Lonvgrt Nano Hydroxyapatite Toothpaste (2-pack) Instruction Manual

Model: Lonvgrt | Brand: Lonvgrt

1. INTRODUCTION

The Lonvgrt Nano Hydroxyapatite Toothpaste is formulated for advanced enamel protection and daily oral care. This fluoride-free toothpaste utilizes nano-hydroxyapatite, a naturally occurring mineral, to help restore and strengthen tooth enamel, promoting overall dental health and a fresh feeling.

2. KEY FEATURES AND BENEFITS

- **Hydroxyapatite Enriched Formula:** Contains natural hydroxyapatite to effectively restore and strengthen tooth enamel, protecting against daily wear.
- **Advanced Enamel Protection:** Repairs and protects tooth enamel, reducing the risk of cavities and erosion for long-term oral health.
- **Gentle for Sensitive Teeth:** Offers gentle yet effective cleaning, suitable for sensitive teeth without discomfort or irritation.
- **Fluoride-Free and Safe:** Provides advanced enamel protection without harsh chemicals, ensuring safe and effective oral care.
- **Essential for Daily Oral Care:** Designed for daily use to maintain good oral health, preserving teeth health and providing a fresh feeling with regular brushing.

PRODUCT EFFICACY

BEFORE

AFTER

3. SETUP AND PREPARATION

Before using the toothpaste, ensure your toothbrush is clean and ready for use. No special preparation is required for the toothpaste itself.

4. OPERATING INSTRUCTIONS

Follow these steps for effective use of Lonvgrt Nano Hydroxyapatite Toothpaste:

1. **Step 1: Apply Toothpaste.** Take an appropriate amount of toothpaste and apply it onto your toothbrush bristles.
2. **Step 2: Brush Teeth.** Brush your teeth thoroughly for 2 to 3 minutes, ensuring all surfaces are cleaned.
3. **Step 3: Rinse Mouth.** Rinse your mouth completely with water until all toothpaste residue is gone.

For best results, use the toothpaste once daily.

HOW TO USE

STEP 1

Take an appropriate amount of toothpaste on the toothbrush

STEP 2

Use the correct way to brush for 2-3 minutes

STEP 3

Rinse your mouth with water

5. MAINTENANCE AND STORAGE

To maintain the quality and effectiveness of your toothpaste:

- Store the toothpaste at room temperature.
- Keep it away from direct sunlight and extreme temperatures.
- Ensure the cap is tightly closed after each use to prevent drying and contamination.

6. TROUBLESHOOTING

If you encounter any issues or concerns:

- **Irritation:** If you experience any unusual discomfort, irritation, or allergic reaction, discontinue use immediately.
- **Persistent Dental Concerns:** For persistent dental issues or if symptoms do not improve, consult a dental professional.

7. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- For external use only. Do not swallow the toothpaste.

- Keep out of reach of children.
- If irritation occurs, discontinue use and consult a dentist or medical professional.
