# AMADA HOMEFURNISHING Full Adjustable Bed Frame with Massage and Wireless Remote User Manual

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your AMADA HOMEFURNISHING Full Adjustable Bed Frame. Please read this manual thoroughly before installation and use to ensure proper function and safety. Keep this manual for future reference.

## 2. SAFETY INFORMATION

---

Always adhere to the following safety guidelines:

- Do not exceed the maximum weight limit of 750 pounds (340 kg) on the bed frame.
- Use only appropriate mattress types: latex, hybrid, gel, or memory foam. Innerspring mattresses may not be compatible with adjustable bases.
- Keep the under-bed night light away from flammable materials. Ensure it is properly secured to prevent entrapment risks.
- Supervise children when they are near or using the bed frame. Keep children and pets away from moving parts.
- Ensure all power cords are routed safely to prevent tripping hazards or damage.
- Do not attempt to open or service the motor or other electrical components. Contact qualified personnel for repairs.

## 4. SETUP AND ASSEMBLY

Assembly of the bed frame is required. Follow the steps outlined in the dedicated installation manual provided with your product. Key steps typically include:

1. Unpack all components and ensure no parts are missing or damaged.
2. Carefully unfold the bed base.
3. Attach the legs. The frame offers 4 leg height options: 8 inches, 10 inches, 11 inches, and 13 inches. Choose the desired height before securing.
4. Install the mattress retainer bar at the foot of the bed.
5. Connect the power supply and remote control receiver.
6. Place your compatible mattress on the frame.

- **Head Incline:** Use the head up/down buttons to adjust the headrest angle up to 65 degrees.
- **Foot Incline:** Use the foot up/down buttons to adjust the footrest angle up to 45 degrees.
- **Zero Gravity (ZG):** Press the ZG button for a preset position that elevates your head and feet, designed to relieve pressure on your back.
- **TV Position:** Press the TV button for a comfortable viewing angle.
- **Anti-Snore Position:** Press the Anti-Snore button for a slight head elevation to help reduce snoring.
- **Memory Presets (M1, M2):** Program and save your favorite positions for quick access.
- **Massage:** Activate the massage function with adjustable intensity and modes.
- **Timer:** Set a timer for the massage function.
- **Under-Bed Night Light:** Activate the night light for gentle illumination when getting in or out of bed.

## 5.2 USB Charging Ports

The bed frame is equipped with four USB ports (two USB-A and two USB-C) located on each side of the base for convenient charging of your devices.

## 6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your adjustable bed frame.

- **Cleaning:** Wipe the frame with a damp cloth. Avoid harsh chemicals or abrasive cleaners.

- **Inspections:** Periodically check all bolts and connections to ensure they are secure.
- **Cables:** Ensure power cords and remote control cables are not pinched or damaged.
- **Motors:** The motors are designed to be maintenance-free. Do not lubricate or attempt to open them.

## 7. TROUBLESHOOTING

---

If you encounter issues with your adjustable bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed does not operate	No power, loose connection, remote battery low	Check power outlet, ensure all cables are securely connected, replace remote batteries.
Remote not pairing	Pairing sequence not followed	Refer to the installation manual for remote pairing instructions.
Unusual noise during operation	Loose bolts, obstruction under bed	Check and tighten all bolts. Ensure no objects are obstructing the moving parts.
Massage function not working	Power issue, motor malfunction	Check power connections. If problem persists, contact customer support.

If these steps do not resolve the issue, please contact AMADA HOMEFURNISHING customer support.
