

## Paladone 14328

# Paladone PlayStation 12" Desk Headphone Stand with Light User Manual

Model: 14328

## 1. INTRODUCTION

---

The Paladone PlayStation 3-in-1 Charging and Tech Accessories Stand is designed to enhance your gaming setup or desk space. This versatile stand functions as a headset holder, console controller cradle, and phone stand, helping to maximize your desk area. It features an RGB LED light panel with multiple lighting modes and is equipped with two USB-C charging ports for convenient device power.

### Key Features:

- **3-in-1 Tech Stand:** Organizes your headphones, controller, and phone in one vertical unit.
- **Charging Station:** Includes two USB-C ports for charging compatible devices.
- **RGB Lighting:** Customizable light panel with three brightness settings, music reactive mode, color phasing, and color select modes, controlled by an included remote.
- **Officially Licensed:** Authentic PlayStation merchandise.

## 2. PACKAGE CONTENTS

---

Please ensure all items are present before setup:

- Paladone PlayStation 12" Desk Headphone Stand with Light
- Remote Control
- USB-C Cable (permanently attached)

Figure 1: Product packaging showing the stand, headphones, and phone.

### 3. SETUP

---

1. **Unpack:** Carefully remove the headphone stand and all accessories from the packaging.
2. **Placement:** Place the stand on a stable, flat surface on your desk or gaming area.
3. **Power Connection:** Connect the permanently attached USB-C cable from the stand to a compatible USB power source (e.g., computer USB port, USB wall adapter). The RGB lights will illuminate upon connection.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Using the Stand

- **Headphone Holder:** Place your gaming headset or headphones over the top arch of the stand. The design is suitable for various headphone sizes.
- **Controller Cradle:** The base of the stand features a dedicated cradle to securely hold your PlayStation controller.
- **Phone Stand:** A slot on the front of the base allows you to prop up your smartphone for easy viewing.

## 4.2 RGB Lighting Control

The RGB LED light panel can be controlled using the included remote. The remote allows you to:

- **Power On/Off:** Turn the lights on or off.
- **Brightness Adjustment:** Select from three brightness settings.
- **Color Select:** Choose a static color from a range of options.
- **Color Phasing:** Activate a mode where colors smoothly transition.
- **Music Reactive Mode:** The lights will respond to audio input, creating a dynamic visual effect.

### 4.3 USB-C Charging Ports

The stand is equipped with two USB-C charging ports. These ports can be used to charge your smartphone, controller, or other USB-C compatible devices. Simply connect your device's USB-C cable to one of the available ports on the stand.

## 5. MAINTENANCE

---

- **Cleaning:** Wipe the stand with a soft, dry cloth. Avoid using abrasive cleaners or solvents, as these may damage the finish or electronic components.
- **Storage:** When not in use for extended periods, disconnect the power cable and store the stand in a cool, dry place.

## 6. TROUBLESHOOTING

---

- **Lights Not Working:** Ensure the USB-C power cable is securely connected to both the stand and a

functioning power source. If using the remote, check its battery.

- **Charging Not Working:** Verify that the USB-C cable from the stand is connected to a power source. Ensure your device's charging cable is properly inserted into one of the stand's USB-C ports. Test with a different device or cable if necessary.
- **Remote Control Issues:** If the remote is unresponsive, check its battery. Ensure there are no obstructions between the remote and the stand's sensor.
