Safety Information

To ensure safe operation and prevent damage, please observe the following safety guidelines:

- Always assemble the desk according to the included instructions.
- Do not exceed the maximum weight recommendation of 250 pounds (113 kg) on the tabletop to ensure stability and safety.
- Ensure all connections are secure before use.
- Keep the dust collector free from obstructions to maintain optimal performance.
- Avoid placing hot items directly on the surface without protection.
- Keep children and pets away from the table during assembly and operation.
- The table features rounded corners for safety, but exercise caution during movement and use.

Setup and Assembly

Assembly is required and typically takes two people. All necessary tools and step-by-step instructions are included in the package. Follow the provided assembly instructions carefully.

1. Unpack all components and verify against the package contents list.
2. Identify the main panels and hardware.
3. Assemble the storage rack first, ensuring all screws and fasteners are tightened securely.
4. Attach the tabletop to the storage rack, paying attention to the rotating mechanism.
5. Install the dust collector into the designated opening on the tabletop.
6. Place the wrist cushion on the tabletop.
7. Insert the plastic dividers into the top tier of the storage shelf as desired.

Operating Instructions

Dust Collector

The built-in 60W nail dust collector helps maintain a clean working environment. Simply plug it in and press the one-button control to activate. The strong suction effectively collects nail dust.

Reversible L-Shaped Design

The desktop can be rotated 360 degrees around the storage rack to adapt to your salon layout or personal preference. This allows for both left-facing and right-facing L-shaped configurations, or a straight setup.

Storage Shelf Usage

Utilize the multi-tier open storage shelves and the top partitioned storage for organizing nail polishes, tools, and other supplies. The included plastic dividers can be trimmed to fit and customize the top storage space.

Maintenance

Cleaning

The table surface is acetone resistant, corrosion resistant, and easy to clean. Wipe with a damp cloth to remove dust and spills. Avoid abrasive cleaners that may damage the laminated finish.

Dust Collector Bags

Regularly check and empty the dust bags attached to the dust collector. Four reusable dust bags are included. Replace them when full to maintain effective suction.

Troubleshooting

If you encounter any issues, please refer to the following common solutions:

Problem	Possible Cause	Solution
Table wobbles after assembly.	Loose fasteners or uneven floor.	Ensure all screws are fully tightened. Adjust the table's position on an even surface.

Problem	Possible Cause	Solution
Dust collector not working.	Not plugged in, power switch off, or full dust bag.	Check power connection. Ensure the power switch is on. Empty or replace the dust bag.
Desktop rotation is stiff.	Debris in the rotating mechanism or overtightened components.	Clean the rotating mechanism. Ensure components are not overtightened during assembly.
