## RoadWarrior RW1

# RoadWarrior RW1 Trucker Bluetooth Headset User Manual

Model: RW1

## INTRODUCTION

Thank you for choosing the RoadWarrior RW1 Trucker Bluetooth Headset. This manual provides essential information for setting up, operating, and maintaining your headset. Please read it thoroughly to ensure optimal performance and longevity of your device.

## PACKAGE CONTENTS

- RoadWarrior RW1 Bluetooth Headset
- USB Charging Cable
- User Manual

## PRODUCT OVERVIEW

Familiarize yourself with the components and controls of your RoadWarrior RW1 headset.

**Image:** RoadWarrior RW1 Headset with labeled controls. This image highlights the adjustable memory foam headband, volume up/down buttons, on/off button, RW button (for Siri/Google Assistant), memory foam ear cushion, and the 270° adjustable microphone.

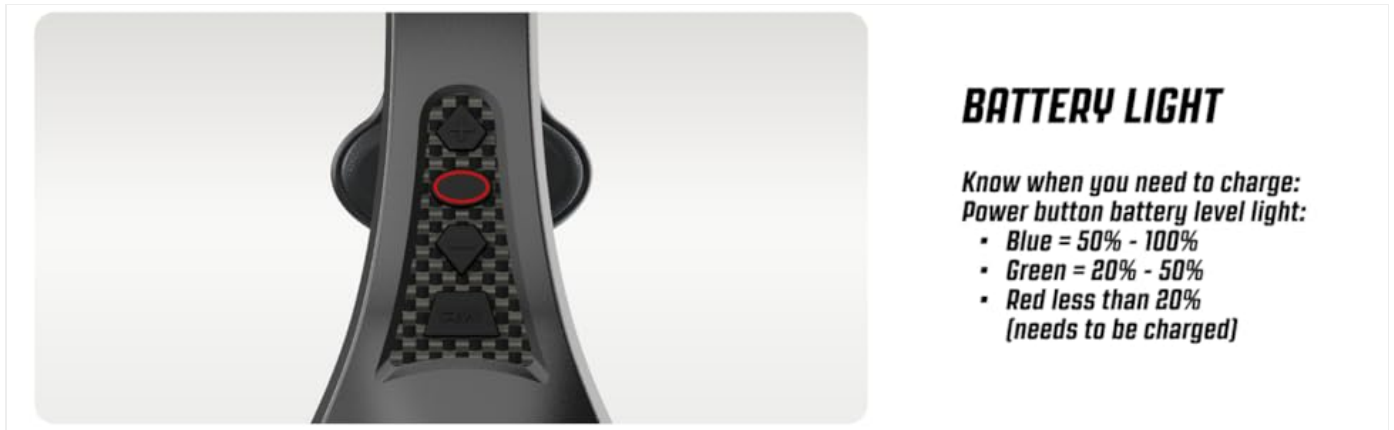

- **Adjustable Headband:** For a secure and comfortable fit.
- **Volume Up/Down Buttons:** To adjust audio levels.
- **On/Off Button:** Powers the headset on or off.
- **RW Button:** Activates voice assistant (Siri/Google).
- **Memory Foam Ear Cushion:** Provides comfort during extended use.
- **270° Adjustable Microphone:** Allows for left or right side wearing and optimal mic positioning.

## SETUP

### 1. Charging the Headset

Before first use, fully charge your RoadWarrior RW1 headset. Connect the provided USB charging cable to the charging port on the headset and to a compatible USB power source.

- The LED indicator will show charging status.
- A full charge typically takes approximately 2 hours.

**Image:** RoadWarrior RW1 headset with battery level indicator. The power button's LED light indicates battery status: Blue (50%-100%), Green (20%-50%), Red (less than 20%, requires charging).

#### **Battery Light Indicator:**

- **Blue:** 50% - 100% battery
- **Green:** 20% - 50% battery
- **Red:** Less than 20% battery (needs to be charged)

## **2. Pairing with a Bluetooth Device**

1. Ensure the headset is turned off.
2. Press and hold the On/Off button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, laptop, etc.), enable Bluetooth and search for available devices.
4. Select "RoadWarrior RW1" from the list of found devices.
5. Once connected, the LED indicator will turn solid blue or flash blue slowly.

The headset has a wireless range of up to 100 feet (30 meters).

# 100' WIRELESS RANGE

LATEST IN WIRELESS TECHNOLOGY

**Image:** A man wearing the RoadWarrior RW1 headset stands approximately 100 feet away from his phone, demonstrating the wireless range.

## OPERATING INSTRUCTIONS

### Power On/Off

- **Power On:** Press and hold the On/Off button until the LED indicator lights up.
- **Power Off:** Press and hold the On/Off button until the LED indicator turns off.

### Call Management

- **Answer/End Call:** Press the On/Off button once.
- **Reject Call:** Press and hold the On/Off button for 2 seconds.
- **Redial Last Number:** Double-press the On/Off button.

### Volume Control

- **Increase Volume:** Press the Volume Up button.
- **Decrease Volume:** Press the Volume Down button.

## Voice Assistant Activation

- **Activate Siri/Google Assistant:** Press the RW button once.

## Wearing the Headset

The RW1 headset is designed for comfort and versatility. The microphone boom can rotate 270 degrees, allowing you to wear the headset on either your left or right ear. Adjust the headband for a snug yet comfortable fit.

**COMFORTABLE DESIGN**  
FOR ROAD-READY COMFORT

- ADJUSTABLE HEADBAND
- SOFT MEMORY FOAM CUSHION
- CUSHIONED ANTI-SLIP PAD
- 270° ROTATABLE MICROPHONE

LEFT AND RIGHT SIDE COMPATIBLE

**Image:** A man wearing the RoadWarrior RW1 headset, showcasing its comfortable design and adjustable microphone for left or right ear use.

The Environmental Noise Cancelling (ENC) microphone with omni capsule technology ensures clear communication by filtering out background noise from engines, traffic, and wind.

## ENC Microphone

*Environmental Noise Cancelling (ENC) technology intelligently cancels out background noise, road, and cabin sounds for crystal-clear calls. Up to 100' wireless connection.*

## MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headset. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The RW1 is IP54 rated, meaning it is dust-proof and resistant to water spray. Avoid submerging the headset in water.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.

## DUST & WATER RESISTANT

*With an IP54 rating, this device is fully dust-proof and splash-resistant, offering reliable protection in tough environments. Ideal for outdoor or rugged use, it's built to keep going where other devices might fail.*
