PRODUCT OVERVIEW

The COLAMY Wooden Dining Chairs are designed for comfort and durability, featuring a modern aesthetic suitable for various home and business environments. Each chair is constructed with quality materials to ensure a stable and comfortable seating experience.

Key Features:

- **Modern Upholstered Design:** Stylish beige fabric upholstery complements diverse decor styles.
- **Ergonomic Backrest:** Designed to provide support and promote good posture, reducing discomfort during extended use.
- **Durable Construction:** Features a sturdy rubberwood frame and legs for long-lasting stability.
- **High-Density Cushioning:** Seat and backrest are filled with high-density foam and sponge for enhanced comfort.
- **Space-Saving Design:** Chairs can be easily pushed under most dining tables to optimize space.

- **Weight Capacity:** Each chair supports a maximum weight of 250 lbs.

SETUP AND ASSEMBLY

Assembly of your COLAMY dining chairs is required. The process is designed to be straightforward, typically taking less than 15 minutes per chair. All necessary hardware and tools are included in the package.

Included Components:

- Dining chair bodies (upholstered seat and backrest)
- Chair legs
- Hardware pack (screws, washers, Allen wrench)
- User manual

Important Notes on Delivery:

Your set of 6 dining chairs will be shipped in 3 separate packages. These packages may arrive on different days. Please

allow up to 7 business days for all packages to be delivered.

Assembly Steps:

1. Unpack all components and verify against the included parts list.
2. Attach the chair legs to the chair body using the provided hardware. Ensure all screws are aligned correctly before tightening.
3. Gradually tighten all screws using the Allen wrench. Avoid over-tightening initially to allow for minor adjustments.
4. Once all legs are attached, place the chair upright and gently press down to ensure even contact with the floor.
5. Fully tighten all screws to secure the chair structure.
6. Repeat for all chairs.

USAGE GUIDELINES

These dining chairs are designed for indoor use in various settings such as dining rooms, kitchens, living rooms, and study rooms. They are suitable for adults.

- Ensure the chair is placed on a stable, flat surface before use.
- Do not exceed the maximum weight capacity of 250 lbs per chair.
- Avoid standing on the chairs or using them as step stools.
- Periodically check all connections and tighten screws as needed to maintain stability.

MAINTENANCE

Proper care will extend the life and appearance of your COLAMY dining chairs.

- **Cleaning Fabric Upholstery:** Spot clean only. Use a mild fabric cleaner or a damp cloth with a small amount of gentle soap. Blot the stain, do not rub. Allow to air dry completely.
- **Cleaning Wooden Frame:** Wipe the wooden parts with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Use the anti-slip protectors on the chair legs to prevent scratches on hard floors.
- **Regular Inspection:** Periodically inspect all screws and connections. Tighten any loose hardware to ensure the chair remains stable and safe.

TROUBLESHOOTING

Chair Wobbles After Assembly:

If a chair wobbles after assembly, it is usually due to uneven tightening of screws or an uneven floor surface.

- **Check Screw Tightness:** Loosen all screws slightly, then place the chair on a flat surface and apply gentle downward pressure to all corners to ensure all legs are evenly seated. While maintaining pressure, gradually tighten all screws evenly.
- **Floor Level:** Ensure the floor surface is level. If the floor is uneven, the anti-slip protectors on the chair legs may offer some minor adjustment.

Difficulty During Assembly:

If you encounter difficulty aligning parts or inserting screws:

- **Re-align Parts:** Ensure all components are oriented correctly according to the assembly diagrams. Sometimes, rotating a part 180 degrees can resolve alignment issues.
- **Do Not Force:** Avoid forcing screws or parts, as this can damage the threads or wood. If a screw does not go in smoothly, remove it, check for obstructions, and try again.

SPECIFICATIONS

Attribute	Detail
Brand	COLAMY
Model Name	XW-6870-1
Item Model Number	VC-D6270-BE-3B
Color	Beige
Size	Set of 6
