wanan King Size Headboard Instruction Manual

Model: 9100 (W910011)

Thank you for choosing the wanan King Size Headboard. This manual provides essential information for assembly, operation, and maintenance.

1. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the headboard. Failure to follow these instructions may result in injury or product damage.

- Always unplug the headboard from the power source when not in use or before cleaning.
- Do not place heavy objects on the headboard that could cause it to tip over.
- Keep the headboard away from water and direct heat sources.
- Do not attempt to repair or modify the electrical components (outlets, USB ports, LED lights) yourself. Contact qualified personnel for service.
- Always follow the assembly instructions carefully to prevent injury and ensure stability.
- Keep the headboard away from children and pets when it is not in use or during assembly.

2. PRODUCT DIMENSIONS

Refer to the diagram below for the overall dimensions of the wanan King Size Headboard.

Figure 1: King Size Headboard Dimensions. Overall dimensions are approximately 75.9 inches (width) x 43.3 inches (height) x 5.9 inches (depth).

3. SETUP AND ASSEMBLY

The wanan King Size Headboard is designed for straightforward assembly. Please ensure all parts are present before beginning. An installation tool is included.

3.1 Unpacking and Part Identification

1. Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Verify that all numbered parts listed in the instruction manual are present. If any parts are missing or damaged, contact customer support.

3.2 Assembly Steps

Follow the detailed, numbered instructions provided in the separate assembly guide included with your product. Key steps typically involve:

- Assembling the main frame structure.
- Attaching the storage shelves and sliding barn doors.
- Installing the electrical components (outlets, USB ports, LED light strip).
- Connecting the headboard to your bed frame using the provided bed frame adapters.

Figure 3: Bed frame connector detail. Use the provided adapters to securely attach the headboard to your bed frame.

4. OPERATING INSTRUCTIONS

This headboard features integrated power outlets, USB ports, and an LED light strip for enhanced convenience and ambiance.

4.1 Power Outlets and USB Ports

- Locate the 2 standard outlets and 2 USB ports built into the headboard.
- Plug the headboard's main power cord into a wall outlet.
- Connect your devices (phones, tablets, smartwatches, lamps, etc.) to the available outlets or USB ports for convenient charging.

Figure 4: Integrated charging station with outlets and USB ports.

4.2 LED Light Strip Operation

The LED light strip offers a wide range of colors and dynamic modes to customize your bedroom's atmosphere.

- Use the included remote control to power on/off the LED lights.
- Select from over 1600 colors and 29 dynamic modes to suit your preference.
- Adjust brightness and speed of dynamic modes using the remote.

Figure 6: Examples of adjustable light modes and colors.

4.3 Storage Features

The headboard includes 3 tiers of storage space and sliding barn doors for organizing personal belongings.

- Utilize the open shelves for displaying decorative items, books, or frequently used items.
- Slide the barn doors to conceal items on the shelves, maintaining a tidy appearance.
- The shelves are adjustable, allowing customization of storage height.

5. MAINTENANCE

Proper care will extend the life and appearance of your headboard.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the headboard and shelves with a dry, soft cloth.
- **Electrical Components:** Ensure all electrical connections are secure. Do not expose outlets, USB ports, or LED lights to moisture.
- **Structural Integrity:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.

6. TROUBLESHOOTING

If you encounter issues with your headboard, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Headboard is wobbly or unstable.	Loose fasteners; improper connection to bed frame.	Ensure all assembly screws are tightened. Verify the headboard is securely attached to the bed frame using the provided adapters.
Outlets/USB ports are not working.	Headboard not plugged in; power outage; faulty device.	Check if the headboard's main power cord is securely plugged into a functional wall outlet. Test with a different device.
LED lights are not turning on or changing colors.	Remote control battery low/dead; LED strip connection loose; power issue.	Replace the remote control battery. Check the connection of the LED strip to the power source. Ensure the headboard is receiving power.
Difficulty during assembly.	Missing parts; unclear instructions; misaligned holes.	Double-check the parts list against the assembly guide. Ensure parts are oriented correctly. If holes are misaligned, contact customer support. Do not force parts together.
Headboard does not fit bed frame.	Incorrect size ordered; incompatible bed frame.	Verify the headboard size (King) matches your bed frame. Ensure the bed frame adapters are correctly installed and compatible.

If the problem persists after attempting these solutions, please contact wanan customer support.
