3. PRODUCT OVERVIEW

The BUGANI Over Ear Headphones are designed for comfort and high-fidelity audio. Key features include:

- **Plush Memory-Protein Foam Cushions:** Ensures comfort during extended wear.
- **Adjustable Headband:** Provides a pressure-free fit for various head sizes.
- **Foldable Hinges:** Allows for compact storage and easy portability.
- **Integrated Microphone:** For clear hands-free calls and virtual meetings.
- **Multifunction Button:** Used for power, pairing, and call control.
- **USB-C Port:** For charging the headphones.
- **3.5mm Audio Jack:** For wired listening when battery is low or preferred.

· Breathable Open-Ear Structure

· Cooling Ice-Silk Ear Cushions

· Lightweight Build

All the Comfort All the Sound — No Compromises

The First Over-Ear Headphones You'll Never Want to Remove

Engineered to fully wrap around your ears without sealing the ear canal — allowing for natural airflow and easy conversation, even while you're wearing them.

4. SETUP

4.1 Charging the Headphones

Before first use, fully charge your headphones. A single 2.5-hour USB-C fast charge provides up to 22 hours of continuous playback.

1. Connect the USB-C charging cable to the charging port on the headphones.
2. Connect the other end of the cable to a compatible USB power source (e.g., wall adapter, computer USB port).
3. The LED indicator will show charging status and turn off or change color when fully charged.

4.2 Bluetooth Pairing

Pair your headphones with your device (smartphone, tablet, laptop) for wireless audio.

1. Ensure the headphones are powered off.

2. Press and hold the multifunction button for 2 seconds until the LED indicator flashes, indicating pairing mode.

3. On your device, enable Bluetooth and search for available devices.

4. Select "BUGANI Headphones" (or similar name) from the list.

5. Once connected, the LED indicator will stop flashing or show a steady light. You can now enjoy a stable Class 2 Bluetooth connection up to 33 feet.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Press and hold the multifunction button until the LED indicator lights up.
- **Power Off:** Press and hold the multifunction button until the LED indicator turns off.

5.2 Audio Playback

Experience immersive, balanced audio with crisp highs and rich bass thanks to custom-tuned 40mm dynamic drivers and dual-frequency acoustic design.

