## 5. OPERATING INSTRUCTIONS (LED LIGHT)

The HiWEEGO Flowers Bouquet includes an LED light string to enhance its display. Integrate the LED string into your assembled bouquet as desired. The lights are typically powered by a small battery pack (not included or specified, refer to packaging for details) and operated via a switch on the pack.

- Carefully weave the LED light string around the flowers and stems.
- Position the battery pack discreetly, ensuring easy access for turning the lights on/off.
- Replace batteries as needed to maintain light brightness.

## 6. MAINTENANCE

To keep your HiWEEGO Flowers Bouquet looking its best:

- **Cleaning:** Gently wipe the plastic pieces with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.

## 7. TROUBLESHOOTING

### 7.1 Loose Connections

If flower buds or leaves feel loose after assembly:

- Ensure the pieces are fully pressed together until a secure fit is achieved.
- Check the instruction manual for specific connection points for the affected parts.

## 7.2 LED Lights Not Working

- Verify that batteries are correctly installed and not depleted.
- Check the power switch on the battery pack to ensure it is in the 'ON' position.
- Inspect the wiring for any visible damage or disconnections.
