 Connectivity:** Provides seamless, fast pairing and stable connection up to 33 feet.
- **Integrated Microphone:** For hands-free calls and voice assistant activation.
- **Magnetic Charging:** Convenient and secure charging mechanism.
- **Long Battery Life:** Up to 10 hours of continuous playtime on a single charge.
- **IPX5 Water Resistance:** Protected against sweat and light rain, suitable for various sports and weather conditions.
- **High Sound Quality:** Delivers clear and rich audio with minimal distortion.
- **Lightweight & Ergonomic:** Designed for comfortable, secure fit during extended wear and intense activities.

SETUP

1. Charging the Headphones

Before first use, fully charge your headphones. Connect the magnetic charging cable to the charging port on the headphones and plug the USB end into a compatible USB power source (e.g., computer, wall adapter). The LED indicator will show charging status. A full charge takes approximately 2 hours and provides up to 10 hours of playtime.

Image: Close-up of the magnetic charging connection.

2. Pairing with a Bluetooth Device

1. Ensure the headphones are turned off.
2. Press and hold the Power button for approximately 3-5 seconds until the LED indicator flashes red and blue, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "SHEYIN X13" (or similar name) from the list of devices.
5. Once connected, the LED indicator will turn solid blue or flash blue slowly.

The headphones will automatically attempt to reconnect to the last paired device when powered on.

OPERATING INSTRUCTIONS

The SHEYIN X13 headphones feature intuitive button controls located on the right earpiece.

Image: Detailed diagram of the control buttons and their functions.

Button/Action	Function
Power On/Off: Hold for 3 seconds	Powers the headphones on or off.
Play/Pause: Press once	Plays or pauses audio playback.
Answer/End Call: Press once	Answers an incoming call or ends an active call.
Reject Call: Hold for 1 second	Rejects an incoming call.
Volume Up (+): Press once	Increases the volume.
Volume Down (-): Press once	Decreases the volume.
Next Track: Hold (+) for 1 second	Skips to the next audio track.
Previous Track: Hold (-) for 1 second	Goes back to the previous audio track.
Activate Voice Assistant (Siri/Google Assistant): Double-click Power button	Activates your device's voice assistant.

MAINTENANCE

- **Cleaning:** Wipe the headphones with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The headphones are IPX5 water-resistant, meaning they can withstand sweat and light splashes. Do not submerge them in water or expose them to heavy rain for extended periods. Ensure the charging port is dry before charging.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly,

even if not in use for a long time.

TROUBLESHOOTING

Problem	Solution
Cannot power on	Ensure the headphones are charged. Connect to the charging cable and allow it to charge for at least 10 minutes before attempting to power on again.
Cannot pair with device	- Ensure the headphones are in pairing mode (LED flashing red and blue). - Turn off and on your device's Bluetooth. - Move the headphones closer to your device. - Clear previous Bluetooth connections on your device and try pairing again.
No sound or low volume	- Adjust the volume on both the headphones and your connected device. - Ensure the headphones are correctly positioned on your cheekbones. - Check if the headphones are properly paired. - If using earplugs, ensure they are inserted correctly.
Call quality issues (muffled mic)	- Ensure the microphone is not obstructed. - Move to a quieter environment if possible. - Ensure a stable Bluetooth connection.
