## 1. INTRODUCTION

---

This manual provides essential information for the proper use and enjoyment of your *Harvey (75th Anniversary) 4K Ultra HD + Blu-ray + Digital* disc set. This classic film, starring James Stewart, is presented in a high-definition format for an enhanced viewing experience. The set includes both 4K Ultra HD and Blu-ray discs, along with a digital code for convenient access.

The film tells the story of Elwood P. Dowd, a good-natured man whose best friend is an invisible, six-foot-tall rabbit named Harvey. His sister, Veta Louise, attempts to commit him to a mental institution, leading to a series of humorous misunderstandings. This edition celebrates the film's 75th anniversary and marks its debut on 4K Ultra HD.

# A Timeless Classic Starring James Stewart

James Stewart gives one of his finest performances in *Harvey*, the lighthearted film based on the Pulitzer Prize-winning play. Stewart stars as the good-natured Elwood P. Dowd, whose constant companion is Harvey, a six-foot-tall rabbit that only he can see. To his sister, Veta Louise, Elwood's obsession with Harvey has been a thorn in the side of her plans to marry off her daughter. When Veta Louise finally decides to put Elwood in a mental hospital, a hilarious mix-up occurs, and she finds herself committed instead. It's up to Elwood to straighten out the mess with his kindly philosophy, and his "imaginary" friend, in this popular classic that features a Best Supporting Actress Academy Award®-winning performance by Josephine Hull.

## 3. SETUP

---

### 3.1 Disc Playback

1. **Unpack the Discs:** Carefully remove the 4K Ultra HD and Blu-ray discs from their case. Handle discs by the edges to avoid fingerprints on the playback surface.
2. **Insert into Player:**
  - For 4K Ultra HD playback, insert the 4K UHD disc into a compatible 4K Ultra HD Blu-ray player. Ensure your television or display also supports 4K resolution and HDR (High Dynamic Range) for the best viewing experience.
  - For Blu-ray playback, insert the Blu-ray disc into a standard Blu-ray player or a 4K Ultra HD Blu-ray player.
3. **Power On:** Turn on your player and display device. Select the correct input source on your television.
4. **Automatic Playback:** The disc should automatically load and display the main menu or begin playback.

### 3.2 Digital Code Redemption

1. **Locate Digital Code:** Find the digital code insert within your disc packaging.
2. **Visit Redemption Website:** Go to the website specified on the digital code insert (e.g., Movies Anywhere or Universal Pictures Home Entertainment's redemption portal).
3. **Enter Code:** Follow the on-screen instructions to enter your unique digital code.
4. **Access Film:** Once redeemed, the film will be added to your digital library, accessible via the Movies Anywhere app or linked digital retailers.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Basic Playback

- **Play:** From the main menu, select "Play Movie" or "Start Film."
- **Pause/Resume:** Press the "Pause" button on your remote control to temporarily stop playback. Press "Play" again to resume.
- **Fast Forward/Rewind:** Use the "FF" (Fast Forward) and "RW" (Rewind) buttons to navigate quickly through the film.
- **Chapter Skip:** Use the "Next Chapter" or "Previous Chapter" buttons to jump between predefined scenes.

### 4.2 Special Features and Settings

- **Accessing Bonus Features:** From the main menu, navigate to the "Bonus Features" or "Special Features" section to view additional content such as documentaries, interviews, or trailers.
- **Audio Options:** Select "Audio" or "Language" from the main menu or during playback to change the audio track (e.g., English DTS-HD Master Audio, Spanish, French).
- **Subtitle Options:** Select "Subtitles" or "Captions" to enable or disable subtitles and choose your preferred language (e.g., English SDH, Spanish, French).

## 5. DISC CARE AND MAINTENANCE

---

Proper care of your discs will ensure their longevity and optimal playback performance.

- **Handling:** Always hold discs by their outer edges or by inserting a finger through the center hole. Avoid touching the playback surface (the shiny side).
- **Cleaning:** If a disc becomes dirty or smudged, gently wipe it with a soft, lint-free cloth (e.g., microfiber) from the center outwards in a straight line. Do not wipe in a circular motion. Use a specialized disc cleaning solution if necessary, but avoid abrasive cleaners or solvents.
- **Storage:** Store discs in their original case, away from direct sunlight, extreme temperatures, and high humidity. Laying discs flat or stacking them without their cases can lead to warping or damage.
- **Avoid Scratches:** Be careful not to drop discs or slide them across rough surfaces, as this can cause scratches that may affect playback.

## 6. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Disc does not play or loads slowly.	Disc is dirty or scratched; player is not compatible; disc inserted incorrectly.	Clean the disc (see Section 5). Ensure your player supports 4K Ultra HD or Blu-ray discs. Re-insert the disc correctly. Try the disc in another compatible player to rule out player issues.
No picture or sound.	Cables are loose; incorrect input selected on TV; player settings.	Check all HDMI cables are securely connected. Ensure your TV is on the correct HDMI input. Verify audio/video settings on your player and TV.
Digital code not working.	Code expired; incorrect entry; regional restrictions.	Double-check the code for typos. Verify the expiration date on the insert. Ensure you are redeeming in the correct region. Contact the digital redemption support (usually listed on the insert) if issues persist.
Playback freezes or skips.	Disc damage; player firmware outdated.	Clean the disc. Inspect for deep scratches. Check your player manufacturer's website for firmware updates.
