## 4. SETUP

1. **Players:** The game is designed for 2 to 6 players.
2. **Age:** Recommended for ages 7 and up.
3. **Deal Cards:** Shuffle the deck of Boat Cards and deal an equal number of cards to each player. Players keep their cards face down in a draw pile.
4. **Place Lifesaver Tokens:** Place the lifesaver tokens in the center of the playing area, easily accessible to all players.
5. **Start Grid:** Each player draws a starting hand of cards (number of cards not specified in JSON, but typically 3-5 for similar games, or the game starts with a central grid). Based on image PT02, it seems cards are played to form a central grid. The image PT03 shows a hand placing a card into a grid.

## 5. HOW TO PLAY (OPERATING)

Rema tu Cabra is a game of speed and observation. The objective is to be the first player to get rid of all your cards.

1. **Playing Cards:** Players take turns placing their Boat Cards onto the central grid. The goal is to create lines of three matching cards.
  - Three cards of the same color.
  - Three cards with the same type of boat (e.g., three rafts, three rowboats, three inner tubes, three surfboards).
2. **Spotting Matches:** As soon as you see a line of three matching cards (either by color or boat type) on the grid, immediately slap one of the lifesaver tokens in the center.

**¡SI VES UNA LÍNEA DE 3, APRESÚRATE Y  
TOMA EL SALVAVIDAS MÁS CERCANO!**

**SI ERES MUY LENTO, TERMINARÁS  
COLECCIONANDO CARTAS.**

- 3. Consequences of Failure:** If you are too slow to slap a lifesaver token after a match is made, or if you slap a token when no valid match exists, you will be penalized by having to collect additional cards. The manual states: "If you are too slow, you will end up collecting cards."
- 4. "Row My Goat!":** When you are down to your very last card, you must loudly exclaim "Row My Goat!" before playing it.