- **Play/Pause:** Press the multifunction button once.
- **Next Track:** Double-press the multifunction button.
- **Previous Track:** Triple-press the multifunction button.
- **Volume Control:** Use the volume buttons on the headphones or your connected device.
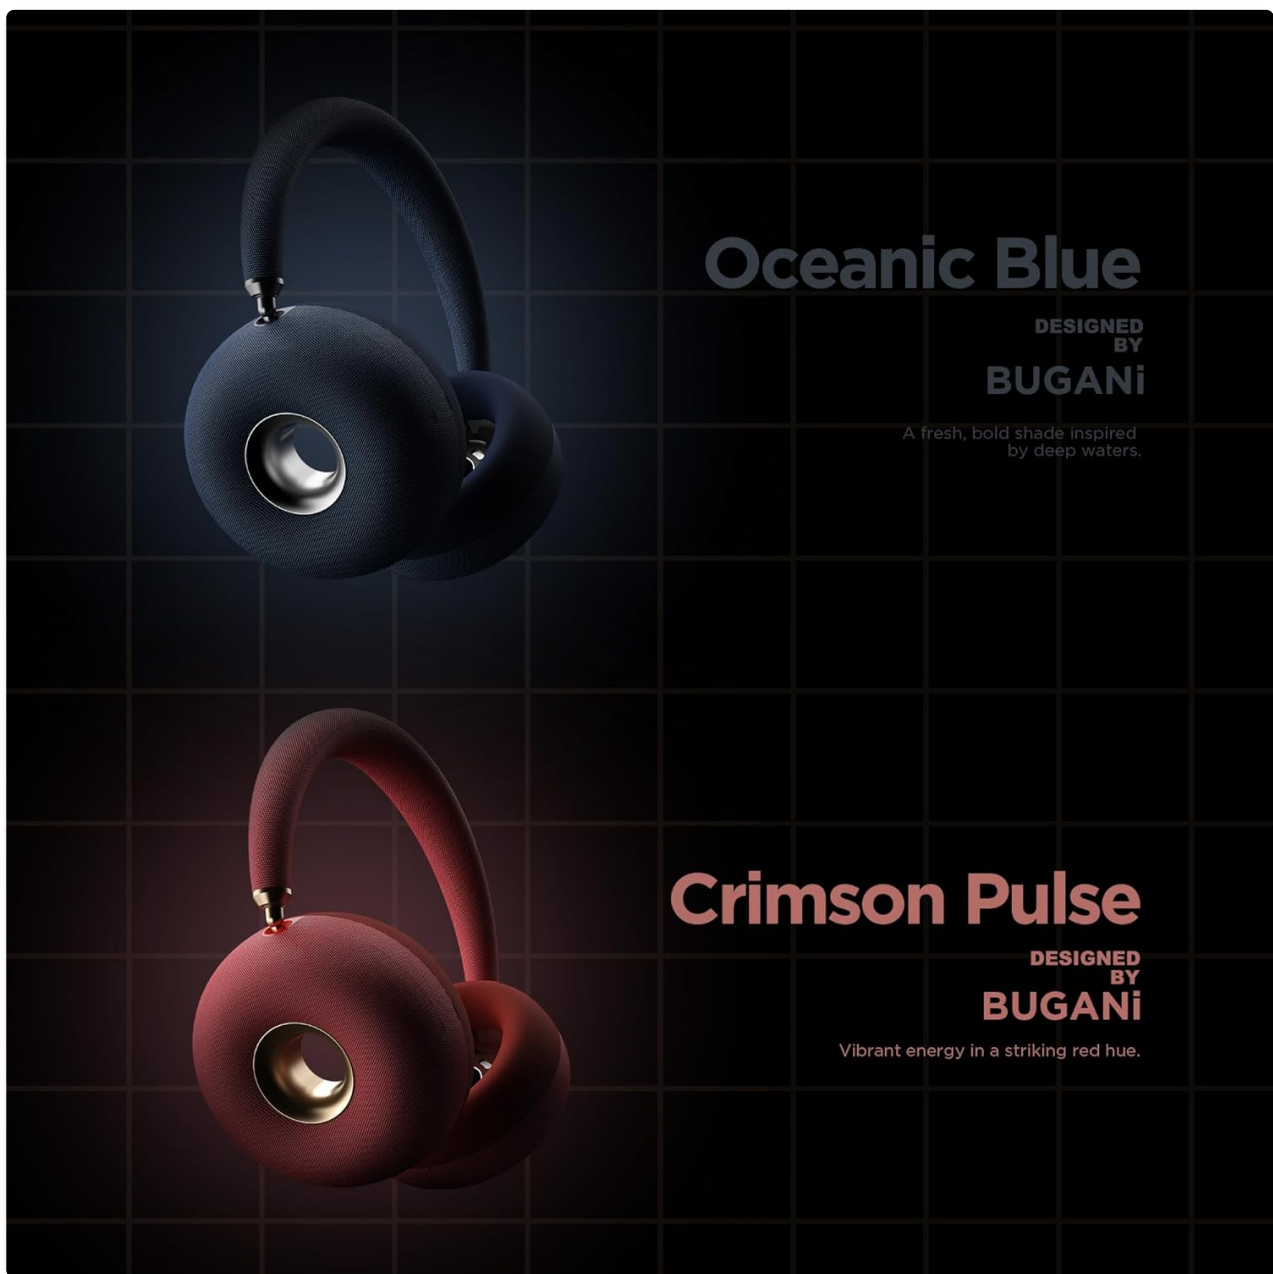

Figure 5.1: Illustration of the Dual-Driver Frequency Design, featuring 28x9mm tweeter and 50mm woofer for comprehensive sound.

5.3 Call Management

The integrated microphone ensures clear voice capture for hands-free calls.

- **Answer/End Call:** Press the multifunction button once.
- **Reject Call:** Press and hold the multifunction button for 2 seconds.

5.4 Wired Listening

If the battery is low or you prefer a wired connection, use the included 3.5mm audio cable.

1. Plug one end of the 3.5mm audio cable into the headphone's audio jack.
2. Plug the other end into your audio device's 3.5mm port.
3. The headphones will automatically switch to wired mode.

6. MAINTENANCE

To ensure the longevity and optimal performance of your BUGANI headphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the earcups and headband. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headphones in their carrying case when not in use to protect them from dust and physical damage.
- **Temperature:** Avoid exposing the headphones to extreme temperatures (hot or cold) or high humidity.
- **Charging:** Do not overcharge the battery. Disconnect the charger once the headphones are fully charged.

7. TROUBLESHOOTING

If you encounter any issues with your headphones, please refer to the following common solutions:

- **Headphones not turning on:** Ensure the headphones are fully charged.
- **Cannot pair with device:**
  - Make sure the headphones are in pairing mode (flashing LED).
  - Ensure Bluetooth is enabled on your device and it's within 33 feet of the headphones.
  - Try forgetting the device in your phone's Bluetooth settings and re-pairing.
- **No sound:**
  - Check the volume levels on both the headphones and your connected device.
  - Ensure the headphones are properly connected via Bluetooth or the 3.5mm cable.
  - Try restarting both the headphones and your device.
- **Poor sound quality:**
  - Ensure there are no obstructions between the headphones and your device that could interfere with the Bluetooth signal.
  - Check if the audio source quality is high.

If the issue persists, please contact customer support.
