Pamo Babe 7-in-1 Magic Fold Playard Instruction Manual

Model: P9123B01

IMPORTANT SAFETY WARNINGS

WARNING: Failure to follow these warnings and the instructions could result in serious injury or death. Read all instructions before assembly and use of the playard. Keep instructions for future use.

- Always provide the supervision necessary for the continued safety of your child.
- To prevent falls, do not use this product when the infant begins to push up on hands and knees or has reached 20 lbs (9 kg), whichever comes first.
- Never leave child unattended.
- The playard is intended for children unable to climb out, less than 35 inches (89 cm) tall, and weighing less than 30 lbs (13.6 kg).
- Never use this product for children who can climb out of it.
- Never use a soft mattress, pillow, comforter, or padding in the playard.
- Strangulation Hazard: Strings can cause strangulation. Keep strings out of child's reach. Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a playard or attach strings to toys.
- Suffocation Hazard: Infants can suffocate in gaps between an extra pad and the side of the playard. Use only the mattress/pad provided by the manufacturer.

1. SETUP AND ASSEMBLY

1.1 Unfolding the Playard (Magic Fold Quick Setup)

The Pamo Babe 7-in-1 Playard features a Magic Fold™ stable frame for quick and secure unfolding. Ensure all four side rails are locked into place before lowering the center hub.

Image: The playard unfolds with a single upward pull on the central handle, demonstrating its quick setup feature.

1.2 Installing the Bassinet Insert

For newborns and smaller infants, the bassinet insert provides a raised sleeping surface. Secure the bassinet fabric to the top rails of the playard using the provided clips or zippers. Insert the support bars underneath the bassinet pad for stability.

1.3 Attaching the Diaper Changing Table

The waterproof changing table attaches securely to the top rails of the playard. Ensure all attachment points are firmly fastened before use. The changing table includes a hanging organizer for essentials.

2. OPERATING INSTRUCTIONS

2.1 Bassinet Mode (Newborn to 20 lbs)

The bassinet mode is suitable for infants who cannot push up on their hands and knees. This elevated position makes it easier to access your newborn for feeding and comforting.

2.2 Playard Mode (Up to 30 lbs or 35 inches tall)

Once your child can push up on hands and knees, or reaches the weight/height limit for the bassinet, remove the bassinet insert and use the playard at its lowest setting. The large zipper door allows older toddlers to crawl in and out independently.

2.3 Moving the Playard

The playard is equipped with 4 lockable wheels for smooth movement between rooms. Engage the wheel locks when the playard is stationary to ensure safety.

3. MAINTENANCE AND CARE

3.1 Cleaning Instructions

The waterproof changing table surface can be easily cleaned by wiping with a damp cloth. For other fabric components, spot clean with mild soap and warm water. Allow to air dry completely.

3.2 Storage

The playard folds compactly into the included carrying bag for effortless storage or travel. Ensure all accessories are detached and stored properly before folding the main unit.
